## SPRING FLING IN ZION NATIONAL PARK

By Cheryl Musser

Just a quick 3 hour drive from home, club members gathered just outside of Zion National Park on Thursday afternoon. The Zion Canyon Campground RV Park is rustic, but conveniently located just a short walk to the National Park entrance or steps away from the cute town of Springdale, Utah. Thursday evening we kicked off the rally with a group dinner out at the Bit and Spur, a popular local restaurant. Everyone enjoyed dinner and the pitchers of margaritas.

Friday morning most members ventured into the National Park on their own. Hiking, checking out the visitor center and the museum were on the schedule. Friday night, we had a potluck dinner and caught up on how everyone's day was spent.

Shopping was on the agenda Saturday as members went into the town of Springdale to help infuse the local economy in the way we know best. The town of Springdale has many interesting galleries, quaint shops and fun little coffee shops and restaurants to experience. The gorgeous spring weather was perfect for a quick getaway to enjoy the outdoors and hang out with friends.

## **LVAC Rally at Lake Havasu Bluegrass Festival**

By Suzy Mellington

Sandy and Bob LeVan hosted our first ever Las Vegas Airstream Rally at the Lake Havasu Annual Bluegrass Music Festival “Bluegrass on the Beach”. The festival was held March 3-5, 2023, as was located at the Lake Havasu State Park. The festival has been coming to Lake Havasu for 20 years and included workshops, art and crafts, great food and beer and more! Everyone was invited to mingle with bluegrass veterans and newcomers alike. There were jam sessions on and off the site and anyone who brought an instrument could join in.

We had 8 rigs in attendance and all had a great time. The park was a great and fun place to be as we were all parked together and within walking distance to the Festival. The sponsors ensured a great variety of musicians for the three days of the Festival. As typical of a LVAC rally we took advantage of the area we were visiting and had great fun enjoying the music, downtown Lake Havasu and the river walkway.

Sandy and Bob also provided a delicious breakfast casserole for the group on Saturday morning. Below is the recipe.

### **Egg and Sausage Breakfast Casserole**

Total: 70 mins    Prep: 10 mins.    Cook: 60 mins.    Yield: 12 servings

#### **Ingredients**

- 1 pound breakfast sausage or turkey sausage
- 1/4 cup butter
- 3 cups frozen potato hash browns thawed
- 8 large eggs
- 1/2 teaspoon kosher salt
- 1/2 teaspoon freshly ground black pepper
- 24 ounces low fat cottage cheese
- 1/2 cup chopped onion
- 1 small orange or red bell pepper seeded and diced
- 2 cups shredded cheddar cheese(1 cup stirred in eggs, 1 cup sprinkled on top)

#### **Steps to Make it**

1. Preheat oven to 375 degrees. Spray a 9x13 baking dish with cooking spray.
2. Brown sausage in large skillet, breaking up with a wooden spoon. Drain and set aside.
3. Place butter in the prepared baking dish. Place in the oven for 5 minutes or until melted. Remove dish from oven and toss melted butter with shredded hash browns, pressing hash browns into the bottom of the pan to form a potato crust.
4. In a large bowl, beat eggs with salt and pepper. Stir in cottage cheese, onion, orange peppers, sausage and 1 cup of the shredded cheese. Pour evenly over potato crust. Sprinkle with remaining cheese.
5. Bake 45-60 minutes or until cheese is melted and insert a toothpick inserted in the center of the casserole comes out clean.

## **MAKING THE MOST OF YOUR MEMBERSHIP – Part 2**

Submitted by Jo Salzer  
Membership

You are part of a dynamic organization, and there are so many ways to get involved. We join a club, like this one, or any other particular interest group you may have, to expand our knowledge, try different things, and make new friends.

Many of our members have moved and have found themselves in a new state, town, or neighborhood. Old friends and family may not be close by. I know we have made great new friends over the years since we've been Air-streaming and involved in the club.

Want to get the most from your club?

The easiest thing to do is attend a social meeting and or gathering. We hold at least three, often more, social meetings each year, usually at members' homes. It's a great way to meet others and talk about your airstream, where you like to travel, and what kinds of rallies or activities you'd like to see your club offer.

Our club has a Board comprising members, both new and old. Our committees help plan events, philanthropic opportunities, and caravans to Regional and International Rallies. We encourage our members to join a committee, host a meeting, co-host or host a rally, or even "run" for office.

We hold an annual election, but we're looking for volunteers who want to help our club stay vital and exciting. We want your unique point of view, your energy, and enthusiasm. None of these opportunities for involvement require money or even much time. We have lots of mentors to help you succeed.

We all know from life and other organizations we have belonged to that raising your hand now and again is the only way to really become part of something. The more you do, the more fun you will have!

Come play with us!

We're at the two-month mark until the kick off to the 66th Annual Airstream Club International Rally!!

And remember to bookmark our International Rally webpage ([airstreamclub.org/rally2023](http://airstreamclub.org/rally2023)) where more information is being added all the time!

### **Diaper Drive**

From our President Dale Musser

Each year at the International Rally, we support a local charity chosen by the International Rally planning committee. This year our Community Service project is the Sweetwater County Community Diaper Bank. We've been informed they will accept both adult and infant diapers of all sizes. Please keep an eye open for additional information from the Airstream Club with information on how you can participate in this community service opportunity whether you are attending the International Rally or not.

### **Recommendations and Suggestions for utilities at International Rally**

- Arrive with empty black and gray tanks and a full tank of fresh water.
- Two 25-ft water hoses or longer, as the utilities are behind the campsites.
- An additional electric cord
- 50-to-30 amp adapter if your trailer is 30 amp.
- While not necessary for roughly two-thirds of the sites, some configurations and differences between Airstreams may require 30' of sewer hose

There is a wealth of information on the 66th Annual Airstream Club International Rally Facebook page. Here is a link to view and or join the Facebook group

### **Executive Council Voting**

Watch your email around June 1, 2023 for your ballot to vote for the Executive Council of Airstream Club International. In the Blue Buret or on the ACI website you will find information about each candidate.

I encourage you to read about the candidates. This is your club and your vote counts!!
