## Cape Cod Massachusetts Airstream Club

April 1<sup>st</sup>, 2023

### President's Corner

My name is Scott Remy, your President of the Cape Cod Massachusetts Airstream Club. I think many of you already know me and I look forward to meeting those

of you who do not know me yet, as the 2023 Rally season gets under way.

Raquel, and I joined The Airstream group in late 2017. It is hard to believe that we have now entered our 6<sup>th</sup> year in Airstream. It really does not feel like it could be that long already and other times it feels like we have been members much longer because of the close relationships we have developed with many of our Airstream friends. I think now, many of you are like family to us, even if we only see you, our Airstream friends, while sharing a weekend on the road in a campground.

It is not possible for Raq and I to join many of you during the colder months of winter. But as the longer days of the warmer months have started, we are beginning to prep our Aluminum Silver Oasis, "Second Chance" so we can enjoy a few weekends out.

First, we are planning to attend the **Region One Rally** in East Falmouth on Cape Cod with this wonderful flock (which we are currently collecting items

in good condition that will be used as prizes for our raffle from any of our members who are interested to donate). There are other activities as well, it will be a fun time!!!

Next, we look forward to staying in Orford, NH at Eddie Carll's **Christmas in July at the Pastures Campground**, where it never rains. Total fun and things to do.

After that, we will join all who will be attending Karen and Craigs **Fall Foliage Viewing Rally** in North Conway in September, and participate in many fun things to do as well as plenty of go at your own pace opportunities for that weekend.

Then lastly for this camping season we will be heading to the **Columbus Day/Canadian Thanksgiving Rally** in mid-October hosted by Tye Mott. I want to say that this Rally has become an international attraction as I was even asked about it at the actual International Rally last summer in Fryeburg, ME, by a few Airstream groups members from up north in Quebec.

Well, that is more than I have said in one sitting, in a long time. I hope everyone can see how much I want to do a good job in this new role I am embarking upon. And with every ones help from our group, unit, and family, I think we will have quite a memorable year as 2023 continues to officially get under way.

Thank you so much - *Scott, BRN 27900*

## Region 1 News

**WOW**, Spring is here and we are all making our 2023 travel plans. Make sure that you have signed up for the **June 15-18 Region One Rally**. This will be the biggest gathering of Airstreams this year in the Northeastern portion of North America. What a location, on

Cape Cod, “New England’s Playground.” Come to the rally and be part of this big Airstream event. See old friends, make new ones and enjoy a lobster feast at the same time! A great stepping off point to visit Martha’s Vineyard and Nantucket or for a day trip to Provincetown. Many thanks to the hard work put into the planning of this event by our Cape Cod Massachusetts Airstream Club volunteers headed by Eddie Carll. This is one of our smallest clubs in Region One and they will be needing others to step forward to help facilitate all the activities during this 4-day event.

Have you checked out the Campfire Chats with the ACI International President, Eric McHenry and ACI Corporate Manager, Lori Plummer? It is a time to ask questions about our ever-changing club and to hear the newest info about the direction of our club as well as questions that others are asking. Always informative! May 24th will be our next Campfire Chat. Watch for future Chat dates in your ACI emails and they will be posted on the ACI website.

After years of separation of the Wally Byam Caravan Club from Airstream, Inc. as two distinct organizations, there has been a movement to find common goals and vision on how we can mutually help each other in the next decade. We as owners are the best ambassadors for the Airstream product and they may be helpful in membership recruitment. This new era of camaraderie can only be helpful to all involved. Todd Brink, our region membership chair,

is working with our international team to facilitate a working relationship with the folks at Airstream, Inc. Such good stuff! Todd will be working this coming year with each of our local clubs’ membership chairs to strength all of our local clubs here in Region One.

Thanks to the changes to the ACI Constitution last year, we will, for the first time, be having real choices on electing our International Club’s leadership this coming June. Resumes of potential board members are presently being posted on the ACI website. It is a wonderful collection of those that have previous ACI leadership experience and a whole group of new faces that have volunteered to be considered to guide our club forward for the next 2 years and perhaps beyond. Be engaged and be informed of the great leadership candidates that will be offered in this coming June’s election.

A huge thank you to Tye Mott from the Cape Cod Airstream Club and Per Hamnqvist from the New England Airstream Club for all their invaluable contributions to our previous and present ACI leadership teams. Per is eligible to run again, hopefully we might see his name on the ballot for the 2023-2025 council.

Congratulations to the Quebec Airstream Club for having an uplifting presence in the newest ACI promotional short film that will be used nationwide as a future recruiting tool. Check out:

<https://www.youtube.com/watch?v=iXQ1UVsNiSg>

A note about this film, there is a large presence of Wally Byam in this film. One of the criticisms that I have heard with many of ACI’s newer initiatives has been that we have left out Wally Byam as the focal point of the club. Hopefully, we are bringing back Wally. He was, and will always be, the inspiration for our club.- *Bard Fuller, Region 1 President*

# Camping Companions

You have just met our new Unit President, Scott, now meet Emma!

Emma has been a member of the Remy family for 10 years. Scott and Raquel found her by a wood pile in the back forty of their property when she was only 4 or 5 days old - she didn't even have sight yet.

Emma had to be bottle fed every 2 - 3 hours, so she went to work with Scott each morning. Scott attributes those early trips to Emma's smooth transition to trailer travel.

"It really never occurred to Raquel, my wife, or me not to bring her with us camping because she is part of the family. I think it is pretty cool not to have to choose between going on the road to camp with our friends or staying in to spend time at home with Emma."

Do you have problems with odors from your Black or grey tanks?

After many years boating and now as an Airstreamer I have found a product that actually seems to help and not just mask the smells - No Joke!

I started to add a scoop of *Happy Campers RV Holding Tank Treatment* to both the black and grey tanks after emptying. Simply fill the toilet bowl with water add a scoop of Happy Camper , mix to dissolve and flush the toilet and you're ready to "go." For the grey tank I mix a scoop in a gallon of water in bucket a pour some down both sinks and the shower drain.

- To keep alive and make real an enduring promise of high adventure and faraway lands... of rediscovering old places and new interests.
- To open a whole world of new experiences... a new dimension in enjoyment where travel adventure and good fellowship are your constant companions.
- To encourage clubs and rallies that provide an endless source of friendships, travel fun and personal expressions.
- To lead caravans wherever the four winds blow... over twinkling boulevards, across trackless deserts... to the traveled and untraveled corners of the earth.
- To play some part in promoting international goodwill and understanding among the peoples of the world through person-to-person contact.
- To refine and perfect our product by continuous travel -testing over the highways and byways of the world.
- To strive endlessly to stir the venturesome spirit that moves you to follow a rainbow to its end... and thus make your travel dreams come true.
