President's Corner

I think everyone can agree that International was a huge success. Tye Mott was motivated to have the best Rally in a very

long time. His strength, perseverance and love of our airstream community went above and beyond what we could have ever expect.

I also want to congratulate Bard Fuller, our new Region One President. He is always there to help us.

Bill and I attended a few seminars. You always seem to learn something new no matter how long you have been Airstreaming. We explored the vendors and found a few things we could use. I bought some Magma Pans. I can't wait to try them. All the

vendors were good, although we miss the on-site monogramming.

The Airstream Band and Choir did a phenomenal job. This was such an enjoyable evening.

We also went over to North Conway and shopped at LL Bean and EMS, two of our favorite stores. We had an enjoyable dinner out with friends. It was so nice to get together everyone. The week seemed to go too fast.

I want to thank all those that helped with setting up for our Cape Cod Gathering. We had a great crowd and hopefully everyone enjoyed themselves.

Bill and I will be leaving at the end of this month to visit friends in Kentucky and then off to Ohio to join The Made in America Caravan. We start our adventure at the Airstream Factory. Stay Safe—*Lucy*

Region 1 News

WOW! That was a wonderful International Rally! And to have it in our backyard...even better!

I was proud to see so many volunteers from each of our Region 1 clubs making this rally the success that it was.

Some of you might ask, “What makes up Region 1?” Well, it is all the Airstream clubs found in the New England states, Quebec and the Canadian Maritimes. Every two years we change our region leadership starting at the conclusion of the International Rally. At this time, I would like to welcome **Eddie Carl** to our Region 1 team as 2nd Vice President. Also, **RJ Dominic** became your 1st Vice President and I became your president. Our thanks go out to **Doug Hart** for the 6 years of service he provided to our region.

For years we have had surveys that indicated that membership wanted to spend more time camping, learning and having fun at the International Rally and have fewer meetings regarding club governance. To that end, after a significant amount of planning, it has become a reality. Thanks to the many local club meetings, ACI website information, the Blue Beret, and our electronic balloting, the membership sent their presidents to the Delegates’ Meeting at the International Rally to vote in these important constitutional changes.

The ACI club constitution was significantly changed this summer allowing for future constitutional changes to be done by electronic voting by all the members. In addition, the Executive Council (EC) for the International Board of Trustees (IBT) was established and will be fully implemented in 2023. The Executive Council will be our leadership core along with your Region Officers from that point on. All council positions will become a two-year term and it will be possible

to have up to three terms (six years) if the membership votes to renew the council person’s service.

These changes, and previous adjustments prompted by the pandemic, now allow us to decouple the International Rally from the IBT meeting in future years. Effectively it will allow the IBT to be more responsive as it will meet virtually more often and at a lower cost. Without the fiscal year dictating the International Rally date, future International Rallies could potentially be scheduled in a different season of the year and possibly now in southern states.

At this time, considerable effort is now being put into strengthening the International Nominating Committee to obtain a broad selection of talented candidates for the 2023 Executive Council. Additionally, ACI International. President, **Eric McHenry** and 1st Vice President **Per Hamnqvist**, are establishing a more expansive National Event Rally program. They are setting the tone to implement long range plans into yearly expectations. We will also see our professional staff at HQ in Jackson Center being more involved in the operations of future International Rallies as well as membership on-boarding and retention.

This is not to say that we are forgetting our volunteers. Volunteering is still the heart of our club. We will all benefit from the additional continuity that HQ can provide along with the expanded officer terms.

On my part, I’m hoping to bring you newsletters throughout the year. Hopefully this will improve communication between our club’s leadership and our members so you can realize that your paid and volunteer leaders are working on your behalf to enrich the traditions and yet be progressive with the future of this wonderful Airstream club.— *Bard Fuller, Region 1 President*

Having fun at the 65th International Rally, Freyberg, ME

A Few Words From Our 1st Vice President

Hi All, Am I glad it's cooler as I'm sure you are also. As this was our first International Rally we were amazed and excited to see all the Airstreams come rolling in. What stood

out to me as a committee chairman was the International committee, from the President and down, all had servants hearts... they weren't there to be served but to serve. That speaks so very

highly of Ty Mott, whom we all love and appreciate.

Thanks goes out to Roland & Sandy, Stan & Kathy Warren, Scott Remy & Bill Clement for stepping up to help with Hospitality, morning coffee, and greeting folks from the different clubs. We had a great time and good laughs. I appreciate each one of you and the gift of yourselves to help me.

Let's keep that attitude of seeking to serve one another and the club. That's what's made this club what it is....See you down the road.— *Craig Moran & Karen Skow*

Upcoming Election for CCMAC Unit Officers

This month we will be having the election for Unit Officers. This years nominees are:

- President: Ty Mott
- First Vice President: Scott Remy
- Second Vice President: Andrew Fowlie
- Corresponding Secretary: Bill Clements
- Recording Secretary: Stan Warren
- Treasurer: Eddie Carl

- Director 1 year: Kathy Warren, Karen Skow
- Director 2 year: Carolyn Collins, Betsy Frey

All Regular Members of CCMAC are eligible to vote. Voting this year will be done electronically and an email will be sent out shortly with details on how to vote for your new officers.

What's In a Name?

Ever since the early days of Airstreaming, Airstreamers have affectionately named their Airstreams. And why not? They're part of the family. They hold memories you make along the road, and make them even more memorable. Here are a few stories behind a few:

WANDA: "Wander" in Boston-ese. It came to me in the middle of one night shortly after purchase in 2017. Wanda is: two syllables with vowel ending so pronounced easily; noun (Wanda) or verb (to wanda; wanda-ing). The name works as well as she does on the road! - *L Tucker Smith*

SECOND CHANCE: This is because this is our second marriage and also our trailers second chance because the first owners only took it out 3 times. *Scott & Requel Remy*

CONDOLUMINUM: it's my outdoor aluminum condominium. *Gary Conboy*

Pastures Rally Wrap Up

It has been a great summer for travel for many of us with the International Rally in Fryeburg this year. I am in the final few days of my summer adventures.

I left my home on the Cape for the Pastures Rally on the 6th of July, the Rally got started on July 7. There are folks in the Airstream community that generally do not do the same rallies year in and year out, that has not been the case for the Pasture's Campground Rally. Folks are coming early and leaving late, if we had music, it might be compared to Woodstock (that might be a stretch because we have not had 400,000 folks show up Pastures).

We had six first-timers to Pastures rigs of the eighteen rigs at the rally, majority were from the New England Club. We had a beautiful weekend, with clear skies and calm waters on the Connecticut River. Doug Robinson our campground host had a local antique car club bring a number of classic cars in on Saturday, we had a

chance to spend time with many of the owners admiring their cars, and they in turn came and toured some of our Airstreams. It was a nice time had by all.

We enjoyed a nice summer cookout on Saturday night followed movie provided by Bonnie and Greg, We watched the Wally Byam, Africa to Cairo Caravan and rounded out the night with a campfire. We rounded out the weekend on Sunday night with all the folks that stay with a great "clean out the fridge" cookout.

We will look forward to next year's return to Pastures with some exciting changes, the date will be July 14-16, 2023. We will be celebrating "Christmas in July" with all the friends we have made at the campground and a joint cookout on Saturday night. Make sure you start collecting your favorite trailer Christmas decoration.... we will be competing for the best decorated trailer! See you all along the way.—*Eddie Carll*

Report on International Delegates Meeting: July 27, 2022

In order that all delegates had an understanding of the parliamentary process the delegates meeting would follow, a seminar was held the day before, at which the International Parliamentarian and Chairperson of Constitution & Bylaws reviewed the voting process to be conducted the following day.

On the day of the meeting, Delegates were requested to check before the meeting that was scheduled for 9 a.m. The voting terms and processes were reviewed again during the first hour of the meeting. Once the meeting got underway there was some misunderstandings as to how the voting was progressing, even after three hours of previous discussion.

The first motion passed 2765 to 800 eliminating future delegates meetings and moving to an electronic polling of all members for constitutional changes.

The second motion passed 2557 to 1009 creating a new 15-person Executive Board that any member can run for with a six year maximum term, and selection of the President will be done by the Board. I heard at the Delegates Seminar the previous day that there were one or more proposed amendments that would have allowed all members a vote for our international officers. Unfortunately, a Motion was called immediately for a vote to be taken, and that amendment was never allowed to be presented and the vote was taken without the opportunity to have any discussion: .

No other issues were brought to the delegates. Finished before noon! Thanks to Eddie Carl for be ready to be The Alternate Delegate— *Andrew Fowlie*

Airstream Etiquette—A Primer

Here in Region 1, as for the entire US, there has been an increase in membership in the Airstream Clubs, which is awesome for all of us! As I traveled this summer and attended Rallies, Happy Hours, business meeting, spoke with old timers and new members, I noticed a few things that years ago older members would pass on as basic etiquette to new members. I have also noticed that folks are less likely to mention the basics for fear that people will become upset and we don't want upset.

I am not offering these small rules to upset anyone, or cause disharmony or ill feeling among club members. There comes a time when we have to step out of our comfort zone and be aware of the other folks in the campgrounds that are sharing —
Eddie Carll

1. We all love our pets, but it is not fair to our pets or folks attending Happy Hour that pets are at venues where food is being served. So please leave them behind unless it is listed as a pet friendly event.
2. Our Club is dependent on volunteers to host rallies, work parking, welcome folks at events, serve a meal. Please remember they are volunteers, they are there to have fun as you are. They are there to help, not to be argued with or treated badly.

3. It is never appropriate for a rally attendee to call a campground to make a direct reservation unless it has been set up by the Rally host and the Campground Owner/Operator. Our Rally hosts work hard to provide our members a great experience, they work hard on itinerary and have a special relationship with the campgrounds, so let's not do anything to upset that relationship.
4. Remember Wally's Creed Code of Ethics:

To be ever mindful of our responsibility to Wally Byam Caravan Club International, Inc., and through conduct, indicate to the public that membership in this organization is an assurance of our courtesy on the road and good will to all peoples and countries. To be ever mindful of what we say or print with respect to the affect on others so as to avoid disharmony and ill feelings among club members and to dedicate ourselves to the work of cementing together the members of WBCCI in bonds of good fellowship and mutual understanding. To conduct ourselves in a manner to inspire others engaged in recreational vehicle travel to a full appreciation of the intent and meaning of this code. To maintain our camps in an orderly manner and leave them in the same way.

How to Plan a Rally or Rendezvous

As we move into the next camping season, the Cape Cod Club could use a few more rallies on our upcoming calendar year. Ever thought about putting on a rally? Do you have a great location or great campground? It does not take much too actually put on a rally. Help is always standing right next to you or sitting in their camp chair just waiting for you to ask.

I thought I would put in the newsletter “How to plan a Rally or Rendezvous”

Rally: Organized camping event, with planned activities and meals, for a defined period of time.

Rendezvous: Organized camping event, without planned activities and meals, for a defined period of time.

Planning: Identify a favorite place to visit, special campground, special date, theme you could develop into an organized camping event.

1. Check with the Club President or 1st VP on the date to avoid conflicts with other planned Club events.
2. Develop a name, style and cost, so you can create a registration flyer that will be published on the Club newsletter.
3. Recruit a Co-Host
4. Provide a central gathering place at your event, Club Tent, or a pavilion.
5. Provide nightly campfires to provide a place to sit, relax, catchup with old friends or new friends.

Budget: Generally the large cost for your rally guests will be the overnight accommodations, campground fees.

1. Work with a campground to secure the number of spots you can reserve for your events and what the cost would be per site. You might be able to get a group rate, or early or late season rates.
2. If you have a special place that you would like to visit, like a museum, train ride, etc. this cost might also be group rate purchase. This amount would be added to the cost of the campground.
3. Develop a “Kitty Fee” this would be food costs, firewood and miscellaneous costs. Meals generally budgeted at \$8.50 per person, per meal just as a baseline.
4. Finally you have calculated your campground cost, maybe a special event cost and per person Kitty Fee. You will develop a cost for trailer with one, trailer with 2, add per person Kitty Fee for additional attendees in a trailer. General rule for kids under 12, no Kitty Fee.

Hope this is a helpful guide..... so, let's rally together!

Wally Byam's Creed

"In the heart of these words is an entire life's dream. To those of you who find in the promise of these words your promise, I bequeath this creed... my dream belongs to you."

- To place the great wide world at your doorstep for you who yearn to travel with all the comforts of home.
- To provide a more satisfying, meaningful way of travel that offers complete travel independence, wherever and whenever you choose to go or stay.
- To keep alive and make real an enduring promise of high adventure and faraway lands... of rediscovering old places and new interests.
- To open a whole world of new experiences... a new dimension in enjoyment where travel adventure and good fellowship are your constant companions.
- To encourage clubs and rallies that provide an endless source of friendships, travel fun and personal expressions.
- To lead caravans wherever the four winds blow... over twinkling boulevards, across trackless deserts... to the traveled and untraveled corners of the earth.
- To play some part in promoting international goodwill and understanding among the peoples of the world through person-to-person contact.
- To refine and perfect our product by continuous travel-testing over the highways and byways of the world.
- To strive endlessly to stir the venturesome spirit that moves you to follow a rainbow to its end... and thus make your travel dreams come true.
