

# RV Trip Planning

Jason Grendahl  
June 30, 2023

# Tools

1. The Internet!
2. RVParky
  - a. Excellent route planner and able to save on your profile.
  - b. Free with limitations on number of stops for trip planning.
  - c. Full functionality for \$20/year. Well worth it if you plan a lot of trips.
3. Campendium
  - a. Great for reviews, pictures of campgrounds
  - b. Dump stations, overnight stop locations that are RV friendly
  - c. Free with ads
  - d. \$50/yr for it plus other RV related websites/apps ad-free
4. Google Maps
5. ACI courtesy parking
