

Caballo Lake State Park 4CU Rally

Caballo Lake State Park is considered one of the top 10 state parks in New Mexico. We will be camping at the riverside campground group section which has pull through sites with electricity and water. Sites are \$14 which you will pay upon arrival. We are within a short walking distance of the Rio Grande River. Recreations include fishing, hiking (nearby trails), rafting, kayaking, and biking. Twenty miles south of the park is Hatch, New Mexico which is widely known as the “best chili place in the world” for growing a wide variety of peppers which is a New Mexican cuisine staple. Have lunch at Sparky’s which is best known for their green chili cheese burgers. If you want to venture north, nineteen miles from Caballo is Truth or Consequences, a town named after the game show. Take a relaxing soak in one of the many hot springs, visit one of the craft breweries, or learn more of the New Mexico culture at the Geronimo Springs Museum. On Friday night, if you choose, we will have dinner at Arrey’s restaurant. Because the restaurant is small, we will have to go in 2 groups. You may choose to go from 5 to 6:30 or 6:30 to 8pm. Their cuisine includes Mexican, American, and on Fridays, a 12 oz ribeye special. This is a relaxing rally. Below is a tentative agenda:
