WBCCI Airstream International

## DIANE CARPENTER, PRESIDENT'S MESSAGE

It's Rally Time! 🌺 The days are longer and warmer and our Airstreams are calling to us to get ready for a great season. The Washington Airstream Club has some fun rallies planned for the year; please see the rally schedule and get ready to sign-up for good times and great friendships. All the rallies will be open for registration in the next newsletter. 🌺 We kicked off the season with our Traditional Crab Feed Rally, which was a great success! We could not have done it without our volunteer hosts, Dena and Mike Maynard, who did a fabulous job from decorations to cleaning the hall. The club thanks them very much! 🌺 I would also like to thank all the volunteers that help in the kitchen – from prep work to cooking to clean-up – all this could not be done without volunteers. We were very happy to welcome many new members and form new friendships, and we hope everyone felt warmly welcomed because our club is really fun! 🌺 I would like to thank Carol Ortiz for all her tireless effort as our volunteer Parliamentarian over many years; she is a fantastic mentor and I am grateful to her for sharing her knowledge. Please help me welcome Lori Woehler as our new volunteer Parliamentarian! This position is important to the Board of Trustees in making sure that we conform to our club bylaws, and those of the Airstream International Club, in order to represent our members in the best way possible. Thank you both, Carol and Lori! 🌺 In this newsletter we have the nomination statements of ten (10) member volunteers that have expressed their interest in serving on the Washington Land Yacht Harbor Board of Trustees. Please read through their statements so you are knowledgeable when you cast your advisory vote for the candidates. You may cast your advisory vote online; send it in by mail; drop it off at our Secretary's drop-box; or vote in-person at the Saturday, May 6, 2023, Membership Meeting during the Maui Wowee Rally. Complete advisory ballot submission information is in this newsletter. 🌺 Also, during the Maui Wowee Rally, we will be kicking-off our fundraising efforts for Terraport Beautification! More information on this effort will be provided next month. 🌺 I hope to see you all soon, be safe in your travels, and most of all have fun the Airstream way. 🌺 Best, Diane 🌺

## Airstream Greetings from the Washington Land Yacht Harbor 🌺

Hello to all WA Unit club members, the Washington Land Yacht Harbor is ready to welcome you! The cold weather is almost behind us and it's time to get your rig moving! The lifestyle that your Airstream affords you is unmatched. I realize that many people still work, but don't let that prevent you from taking a weekend trip to the Harbor, or to one of the WA Unit rallies. Don't wait until summertime to get started. 🌺 The Harbor has over 100 RV sites and an RV storage area if you'd like to store your RV – or your boat – with us. If you are brand new to towing and have questions, we can help. 🌺 Right now we are planning how to accommodate Airstreamers from all over the US and Canada at the Potlatch Reunion Rally. Please make sure you are going to attend and get your RV reservation made right away. Go to our web site at [WLYHPARK.com](http://WLYHPARK.com) to see what and where we are. Call 360-491-3750 to reserve a spot. 🌺 Many of you have inquired and offered to volunteer for work projects. First of all... Thank You! If you are interested in volunteering I would encourage you to contact our Director and Volunteer Coordinator Jena Embry Loes at [volunteers@wlyhpark.com](mailto:volunteers@wlyhpark.com) and she will connect you with the people looking for help. If you are interested in becoming a "workamper" for the Summer season, Jena is also the best person to speak with about that opportunity. 🌺 Finally, one of our goals this year is to make an effort to beautify our RV park. With people coming here from all over we need to put our best foot forward. Many of you have expressed a desire to donate money toward this effort. If you would like to donate money, or supplies, or time, or anything else to help with beautification, please contact Lee Wyman, our First Vice President, at 206-419-1726, or email at [1stvp@wlyhpark.com](mailto:1stvp@wlyhpark.com). Thank you for your time and I really look forward to seeing all of you at the Harbor. 🌺 Regards, Mike Plympton, President, Washington Land Yacht Harbor (WLYH) 🌺

## Volunteer Opportunity for Rock Springs

If you are attending the International Rally in Rock Springs and are interested in a valuable volunteer opportunity, please consider volunteering as the Tables and Chairs Chair. I have had to drop out of this position as we will not be able to attend the rally. Tables and Chairs is responsible for providing the seating arrangements for all the events at the Rally. We did this last year for Fryeburg and it was hard work, rewarding and fun. We had 5 volunteer members on the team, and good support from the Rally organizers and the event site. Please contact me if interested and I can fill you in on the details. 🦩

BOARD OF DIRECTORS NOMINATIONS 2023**

The following individuals have submitted their statements for your consideration as candidates for the Washington Land Yacht Harbor (WLYH) Board of Directors (BOD). As an editorial policy, candidate statements are published as received without spelling, grammar, or fact checking. It is the responsibility of the candidates to ensure the accuracy and clarity of their submissions. Content has been formatted for consistency in publication and limited to the first 500 (five-hundred) words. Candidates are listed in alphabetical order by last name. **Peter Bogart**

My Qualifications: I have been actively selling and valuing businesses (mostly closely held corporations with a value over ten million dollars), for over forty two years. I have taken courses on business appraisal at the college level and have been a member of, and have taken courses from the Institute of Business Appraisers. I also authored a book on business valuation "Business Appraisal for Buyers and Sellers".

I have functioned as an expert witness in numerous trials.

I have also been retained on a number of occasions by banks to take control of a business, manage it, and then procure a buyer for the business in which the bank was forced to execute on their collateral.

I have done numerous appraisals for buy/sell agreements, stock transfers, outright sales, insurance valuations, etc.

Anyone that is interested in more information on my professional practice, look at my website: [BOGARTANDASSOCIATES.COM](http://BOGARTANDASSOCIATES.COM)

While continuing my merger and acquisition work I have also owned simultaneously, a construction company (new single family homes) and a restaurant that sat 250 people with an average of 60 employees'. I think I know how to manage a work force. Thank You, Peter J. Bogart

**Jeanpierre Charette, BOD Member**

I am interested in the vacant position on the Board of Directors.

Currently I'm employed at Kelley Home Services as a Carpenter/Painter.

My past employment included being Maintenance Manager for Macys at the Seattle Downtown Store. While working for Macys I have had the opportunity to supervise crews for the maintenance of the Store and many Macys Downtown Corporate functions. Jeanpierre Charette

**Jena Embry Loes, BOD Member**

Hello, my name is Jena Embry Loes and I am asking for your consideration to fill the recently vacated position on the WLYH Board. I would like to serve through the end of that vacated term. I am also willing to run in the upcoming election in May.

Our Big Red Number is 4993, and along with my spouse, Matt Loes, we have been members of the WA Airstream Club and WBCCI for ten years. We moved to the WLYH in 2020, and lived for eleven months in our 25ft Flying Cloud waiting for our new home to be constructed and delivered.

The time spent with the WA Airstream Club have been the most enjoyable years of our lives! We have been to over 30 rallies~ home and away, had the experience of hosting and co-hosting rallies, and supported club events for the past decade.

The friendships we have gained are the reason we moved to the Harbor. I cannot imagine a better community in which to put down roots! The history of the Airstream community, the wonderful people, and a safe, healthy and vibrant community all contributed to our decision to purchase a lease and buy a home here.

And, that is why I am asking for your support to serve on the Washington Land Yacht Harbor Board of Director's; to ensure we have a place that is financially sound, has a strong sense of community and makes the most of our Airstream way of life!

I have been your Volunteer Committee Chair for the past year, working alongside many of you to maintain and improve our Harbor community. In my professional life, I have over 20 years of experience in Nonprofit Organizations in the Olympia area. The last decade of that has been dedicated to work in housing and property management. I have served in Leadership roles, supervised multiple staff, managed volunteers, and recently celebrated 3 years as Director of Operations for Homes First in Lacey.

I have served on Ad Hoc committees, Strategic Planning groups, Hiring committees and as the President of the Options Council, a Nonprofit Education Board of Director's, for 3 years in the Olympia School District. I have a BA in Education & Social Science, started my own business, a hobby farm we named Floraluna Lavender Co. and enjoy landscape design and interior restoration of historic homes.

## WASHINGTON SOUND

I want to continue my service to our Airstream Community and will bring all my professional and personal life experiences to the Board position. My goals are to ensure our residents and members have the benefit of my skills, knowledge, positive energy, and leadership as their representative on the BOD. We have experienced a great deal of change in our lives the past 3 years and I want to be a part of moving us to a sustainable future through hard work, leadership, communication and transparency. I'm asking for your support in creating a future vision for our Airstream Community. Thank you, Jena Embry Loes

### **Corey Lyghts, BOD Member**

**Statement of Interest** I am an active WBCCI WA Unit member who has lived in the Washington Land Yacht since 2018. I participate in most home rallies, attend some away rallies, and have co-hosted rallies as well.

I have volunteered for a Board of Directors position when an opening became available in September, 2022. Prior to that, I have not previously held any Board positions for the Unit or Harbor.

Currently, I am helping at the gatehouse while Pam is away. I have helped with other items at the gatehouse, hall and rallies. My work history includes heavy equipment operating and maintenance, I am not afraid to get my hands dirty or help out on projects.

I have a vested interest in seeing our community remain a place where Airstreamers can not only visit, but make life-long friends. As a resident, I want our community to be a place where people want to visit, and share in the Airstreaming life. I am a proponent of volunteerism and believe all of us need to work to keep our community a place where other Airstreamers will want to come.

I am available to be on the Board of Directors if I am chosen for the position, with the exception of traveling for rallies and holidays.

#### **ORGANIZATIONS**

Trustee, Liberty Baptist Church, 2013 - 2016

H.O.G. Member 2016 - present

WBCCI Member 2018 - present

Couple's Ministry, Harvest Church, 2020 - present

### **Nancy Morman**

My name is Nancy Morman and I would like to be considered for a board of directors position. I have been a member of the Washington Airstream club for 20 years, and have lived in the Washington Land Yacht Harbor for 19 years. I have hosted several rallies, and have served on the Board of Trustees 2 times, once as a Trustee and once as the Treasurer.

My work experience is 40 plus years of accounting and accounting management. I have worked for companies ranging from single proprietor to publicly traded corporations. I am currently working as the head accountant for an HVAC company.

I appreciate your consideration for this position. Thank you. Nancy Morman

### **Roger Morse**

Being first-time Airstream buyers in January 2022, we were excited to learn about the Airstream International Club and the Washington Unit, as we brought our new-to-us Sport Bambi home for outfitting! Attending our first rally in March 2022 (Crab Rally!), we were astonished to find this amazing community that is the Washington Land Yacht Harbor and the Washington Airstream Club! It is with that sense of excitement and amazement that I offer my candidacy for your consideration.

As a lease-holder and recently remodeled home-owner (August 2022), and part-time resident, I desire to provide a positive impact to the Harbor and ensure its continued growth and development. By being an active Board member, I hope to be able to shape the future of the Harbor for the use and enjoyment of current and new members and residents.

Serving on the Board will allow me to engage in maintaining and enhancing our quality of life in the Harbor. I trust that by working together, we can address issues that will arise, maintain our common areas, utilities and amenities, effectively enforce established and new rules and regulations, and continue to enjoy a strong sense of shared community.

I have work experience in technology, sales, program management and consulting, and have engaged in leadership roles throughout my career. I am confident that my skills in communication, problem-solving, and decision-making will be useful, and, importantly, this will be an opportunity for me to learn from others and develop new insights.

To conclude, I want to participate on the Harbor Board as I believe that I can make a meaningful contribution to its success. I am committed to promoting the Harbor community, and I am confident that my skills and experiences can help us achieve our goals. Thank you for your consideration. Roger Morse

### **Dale Thiessen**

**PROFILE** My husband Rex & I have lived here at the WLYH for a year as of June 2023, where we have created our home from scratch over on one of the few vacant lots left, here on A Street. We have happily been a member of the Airstream Club WA Unit for almost 2 years now.

## WASHINGTON SOUND

We love the Airstream Club & our community at the WLYH. Both the Airstream Club and The Harbor give us that strong sense of community that we both have felt had been missing from our lives. We plan on living out our lives here at The Harbor, helping to make our club & our park the best it can be for all of its members & residents.

We have hosted a couple of rallies, End of Summer 2021 & Fall Harvest 2022. We volunteer whatever is asked of us, from serving at our club's awesome rally meals to cleaning up The Harbor at one of our ongoing volunteer days. We have donated the up-lighting for Harmony Hall, a couple of picnic tables, numerous flowers/plants for landscaping, goodies for club & park prizes/auction items... and feel as though we have just scratched the surface of what we can do for our club & park.

**BACKGROUND** I grew up in my family's business of real estate investments, where we owned & ran the day-to-day operations of all of our apartment buildings down in Portland, Oregon: The Milwaukian, the Town House Village, and The Riverdale. I studied design at Cornish, up in Seattle. I have raised both of our now grown children.

**WORK EXPERIENCE** Wilcox Family Farms – Retail Sales Division Manager I manage all retail sales in the PNW. I have worked for a couple food brokerages & food vendors over the years, managing sales & sometimes people that have to achieve measurable results within a certain amount of time to be able to be successful at my job.

**SKILLS** I am good at multi-tasking, good team player, good at having a vision/plan of what needs to be accomplished and being organized enough to follow it through to completion. Over the years I have worked on/for numerous organizations such as HOA committees, club officers, and other group functions. I want to give my life's energy, with the help of my money, to best serve at keeping our awesome community thriving for generations to come.

### **Ed Treanor, BOD Member**

My background starts with the Marine Corps and Parris Island. A couple of tours in Vietnam as a grunt, a Meritorious Combat promotion to Sergeant, selection to the Associate Degree program, and finally discharged as a Staff Sergeant not knowing what I wanted next.

Eventually working in many of the construction trades and a millwork apprenticeship. Soon started a business in those trades and incorporated. Developed a primary window replacement business with Anderson Windows. Became a General Contractor in Myrtle Beach designing and building homes and doing remodeling work. At this same time I started managing restaurants and learning resort management which got me very interested in the culinary field. I eventually ended up a Certified Executive Chef within the American Culinary Federation.

My business background taught me to make decisions using a "cost benefit analysis" process. What will it cost and what are the benefits or drawbacks to each decision. This is how I make decisions to this day and it is an approach I would use if selected to be on the BOD here at the Harbor.

I believe we must and should communicate all expenditures to the members before they are implemented and when they occur, including emergency repairs. In my few short years as a Harbor lessee I have realized, all too often, that communication from and between the BOD and BOT has been insufficient. This needs to change as we all need to know what is planned, what it will cost each of us as members, and how the Harbor will benefit or not, so we as members can collectively decide what we want.

With these things in mind I ask for your confidence and vote for membership in the BOD. Thanks, Ed Treanor

Paul and Charli Westerfield [charli300\\_7@msn.com](mailto:charli300_7@msn.com) 360-485-7837 (Curlew)  
Gloyd and Jean Dearth [gloyddearth@aol.com](mailto:gloyddearth@aol.com) 740-972-0725 (Potholes)

**We sure hope you can join us for both sections of the Caravan for some great fishing, fun, exploration and relaxation! It will be a "Buddy" event, so please invite your friends with a non-Airstream RV.**

The WA Unit Maui Wowee Rally will be May 5-7 at the Land Yacht Harbor, so you can plan to start the Fishing Caravan right afterwards! Some of us will leave that Sunday the 7th and stop for the night at Beebe Bridge on the way to Republic.

Black Beach Resort is located at 848 Black Beach Road, Republic WA 99166. (509-775-3989). If you are driving straight through from WLYH, it is about 341 miles from the Harbor. For those stopping overnight at Beebe Bridge Park, the address is: 23459 Highway 97, Orondo WA 98843. It is about 34 miles north of Wenatchee, and about 214 miles from Washington Land Yacht Harbor. You will need to make your reservations online after Wednesday, March 1, 2023. You can Google Beebe Bridge Park for the Chelan PUD campgrounds website.

At Black Beach Resort on Curlew Lake, full hook-up lakeside sites 7-16 are reserved for our group, with 5 more being added. You can reserve cabins after Wednesday, March 15th, with a credit card at 509-775-3989. We will have the big tent set up and there will be great fishing, bike-riding on the Ferry County Rail Trail, social hours, and plenty to do in the Republic area. Party boats, fishing boats and motors are available to rent. A big campfire will warm us up in the mornings and evenings. The Canadian Border is nearby, so you could even plan an excursion into Canada!

Sunday, May 14th is Mother's Day, so we will likely have a no-host group brunch or lunch at the K Diamond K Guest Ranch before departing on Monday. Check out their website at [www.k-diamond-k.com](http://www.k-diamond-k.com).

Monday, May 15th we head for Potholes State Park, 6762 Highway 262 East, Othello WA 99344, near Moses Lake. Potholes (or O'Sullivan) Reservoir is known for walleye, bass, trout, crappie and catfish. There is a boat launch near the camping area. Mardon Resort is nearby, which has a great restaurant, boat rentals, etc. Golfing will be available at the Legacy Golf Course, and lots to do in Moses Lake. Potholes State Park is full already, but you can check on cancellations by calling 888-226-7688 or go online (preferred): <https://www.parks.wa.gov/568/Potholes>.

**Prizes will be awarded for men's and women's longest fish at EACH lake!** We usually give out a few door prizes at some social hours, too. Donations welcome! There may even be a few games. If you have a corn hole set, bring it!

**The cost for the full caravan is \$360.** This includes your RV site and firewood at Black Beach, door prizes, awards, and final dinner at each lake. Black Beach only will be \$310, Potholes only will be \$50. As stated above, you need to make your own RV site reservations at Potholes. Let's make it a real caravan and attend both lakes!

The deadline is past, but there are still a few sites available at Curlew/Black Beach, so call me to save a site.  
Paul and Charli Westerfield

## POTLATCH REUNION NATIONAL EVENT RALLY

Washington Land Yacht Harbor, 9101 Steilacoom Road SE, Lacey WA 98513

Tuesday, August 1 - Sunday, August 6, 2023

The Washington Airstream Club is proud to host the return of POTLATCH with our traditional salmon bake dinner! This will be the WA Unit's chance to be spotlighted in the rich history of the WBCCI and bring Airstream members from across the United States and Canada to the beautiful Pacific Northwest. This six (6) day event is filled with five (5) breakfasts and four (4) dinners, including the salmon bake.

Planned activities (subject to change) will include: games and daily seminars; carpool tours to the Washington State Capital and downtown Olympia waterfront; riding the gondola at Crystal Mountain; deep-sea fishing out of Westport; playing a round of golf at Capitol Golf Course; and old-time photos (costumes provided).

The entertainment schedule includes: The Western Flyers; the Rachael Contorer Band; and the Black Hill High School Jazz Band. And, just for the fun of it, we are going to have Western Day (dress-up in your best Western wear), Crazy Hat Day (bring out your funniest and/or biggest hat), and a Furry Friends Dog Show.

There are many more attractions where you can venture out on your own or carpool with others. We will have an information table available for touring options such as: Blue Angels at Seafair in Seattle; LeMay Car Museum in Tacoma; Olympia Flight Museum, and so much more.

We are especially honored to have the Nisqually Indian Tribe and representatives of our Military participating at Potlatch. We have a real treat on Saturday when we are going to look back in time – a group of volunteers associated with "Friends of Willi and Joe" will provide Vietnam Era vehicles, a Field Hospital, a Hooch, and Historians to answer any questions anyone might have on all the equipment on display.

More information is available on the [Potlatch Reunion](#) website. [Registration](#) is available online to all Airstream Club members, or use the coupon. 🦄

## Silent Auction Prizes

Hello everyone, the Airstream International Pot Latch rally hosted by the Washington Unit at our home park, The Washington Land Yacht Harbor is well under way.

Opening ceremonies are going to be hosted by our neighbors, the Nisqually Tribe.

We want to give back as a thank you, a donation that will support their youth programs.

We are reaching out to our members for some awesome merchandise, that we will auction off at our Silent Auction, to be held on the Friday night of our Potlatch rally.

We have a lot of talent in our club & we have many generous members... please follow up with me about what you would like to donate to our 2023 Potlatch Rally. I am now collecting Silent Auction prizes... I can take your donation at any time, so by the time our rally begins on August 1<sup>st</sup>, we will have everything all ready to go for this fun event.

Dale Thiessen – email: [DWTPNW@gmail.com](mailto:DWTPNW@gmail.com), Phone: 206-251-3516
