Central Indiana Airstream Club – March, 2023

Happy St. Patrick's Day!

In a field of three-leaf clover, be the one that stands out!

We have so many exciting events coming up this year and we hope that you are able to join us for many of them.

What should we do to help?

A question was posed recently to our Facebook group inquiring what our club's Community Service project is for this year. President Tammy Price mentioned that we will be collecting can goods at

each of our rallies and then distributing to food banks in those areas. A suggestion was made that maybe local grocers would contribute or match. What are your thoughts? Do we have a special Flamingo to be displayed at

the trailer who donates the most canned goods or change to be collected during each rally?

Any and all suggestions are welcome—please email the club at ciu@wbcci.net

Recipe Round Up ~

Campfire Banana Boats

These Banana Boats are stuffed with your favorite toppings, wrapped in foil, and cooked right over your campfire for an easy, no-mess dessert!

Prep 5 min Cook 10 min Total 15 min
Servings 1

CLASSIC BANANA BOAT

- 🍌 1 banana
- 🍌 2 Tablespoons milk chocolate (chopped from bar or chocolate chips)
- 🍌 8 mini marshmallows
- 🍌 1 graham cracker square

Steps:

1. Take a banana with its peel still on and cut it down the middle (along the concave side). Not all the way through, but until the tip of your knife just grazes the peel on the other side. Pull the peel and banana slightly apart.
2. Stuff the chocolate and mini marshmallows (or other fillings, see notes) into the center of the banana.
3. Wrap the banana in foil. Place on a campfire or grill until fillings have melted and banana has warmed through, about 10 minutes.
4. Unwrap banana and top with crushed graham cracker.
5. Enjoy!

Banana Boat Variations:

- ❖ **Strawberry Hazelnut:** Banana + Strawberries + Nutella + Chopped Hazelnuts
- ❖ **Samoas:** Banana + Chocolate Chips + Caramel Sauce + Toasted Coconut
- ❖ **Dulce de Leche:** Banana + Chocolate + Dulce de Leche sauce + Coconut shreds

What is it??

Here is this month's photo question. Macro photography is extreme close up photography in which everyday items can be unrecognizable. This is a close up photo of an everyday item. See if you can guess what it is. We'll have the answer for you in the next newsletter. Congrats to Tammy Price on correctly guessing February's photo!
