## Presidents Message

by Carol Dubrowski

Carol on a beautiful Western Bike Ride.

As spring is approaching and we all start making our way back East I am thinking about that RV parked on our driveway. It has also been hibernating this winter, hopefully not also providing a cozy nest for the field mice. As nature is starting to warm up and the buds begin popping out, our campers will also start to re-emerge as we begin to prepare them for their summertime work. Many of us will be de-winterizing our campers and getting them all shiny and ready for the camping season. As we do this, it would be a good time to think about any questions we might have for our team of experts, led by our hosts Russ and Bard. This maintenance themed rally will be held on May 19th so come with your list of maintenance questions. This will also be the venue for our spring business meeting. We will be addressing the name change survey results and voting on changes to the constitution and bylaws. Our committees have been hard at work and look forward to sharing our results with you. A special thank you to Don Allers for creating the survey and guiding our constitution/bylaw review committee. His expertise has been extremely helpful!

### Changing as travelers do

While today's travelers are inspired by the same kind of wanderlust and curiosity as our founder Wally Byam was almost 100 years ago, the way they want to travel continues to change. And it's our job to keep our finger on the pulse of those changes. In fact, in response to a growing number of people who want all the comforts of home without towing a large trailer, two of our newest additions to the travel trailer family are smaller and nimbler than ever: the Basecamp (a revival of the original) and the Nest.

## Presidents Message

Continued

If you are not camping on site, you are welcome to come join us for the business meeting on Saturday, May 20th at 9:00am.

I'd like to mention that we have decided that it would be a good idea to include our club logo on all of the flyers that advertise our events. Rich will be happy to add it on to any flyer that he receives before he sends it out.

The weather here in Arizona had been unusually cold, rainy and even snowy. Can't wait to see everyone at the campgrounds again soon. ~

Our RV awaiting our return.

**The name change survey is complete. Look for more information in the May chatter.**

## Airstream Etiquette - A Primer

by Eddie Carl

Here in Region 1, as for the entire US, there has been an increase in membership in the Airstream Clubs, which is awesome for all of us! As I traveled this summer and attended rallies, happy hours, business meetings, spoke with old timers and new members I noticed a few things that years ago older members would pass on as basic etiquette to new members. I have also noticed that folks are less likely to mention the basics for fear that people will become upset and we don't want upset Airstreamers.

It is never appropriate for a rally attendee to call a campground to make a direct reservation unless it has been set up by the rally host and the campground owner/operator. Our rally hosts work hard to provide our members a great experience, they work hard on itinerary and have a special relationship with the campgrounds, so let's not do anything to upset that relationship.

I am not offering these small rules to upset anyone, or cause disharmony or ill feeling among club members. There comes a time when we have to step out of our comfort zone and be aware of the other folks in the campgrounds that are sharing.

1. We all love our pets, but it is not fair to our pets or folks attending Happy Hour that pets are at venues where food is being served. So please leave them behind unless it is listed as a pet friendly event.
2. Our club is dependent on volunteers to host rallies, work parking, welcome folks at events, serve a meal. Please remember they are volunteers, they are there to have fun as you are. They are there to help, not to be argued with or treated badly.
3. Remember Wally's Creed Code of Ethics:

*To be ever mindful of our responsibility to Wally Byam Caravan Club International, Inc., and through conduct, indicate to the public that membership in this organization is an assurance of our courtesy on the road and good will to all peoples and countries. To be ever mindful of what we say or print with respect to the affect on others so as to avoid disharmony and ill feelings among club members and to dedicate ourselves to the work of cementing together the members of WBCCI in bonds of good fellowship and mutual understanding. To conduct ourselves in a manner to inspire others engaged in recreational vehicle travel to a full appreciation of the intent and meaning of this code. To maintain our camps in an orderly manner and leave them in the same way. ~WB*

April 2023

by Sandy Sasuta

Hello Spring and all the spring flowers! FYI, April 22nd will be a big sky event, the “Lyrid Meteor Shower” around 10:30 p.m.

### Welcome

Arthur & Carol Hall 2461  
Anacortes, WA Affiliates  
(Former members that moved to WA)

Congratulations to **CINDY & MIKE BRODEUR** on purchasing a home here at Travelers Rest in Florida. That now brings up the count of CT members in the park to around 30!!! **GLEN & CHRISTINE LESSIG** enjoyed visiting here at TR and then spent a few days at Topsail State Park, Santa Rosa Beach, FL. Other visitors in March that we enjoyed seeing: The **KUSHMAN’S** son Scott with his daughter Emma, and their daughter Marabeth; The **LUPIEN’S** daughter Lynn and friend Mandy; our daughter Valerie with boyfriend Tim; The **WHEATLEY’S** two sons and family; The **WEIK’S** son; **KATHY FULLER’S** brother and family and **BILLY & JULIE STEERS**. Sorry if I missed any.

Thank you to **GAIL DOWNING** for agreeing to taking over as Membership Chairperson. We thank **DON ALLERS** for all his hard work with Membership.

I recently spoke to a former member that some of you may know, **BOB HENSCHEL**. He has fond memories of being in the Club, and sends greetings. His wife Sharon passed away two years ago; he is doing well and living in Pinellas Park, Florida. Also, hello from **CHARLIE WILSON** who resides in S.C.

As many of you know, Val Galasyn passed away on December 2, 2022. The family will be holding a memorial service on Sunday, May 28, 2023 at 2 pm at the Finnish American Society Hall, 76 N Canterbury Road (Rte 169), Canterbury, CT. Everyone is warmly welcomed, a meal will follow the service.

Something to think about from the Florida crowd: What’s the difference between an alligator and a crocodile? One you will see later, one you will see after a while.

Be sure to sign up for the upcoming rallies and the Region 1 event, you’ll have a great time.

## St. Patty’s Day Lunch

by Russ and Rhona Fuller

What a beautiful day to celebrate St. Patrick’s Day with our Charter Oak friends. We hosted 21 members which included a “first timer” David Ruggles. We were also delighted to have a few newer couples join us for a second time and look forward to seeing them during the camping season.

We decided this year to change up the menu to more of a brunch, which included, corned beef hash, scrambled eggs, cheesy hash brown potatoes, Irish Colcannon, (creamy mashed potatoes, cabbage, onions, and crisp bacon) sausage, bacon, assorted pastries, fruit salad, Irish soda bread, and “Irish” French toast made with Bailys, and can’t forget the many delicious assorted desserts. Nobody went home hungry.

Evie & Bill Watts, Julie & Billy Steers, Steve Seitz, David Ruggles, Hally Schoen, Tom and Candle French

Mark & Kathryn Collins, Rhona Fuller, Sharon Porven, Betsy & Pat Flanagan and Alex Porven

We found out near the end of the party it was also Pat Flanagan’s birthday, happy birthday to Pat.

There was a lot of excitement over this coming camping season, as we are going to a couple of new locations including downtown Roxbury for a boondocking experience. Conversation included reminiscing about some favorite locations that we will return to. The Maintenance Rally spurred much interest amongst the guests who were eager to ask questions and learn about their trailers and all the little things that make camping fun. We all concluded that the camping season can’t come soon enough!

Russ and I thank you to everyone who came and made the day a great success. See you down the road. ~

## Region One News

## Newsletter Early Spring 2023

by **Bard Fuller**  
**Region 1 President**

**W**OW, Spring is here and we are all making our 2023 travel plans. Make sure that you have signed up for the June 15-18 Region One Rally. This will be the biggest gathering of Airstreams this year in the Northeastern portion of North America. What a location, on Cape Cod, “New England’s Playground.” Come to the rally and be part of this big Airstream event. See old friends, make new ones and enjoy a lobster feast at the same time! A great stepping off point to visit Martha’s Vineyard and Nantucket or for a day trip to Provincetown. Many thanks to the hard work put into the planning of this event by our Cape Cod Massachusetts Airstream Club volunteers headed by Eddie Carll. This is one of our smallest clubs in Region One and they will be needing others to step forward to help facilitate all the activities during this 4-day event.

Have you checked out the Campfire Chats with the ACI International President, Eric McHenry and ACI Corporate Manager, Lori Plummer? It is a time to ask questions about our ever-changing club and to hear the newest info about the direction of our club as well as questions that others are asking. Always informative! May 24th will be our next Campfire Chat. Watch for future Chat dates in your ACI emails and they will be posted on the ACI website.

After years of separation of the Wally Byam Caravan Club from Airstream, Inc. as two distinct organizations, there has been a movement to find common goals and vision on how we can mutually help each other in the next decade. We as owners are the best ambassadors for the Airstream product and they may be helpful in membership recruitment. This new era of camaraderie can only be helpful to all involved. Todd Brink, our region membership chair, is working with our international team to facilitate a working relationship with the folks at Airstream, Inc. Such good stuff! Todd will be working this coming year with each of our local clubs’ membership chairs to strength all of our local clubs here in Region One.

Thanks to the changes to the ACI Constitution last year, we will, for the first time, be having real choices on electing our International Club’s leadership this coming June. Resumes of potential board members are presently being posted on the ACI website. It is a wonderful collection of those that have previous ACI leadership experience and a whole group of new faces that have volunteered to be considered to guide our club forward for the next 2 years and perhaps beyond. Be engaged and be informed of the great leadership candidates that will be offered in this coming June’s election.

A huge thank you to Tye Mott from the Cape Cod Airstream Club and Per Hamnqvist from the New England Airstream Club for all their invaluable contributions to our previous and present ACI leadership teams. Per is eligible to run again, hopefully we might see his name on the ballot for the 2023-2025 council.

Congratulations to the Quebec Airstream Club for having an uplifting presence in the newest ACI promotional short film that will be used nationwide as a future recruiting tool. Check out:

<https://www.youtube.com/watch?v=iXQ1UVsNiSg>

A note about this film, there is a large presence of Wally Byam in this film. One of the criticisms that I have heard with many of ACI’s newer initiatives has been that we have left out Wally Byam as the focal point of the club. Hopefully, we are bringing back Wally. He was, and will always be, the inspiration for our club. ~

Why is everyone so tired on April 1? Because they just finished a 31-day March.

I have a great April Fools' joke about construction, but I'm still working on it.

I was going to tell you an April Fools' joke about boxing, but I forget the punch line.

Did you hear the story about the guy who switched the labels on the pumps at the gas station? It was an April Fuels' joke.

The first of April is the day we remember what we are the other 364 days of the year. ~ Mark Twain
