President's Corner

Happy February. This is the time of year that we all are waiting for the change in the seasons. The groundhogs have

(or have not) seen their shadows and we can begin thinking of the camping season that awaits. Among the changes we need note is that I have been told I will not be able to be your president this coming year. Yes, we did check with the correct people before I was voted in, and yes, we were given the green light. That being said, after Headquarters and the Constitution & Bylaws Chair discussed it, they decided I could not hold the position. I am sad to say I needed to step down and in January Scott Remy stepped forward as your president. I will be guiding and mentoring him and Andrew Fowlie, our First VP for the coming year. I want to thank both of them and their spouses for taking on these roles. We have two great people that will be amazing leaders creating stability and communication with all the changes the club will be going through. We will need more of you to step forward to help out with some of the positions we need to have filled. It is time we move OUR club forward and have a full board again.

Now onto some exciting news! Pet & Paws Rally in April already has 14 rigs signed up. I am excited to see the activities that Rick and Sandy Cipot, Teresa McShane, and myself have planned: Easter egg coloring, Bloody Mary bar, Dog walk downtown, and many more that will be announced soon.

We are hosting the Region One Rally in June - remember to bring your flamingos!!! We need more volunteers for that event so please step forward. We also have the Pastures Rally run by Eddie Carl that's taking reservations so begin planning.

In upcoming newsletters we will be posting some suggestions about camping courtesies for all of our new and seasoned members, so we can be great ambassadors for our club. If any of you have any suggestions on what you would like to see addressed here please email me at tmott@wbcci.net.

In closing please enjoy Valentine's Day and make someone feel special and loved. This is a great club and we all seem to be able to make sure we check in on each other. There are a lot of single members in the club and community that would love a "Be My Valentine" call or note to brighten their day. Let all begin planning for a great camping season! See you down the road and Let's Camp!

Ever Considered Courtesy Parking?

cour-te-sy noun: /kərdəsē/ The showing of politeness in one's attitude and behavior toward others.

I have listed my homes on the Airstream Club International website and in the annual Club Members Directory as Courtesy Parking locations. I have had the pleasure of having two members and their families spend time in my driveways at both of my Plymouth homes, where I was able to provide both water and power for their stay.

The most recent driveway guests at my new home near downtown Plymouth were a nice young family from Florida. They are full timing and home schooling their three kids, ages 7, 9 and 12. In a twist of fate, while doing remote schooling they were able to meet with their geography and history instructor who happened to live in Hyannis, while parked in my driveway in Plymouth!

During their two days stay they were able to enjoy visits to Plimoth Plantation (former name), Plymouth Rock and the newly refitted Mayflower. They also enjoyed a few of the local restaurants

One of the highlights for me was helping them with a few of the little problems they had with their used 30' Flying Cloud Bunkhouse as they were "newbies" having purchased their trailer only 4 months earlier.

Before their departure for Ohio we got out the hoses, buckets and sponges and we gave the trailer a good wash, the first wash since they hit the road. Once it was clean and sparkling like new, Stacey (Mom) asked if I could help them get their Big Red Numbers on their rig...so we set about the task at hand. I got the ladders and painters tape from the barn. The new numbers were all on one sheet and were a snap to get on the rig. It was great to see the excitement of these folks with their newly numbered rig and being proud member of the Airstream Club. I was so glad that I had listed my home as a Courtesy Parking member, it might be something you consider offering or using when on your travels.

Epilogue: I recently **got** a wonderful note from that family I hosted and now have more friends to add to the many folks that I have had the pleasure of traveling with, many of which have now become lifelong friends. *Eddie Carll BRN 30924*

Region 1 Rally: Places and Things to do on Cape Cod

First in a series of places and sites to see while on the Cape at the Region 1 Rally.

Over the 2022 Thanksgiving Holiday, I had a chance to spend an afternoon with Sandi Gould and Rick Cipot. We met in Woods Hole, which is in the town of Falmouth located

in Barnstable County. It lies at the extreme southwest corner of Cape Cod, near Martha's Vineyard and the Elizabeth Islands. From there you can take a quick 45 minute ferry ride to Oak Bluff, or Vineyard Haven, Martha's Vineyard.

We met at the [Woods Hole Science Aquarium](#) at the Oceanographic Institute. We spent time watching the seals play in the water outside the

main entrance while we got caught up on Club happenings and the fun we had in the season just ended.

Admission to the Aquarium is free; they do take donations to offset cost. We wandered through the two story building and enjoyed fishes from many of the local areas. Our tour lasted about an hour and half. It is well worth visiting and is only 12 miles for the Barnstable Fairgrounds.

Gilbert the Snowy Grouper Credit: NOAA Fisheries

After visiting the aquarium, we ate lunch at one of the popular local restaurants, Captain Kidd Restaurant and Bar. The service was great and we all enjoyed lunch, that I would rate at 4 stars and worth stopping if you are in Woods Hole - *Eddie Carll BRN 30924 Chairman for the Region*

Camping Companions

Wait - What? FOUR cats in a trailer?!?

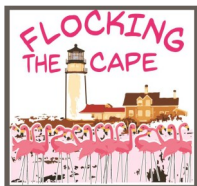

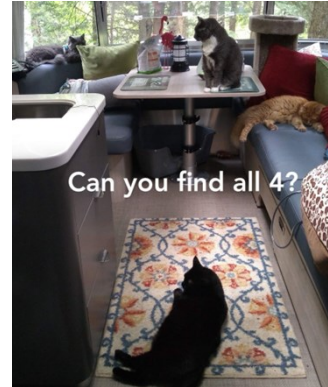

Meet Middy, Nipper, Jack, and Pepper, the faithful traveling companions of Andrew Fowlie and Carolyn Collins.

Andrew and Carolyn have been traveling with cats since 2001 when they moved aboard their sailboat, and while the cats then were not impressed with all that water, Andrew and Carolyn learned how to manage finicky felines while traveling, keeping them safe and purring.

Over time the faces have changed, saying good-bye to cherished companions, and new ones joining the crew, but the laughs, stories, purrs and snuggles continue.

What do Andrew and Carolyn love about traveling with them?

“Not the barfing in the truck, but the love we get once settled. They are our family! I can’t imagine leaving them behind.”
