ABOUT AIRSTREAM CLUB INTERNATIONAL:

Airstream Club International (ACI) is a non-profit organization with headquarters in Jackson Center, Ohio. The Club originated when Wally Byam, the inventor of the Airstream, first led a group of travel trailers from Texas to Nicaragua in 1951, followed by subsequent caravans that encouraged people to get out and use their travel trailers.

In doing so, Wally inspired travel enthusiasts to see and enjoy the world, encouraging cross-cultural encounters, all the while using these environments to test the travel trailers he manufactured. On a caravan to Eastern Canada in 1955, the Wally Byam Caravan Club International (WBCCI) was formed.

The Club was later rebranded as the Wally Byam Airstream Club and is currently doing business as Airstream Club International (ACI). Today, ACI holds hundreds of local club and region rallies as well as dozens of local, regional and national caravans. These events provide club members with many opportunities to carry on the tradition of discovering fun, philanthropy, camaraderie and adventure together while travelling in their Airstreams. The ACI Annual Rally is the club's largest annual gathering. To learn more, visit www.airstreamclub.org and follow ACI on social media [@airstreamclub](https://www.instagram.com/airstreamclub).
