Cape Cod Massachusetts Airstream Club

Message from our President

We finally made it out of the Berkshires for a three week getaway and back home by March 16th. Our first stop on the way was in North Carolina to book an appointment to have solar panels put on our 2003 Airstream. RV Solar and Safety has been highly recommended to us. They will be at International in Fryeburg with a booth so make sure to check them out. Panels were not be able to be put on until mid April so we left the trailer and returned to North Carolina to pick it up.

We unknowingly booked a few days in Daytona, right in the middle of bike week. Thousands of motorcycles cruising the streets. We also viewed the removal of three major motorcycle accidents. Very sad. Next time we'll check

before we go.

In all the years of camping, Bill and I have never gone to an Airstream park. Land Yacht Harbor in Melbourne is our first. We only stayed about four days and then left for North Carolina.

The park is quiet and everyone waves when you go by. No pets allowed in the park. We have booked some time here for next winter. We hope we'll enjoy it.

As everyone knows by now, we will be having our Spring Business Meeting at the Experience Newport Rally. It will be after breakfast , Saturday May 21st at 9 AM. Please make sure and get your reports to Stan before the meeting.

We are thinking of starting a Chatter Box so our members can comment on issues related to camping. You can give us a heads up on parks you really enjoyed or give someone a thumbs up for a great job. You can also ask a question regarding a problem you are having with your airstream. Someone in the group is bound to have an answer. Easy camping recipes would always be helpful . Keep it short and respectful. Hopefully we'll get some good chatter going.

Stay safe! - Lucy *BRN 1265*

Message from our 1st Vice President

Craig and I finished our 6 weeks in Florida with 2 weeks in Naples! Our first week was at Rock Creek RV Resort. What a great location. As we have bikes we could ride them a mile to the airport and watch all the private jets take off and land while sipping a cup of coffee or a bottle of water. Didn't hear the jets at the resort. Just outside the resort was the "Greenway" with miles of biking, hiking or walking trails. One could go to the Naples zoo, or down to Gulf Shore Blvd and see the beautiful mansions on the ocean or take your chair, towel, book and walking legs to walk the beach and play in the warm gulf waters. Several eateries allow pets and we took advantage of the Blue Giraffe on Sanibel Island and Lake Park diner (yummmmy) in Naples. Seafood Restaurants galore and our last night there was at Spankeys Our Gang! Fun and eclectic with a great salad bar. We also met up with air streamers we had met last year, had an ice cream and they showed us their new bikes that were just like ours. The resort also offered lots of get together and a great pool area. Our next stop was Neopolitan Resort... large, beautiful sights and offered a laundry and small pool area. Tin City with shops, eateries and any kind of boat to get you sight seeing the waterfront was only 1 1/2 miles away. Of course the famous Naples Pier and 5th Ave for boutique shopping and high end restaurants a short hike away. A day trip dolphin watching and shelling was done and a drive to Everglades City... very interesting and different. What a great trip!!! FYI start planning now for next year as most places won't accept reservations for under 3 months until after September! - *Craig, Karen and Stella*

FLOCKING THE CAPE REGION 1 RALLY 2023

Greetings to all my fine feathered flamingo loving Airstreamers.

Our plans have been worked and reworked. The Cape Cod Unit will be sponsoring the 2023 Region 1 Rally at the Barnstable Fairgrounds on Cape Cod, June 16-18, 2023. Details to follow..... in the meantime save the date.

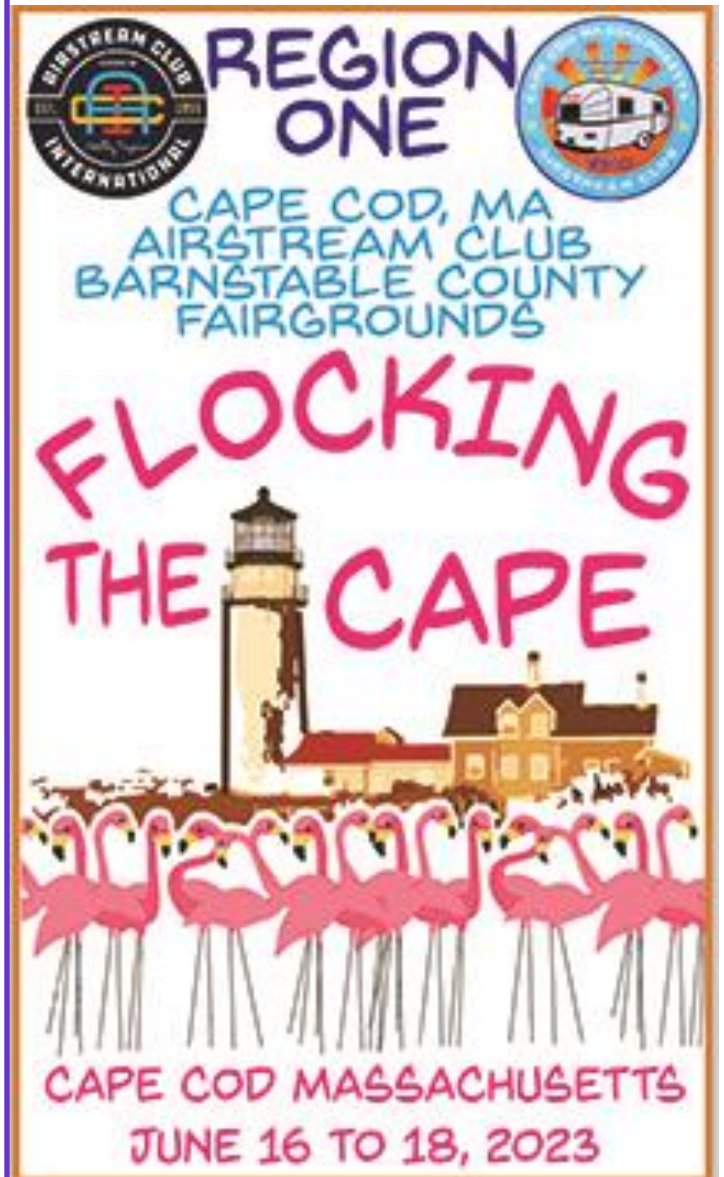

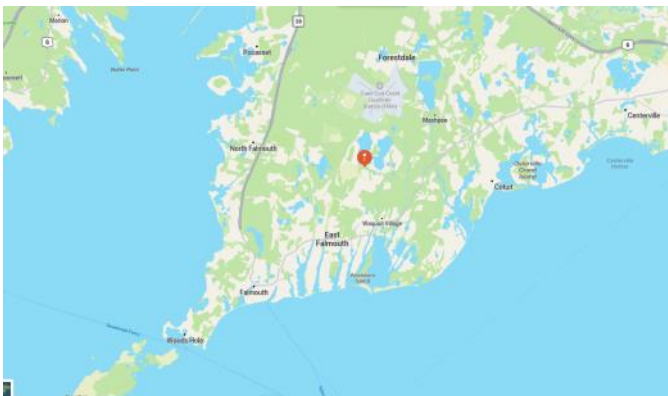

I am looking for folks to volunteer a little time to help make this event a success, we could use a few good flock tender and folks to decorate. Folks to help tend the grounds.... keep the flock moving. Folks to demonstrate or talk about their interests.

If you are interested in helping make the rally a great memory, please drop me a note at ecarl162@gmail.com or call 508-454-6895. Looking forward to seeing you all soon,

Regards,

Eddie Carll, BRN 30924

A Guide for New Airstreamers (and Maybe a Few Old): Rhode Island

Camping season is now in full swing and many of our Clubs have rallies planned for the month of May. In the last issue of the Caper I listed some of the Region 1 events and hope people have signed up to attend. I will be enjoying the beautiful state of Rhode Island in the next few weeks. The rallies happen to be in two of my favorite campgrounds.

First, this coming weekend I will be with my friends from the New England Club at Fisherman's Memorial CG with hosts Bonnie Hogan and Greg Desnoyers. Fisherman's is State of Rhode Island Park in Narragansett, this park offers three areas for RV's and one area for tent camping. The sites are large and for the most part in Area 1 and 4 they are level. Area two has some level sites, but there are many that are on inclines. Sites can be reserved a year ahead, with Area 1 the most desirable full hook up sites. Area 2 also has full hook up site as well and Area 4 has electric and water on site which offer grassy sites and privacy, if that is what you desire. Areas 2, 3 and 4 have new shower house/bathrooms. Planning is a must for this campground in the Point Judith area, where Block Island is ferry ride away.

There are a number of nice restaurants in the area, Aunt Carrie's has a key lime pie to die for, Iggy's offers classic Rhode Island clam cakes and chowder. George's of Galilee offer a number of seafood dish in a nice location for afternoon out. Arturo Joes Grill & Bar offers Italian, the food is very good and you will find it to have a nice atmosphere.

If history is your interest, the Gilbert Stuart Museum is a short drive from the campground in North Kingston, you might not recognize the name, but I am sure you have seen at least one of his famous paintings. You might have seen a portrait of George Washington in a classroom. You will find the grounds of the museum has beautiful gardens and water ways with a working grinding wheel and water wheel driven looms. This is a wonderful historic site to visit on a sunny day.

The name Fishermen's Memorial was chosen to honor all Narragansett-area fishermen, both commercial and sport. In 1970, the former fort opened as a campground. A former military fire control tower serves as park headquarters. An Army Reserve facility still occupies part of the site.

Hope you will check out all the local clubs have to offer and come to event that fits your schedule. Hope to see you down the road. If you have a campground, you might like me to highlight, please pass it on to me at ecarll62@gmail.com Happy planning! - *Eddie Carll BRN 30924*
