

Spring 2023 Maintenance Rally Important Notice

Hello Spring 2023 Maintenance Rally goer,

Riverside Marina and Campground just announced they have closed and therefore no longer allowing camping.

We have been very fortunate to find a new location on such short notice for over twenty sites. The new location is **Moose Meadow Campground in Willington, Connecticut.**

They are also providing the extra sites required to provide camping for all registrants on the waiting list as of 4/2/23 with camping sites as well.

The camping rate has changed due to this change, the new rate is \$132.00 (\$61/night plus tax – the normal rate is \$71/night plus tax). Kitty fee increased to \$19.00 per person based on a vendor change to Big Y. A prepaid deposit was also needed. It is our hope that you will still plan on attending this fun filled informative rally.

A payment of \$170.00 (\$151.00 if you a single person camping) is due on or before April 21, 2023. Please remit to:
