

Title: Can't find the campsite you want? Lets talk about it.

Seminar Outline

What's happening with campgrounds across the US and Canada?

- Large corporations buying up mom and pops
- Prices for campsites going much higher
- Campground over crowding?
- Too many Boomers?
- Covid created more demand. Will this trend continue or reverse?
- Campgrounds vs Trailer Parks, Permanent and Seasonal campers, Glampgrounds

Now many folks are selling their RVs.

Has supply exceeded demand?

What impact will all this have on finding campsites? Will there be more or less demand for Sites?

Finding camp sites, the basics:
