WELCOME AIRSTREAMERS!

Dear Airstream Club International Members,

On behalf of our International Board of Trustees, I am pleased to welcome you to the 66th Airstream International Club Rally in Rock Springs, Wyoming! We are thrilled to have you all here to celebrate our passion for Airstream travel and community. This year we have over 1,300 Airstreams with 2,400 attendees from the United States, Canada, and Europe. As we gather together, let's also celebrate our Club's broad cultural and geographic diversity, enhanced by the bond we share through our love for our Airstreams.

"To encourage clubs and rallies that provide an endless source of friendships, travel fun and personal expressions" – From the Wally Byam Creed

This year's rally promises to be an exciting and unforgettable experience for all attendees. From informative seminars and workshops to fun-filled activities and entertainment, there is something for everyone. Whether you are a first-time attendee or a seasoned Airstreamer, this rally provides a unique opportunity to connect with fellow members, make new friends, and share your love of Airstream travel. And, of course, an incredible opportunity to explore the beauty and culture of Wyoming.

I am confident that this year's rally will be an unforgettable experience for all attendees, and I look forward to seeing you all here at the Sweetwater Events Complex. Once again, welcome to your 66th Airstream International Club Rally!

Eric McHenry

WELCOME TO SWEETWATER COUNTY!

On behalf of the residents of Sweetwater County, welcome to Southwest Wyoming! We are thankful for the opportunity to host the Airstream Club rally. Your stay at the Sweetwater Events Complex offers a tremendous view of our mountainous scenery comprised of 7 million acres of land, 73% of which is public land that we all love to explore and recreate on.

Sweetwater County is larger than six states and is the eighth largest county in the United States. We are home to a diverse and rich population of wildlife and maintain a significant amount of mineral wealth. Oil and gas development are a common practice, and Sweetwater County is home to one of the largest natural trona deposits in the world. Coal mining operations, a power plant, fertilizer and ammonia plants are additional powerhouses of our community. Together, this unique diversification generates over half of the county's revenue through mineral extraction and production.

Recreational opportunities throughout the county are endless, and range from exploring the largest living dune system in America – the Killpecker Sand Dunes, to taking a tour around the National Flaming Gorge Reservoir, hiking up White Mountain, floating the Green River, or driving the Pilot Butte Wild Horse Scenic Loop.

Sweetwater County's largest cities, Rock Springs and Green River, also offer many historical and cultural attractions including museums and libraries, with weekly main street markets in their downtown districts. Each city offers several great restaurants ranging from pizza, hibachi-style Japanese, seafood, and fine dining. Several brewery and microbreweries are favorite downtown attractions that host many local musicians and evening entertainment.

With all these locally shared favorites, we are thrilled to have you visiting our community and welcome you with open arms. We hope your stay will be rewarding enough to return again in the future to explore the many attributes that Sweetwater County has to offer!

Sincerely,

Keaton D. West, Chairman
Sweetwater County Commission

Welcome to the Sweetwater Events Complex! Our board and staff are thrilled to host the 66th Airstream Club International Rally. We have been working with the Airstream Club staff, president, and volunteers for over a year to prepare for this event.

The Sweetwater Events Complex is almost 400 acres of property, and we have a couple of new additions built just for your event. Both the Boar's Tusk Park and Boar's Tusk Dog Park were built at the request of your rally team. Located on the east end of our property, Boar's Tusk Park has a large grass area, three pergolas with picnic tables, a huge wood fire pit and a stocked fishing pond. In close proximity is the Boar's Tusk Dog Park, split into two sections for large and small dogs, it's a great place for your camping dogs to expend some energy.

Also new to our facility this summer is the Spicer Pavilion. Located to the south of our main building, this incredible outdoor facility was funded by the generous donation of a local family here in Rock Springs. The Spicer Pavilion includes a large, covered area with a gas fireplace, two side sections with a pergola covering and an expansive patio. Tying everything together is a large, landscaped area with walkways, lighting, and a gas firepit complete with Adirondack chairs and plenty of room to bring your camp chairs and gather.

We know that your Airstream Rally team has an amazing week planned and know you are going to have a wonderful time! Please take some time to explore the Sweetwater Events Complex and all we have to offer. If there is anything we can do to make your stay more enjoyable, please don't hesitate to ask.

Best regards,

RALLY INFORMATION

Badges: All persons attending the rally must wear badges and ribbons (or wristbands for Day Passes) to be admitted to all venues and programs. Write your Big Red Number (BRN) on the back of the ribbon so that it can be returned if lost. New or replacement badges are available for purchase at Welcome. Guest badges can be obtained at the Member Services area in the West Pavilion. We also ask that you wear your badge in town so that local merchants know you are a member of the Airstream Club International.

Bicycle Excursions: Daily bike rides around the Events Complex area are led by Will Kushto beginning on Thursday, June 22. Riders meet at the Breezeway at 7am for a 90-minute ride.

Blood Drive: This year ACI is teaming with Vitalant, the Blood Collection Agency serving Wyoming and the nation's largest independent, nonprofit organization focused exclusively on providing lifesaving blood services. This partnership will offer multiple opportunities for Airstreamers to donate at your convenience across four different days, Monday through Thursday. See page 39 for more detail on times and locations. To schedule your appointment, visit donor.vitalant.org, click on Blood Drive Code button and enter airstream23 to display the Rally site schedule.

Club Store: The Airstream Club store sells only official club items or items receiving endorsement from the Airstream Club. Find them at Booth 52 in the West Pavilion.

Diaper Drive: This year's International Rally attendees will be rallying together to support a Diaper Drive for the United Way! You can support the United Way of Southwest Wyoming's mission of Uniting People, Sharing Resources and Improving Lives in Southwest Wyoming by bringing diapers, any size, brand, or quantity, baby wipes and Depends or by donating online using the link on the rally website. Donations can be dropped off at the Ultimate Airstreams Bunkhouse 8 on the Midway. *Thanks to Ultimate Airstreams for sponsoring our community service project!*

Dog Park: There are two off-leash dog parks located between the Exhibit Hall and Pilot Butte campground and near the Boar's Tusk campground (see map) with separate areas for large and small dogs. Friendly dogs are welcome to romp and play but remember to clean up after them to keep the area nice for everyone.

GRUPIO Mobile Event App: This is your best way to stay informed and get last minute changes. It includes the rally schedule with updates, lists of exhibitors, speakers, maps and more. Download from your mobile device's app store and search for "Airstream" to find this event. Or type "bit.ly/acirally2023app" in your browser (case sensitive). Password is airstream25.

RALLY INFORMATION

Ice: An ice vendor will be located on the event center grounds in the Midway area.

Jam Sessions: Join in any of the jam sessions scheduled Sunday through Thursday evenings. Open to musicians and lovers of music of all ages, skill levels and instruments. This nightly get together brings music-loving members of our Airstream community together to jam on some favorite tunes, maybe learn a new one, and enjoy one another's company. Check the schedule for times and locations.

Laundries: Sweetwater Laundry (open 24 hours) has two Rock Springs, WY, locations: 2528 Foothill Blvd and 801 Powerhouse Dr.

Member Services: Located in West Pavilion, Member Services is your source for all information about the rally, club, and locale. If they don't have the answer to your questions, they have the resources to get the answers.

Parking Stickers: When you arrive, a sticker with a QR code is placed on the front your RV. This is a surface-safe, sticker and will not harm the finish. This sticker must remain on the RV during the rally. The rally uses this for location information and to record pump-outs if applicable.

Pets at the Rally: All pets must be on 6-foot, non-retractable leashes when outside the Airstream. Always clean up after your pet. There are dog parks between the Exhibit Hall and Pilot Butte campground and near the Boar's Tusk campground (see map). Pets are not permitted in the buildings. Service dogs are welcome.

SEVERE WEATHER

In case of severe weather, proceed promptly to the Exhibit Hall building. Pets may be taken into the building but be prepared to accommodate their needs. Remember to bring a leash (maximum of 6 feet) for your pet(s).

We are located in **Sweetwater County**. Use your NOAA weather alert radio to monitor for hazardous weather. Some Airstreamers use cell phone apps, such as Storm Shield, Accuweather, Wx Alert USA, Wunderground, The Weather Channel or MyRadar. Receive weather alerts from the Nixle notification system by texting Zip Code **82901** to 888777. To stop the alerts, text STOP to 888777.

Use your best judgment about leaving the Airstream awning out while away from your rig. Unexpected high winds can damage your awnings and your awnings could then also damage other Airstreams while you are away. Secure awnings, flags, and all loose items around your RV.

Suggestion Box: A suggestion box is located at Member Services. Cards are provided for your comments. All suggestions will be read by the Rally Planning Team and taken into consideration for future events.

RALLY INFORMATION

Transportation: The rally provides shuttle transportation from the camping areas to the rally activities area.

Trash and Recycling: Trash containers will be placed throughout the camping area. Please place your bagged trash in these. Glass, paper, cans and cardboard recycling is available at the Sweetwater Events Complex. Look for containers marked for these items. Please do not place mattresses, furniture, carpet, tires or other large items in the trash receptacles.

Volunteers: Near the Welcome tables, you'll find the Volunteer/Activity Sign-up table with available volunteer opportunities and sign-up sheets. Many jobs require just three hours of your time. Volunteering is a great way to get involved, meet more fun people, and it's fun too!

Wi-Fi: Strong Wi-Fi exists in the main buildings but not in the general parking areas. Cell phone service is very good in the area so members are encouraged to use their cellular phone hot spots or other mobile hot spots, such as a Jetpack or MiFi.

Worship and Reflection Center: Any member may reserve the Worship and Reflection Center located in the Garden Center. To make your reservation, please contact Interfaith Services Chair, Bob Stansbury, at burytone@yahoo.com. Morning Devotions are daily at 7:45am beginning Monday, June 26.

Youth and Children: Our youngest RVers will be treated to programming especially suited to kids ages 4-17. The registration cost you've already paid covers materials for age-appropriate activities surrounding a daily theme at the Junior Streamers Camp that will keep your kid's busy learning, exploring and having fun! Check the daily schedule for times and more information.

Families are also welcome to attend all or some of the activities planned by the Future Streamers Intra-Club. Scan the QR code here for more information.

CYCLING

**Location:
Meet in the
Breezeway**

Bring any bike you feel comfortable riding. Riding groups head out to ride every morning starting at 7 a.m. and return by 8:30 a.m. Usually, the bike excursions cover about 10-15 miles and try to keep the speed around 10 mph. Most of the riding will be on paved surfaces so people of all skill sets and bike tires can keep up.

If you're a more aggressive rider, you'll find your people to plan a route that may include longer rides with more climbing involved. Last but not least, the cruise set (slow riders) will simply set out to ride together around the Sweetwater Events Complex. There are volunteers to cover all three skill levels/rides.

Special thanks to our Committee Chair, Will Kushto for organizing and Equal-i-zer Hitch for sponsoring this year's Bike Corral!

National Anthem Lyrics

The Star-Spangled Banner

O! say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last
gleaming,
Whose broad stripes and bright stars through the
perilous fight,
O'er the ramparts we watch'd, were so gallantly
streaming?
And the Rockets' red glare, the Bombs bursting in air,
Gave proof through the night that our Flag was still
there;
O! say does that star-spangled Banner yet wave,
O'er the Land of the free and the home of the brave?

O Canada

O Canada! Our home and native land!
True patriot love in all of us command.

With glowing hearts we see thee rise,
The True North, strong and free!

From far and wide,
O Canada, we stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.
