MESSAGE FROM YOUR PRESIDENT(S)

HELP!! Our club needs a newsletter master. This is your chance to use your creative skills to design something fabulous four times a year. Check out the newsletters from other clubs on the airstream website. You can create something unique to Montana. Call me-lets discuss!

Montana rally time is almost here and I am excited to tell you what is planned for our club this spring. We always have fun and I want you to join us. We will be having a tech class at the spring rally so if you have maintenance or fix it questions this is the place to ask them. This will

include a few simple springtime wheels maintenance. We will have a wine tasting and a beer tasting and for those who do not drink alcohol, a chocolate tasting. We have some fun excursions planned as well. Co-president Sue has been the planning and executing force for the Spring Rally and she has done a terrific job. Thank you, Sue. Yours truly, Pam.
