# From the Unit President

by *Karl Schubert*, President, Central PA Airstream Club

Hello Club 164!

We hope everyone is enjoying their summer and has a fun and safe 4th of July! We did not make it to the International Rally this year, work got in the way of that, however; we were able to join the Al-Mon-O Club on the caravan to the Airstream factory in OH in May. This was a fantastic trip. We met the group at a truck plaza off of the Emlenton exit on 80. We started with 6 trailers and ended with 8 as two met us at the mid-way stop at a Love's Travel Stop, which we used as a lunch break, refueled, bathroom break, and dog walk. We arrived at the Terraport at the Airstream service center a few minutes before they closed which gave us an opportunity to get one of our propane tanks filled, which I forgot to check before we left. The Terraport is first come first service, but there was plenty of room. It is \$10 a night for those

not scheduled for service and has water and electric hookups. We parked and got settled before dinner. Dinner was hosted by Brad Briggs (Region 4 President), SkyMed rep. and his wife Jane. They provided pizza, salad, chips, cookies, and ice cream during a SkyMed presentation. Some fellow Airstreamers that were not part of the rally participated as they were invited since there was plenty of food!

The next morning, we met everyone at the Airstream Club Headquarters to meet with the HQ staff. This was a great experience as we got some questions we had answered and were able to meet the staff behind the scenes. We got to see the new Solo stove option with the Airstream logo, and they do look really nice. Cody & Matt provided delicious fresh donuts to go with the coffee HQ provided. Beth asked about the conservation ribbons clubs used to earn & have hanging from their club flags and found out they no longer do those or any merit ribbons. Some of the younger staff didn't even know about these. I asked about our club's involvement in the 2025 International Rally since it will be held in York, our club's area. I was told the International Rally Committee handles everything, we can of course volunteer for parking and other things just like any other International Rally. After this meet and greet, we headed over to the Heritage Center. This was awesome, if you have never visited it yet, I do recommend. Standing in a room with so much Airstream history, with Wally's trailers and trailers that have been on the 'Around the World' caravan was inspiring. You can see from some of the photos the preserved history, but to stand before it is an experience.

We then went back to the trailer to grab some lunch and let the dogs out, then headed over for our factory tour. There is an overlook area where you can take photos, but once in the factory no photos are allowed. We learned a lot about the manufacturing process and how almost everything is made under one roof right there in OH. Also, it was interesting to learn about employment by Airstream. They are a 1st shift company so most of their employees work first shift so they can do farming duties in the afternoon, as most of the area consists of farms/farmers. They also offer a medical clinic on site that family of employees can also visit, a full cafeteria & fitness center on site to name a few. In this day and age, I think it is rare anymore to find employers that offer so much, got me thinking, ha ha. Airstream does; however, have to compete for employees with the other surrounding manufacturing plants such as Honda.

After our tour we headed back to our trailer to pack up for the rolling rally to move onto Indian Lake State Park, which was only about 20 minutes away. This state park is now one of our favorites as it is waterfront and a lot of sites back up to inlets which allow for fishing and calming night fires by the water at your site. Of course, evening dinners consisted of plenty of delicious food and even breakfast on Saturday which we helped with by making pancakes to go with the eggs and bacon. Matt had the wonderful idea of getting a tour of the lake, so he

called and arranged a boat tour for the group. We went for a 2-hour tour of the 5,100-acre lake, it is huge! The tour guide was a member of the area Chamber of Commerce, so he knew a lot of information on the lake, maintenance of the lake and the homes that were lakeside and on the lake. Sunday was pack up and travel home day, which on our travels we were surprised at how flat parts of Ohio was, we were not expecting that. We had a nice trip home with no issues but took home a lot of great experiences and memories!

**History of the Big Red Number's (BRN) and the Blue Beret**

On the first caravan to Mexico & Central America, Wally wanted a way to track each trailer. He issued numbers to each trailer and kept #1 for his trailer, the leader. He also wore a blue beret on the Caravan and others caravaners also started to do so to help identify each other in a crowd.

As said by Wally,  
**We never say goodbye on a Caravan, but we'll be seeing you down the road.**

The Rolling Caravan/Rally continued to Indian lake State Park, OH

The Indian Lake State Park is now one of our favorites. A lot of the sites were on the inlet. We went for a lovely boat tour of Indian Lake. Our guide was very informative! Indian Lake is a 5,100-acre lake. It even has its own Statue of Liberty!

## News from the Region 2 President

by *RJ Marquette*, Past President, Region 2

Although I started writing these weeks ago, I'm finishing them at the 2023 International Rally in Rock Springs, Wyoming. Erica and

I left home in early June, after the Region 2 rally, and spent weekends traveling, and we worked from the Airstream during the week in St. Louis and the Denver areas.

First, the Region 2 rally was a great success; thanks to Ray Barrick (#6497) and the Ontario Canada Airstream Club for making it memorable for all of us. Incoming Region 2 President Gary Russo (#1061), and soon-to-be First Vice President Patti Galupo (#22010), and incoming Second Vice President Matt Moore (#3937) are working on the plans for next year's rally.

We had a Region 2 Happy Hour at the Rock Springs rally. I'd estimate about a third of the Region 2 attendees were at the happy hour; a thunderstorm and another major event scheduled at the same time likely kept some people away. But we had a good time anyway!

My goal was to attend an event for every club in the Region during my tenure. Unfortunately, I only managed to visit 8 of the 14. In theory, the Region President, or his or her designee, is supposed to attend an event for every club in the region - but it's difficult for our region, given the number of clubs, and that events tend to get scheduled on the same weekends. However, as our Region 2 presidents get practice planning for this goal, we'll get better at it over time.

I've avoided talking about specific club rallies I've attended, because I didn't want to come across as reviewing the rally or the club. We've met quite a few members of the region, and a few people outside the region, and had instant connections with many of them. Everyone has been extremely welcoming, and we've always had a great time. Prior to taking on this region president role, I had

not visited the rally of any other club, or a region rally. That was a mistake; we were missing a lot. Don't hide in your club.

I'd like to encourage each club to do more joint rallies. I know some clubs have standing joint rallies with others, but consider spreading beyond that. I'd like to challenge each club to do a joint rally with one other club every year - whether it be another Region 2 club, or a club in another region. You'll meet new friends, see new places, and have new ideas. Break up any monotony that has set in!

Although my time as region president is at an end, I do want to continue helping the club. We've already been involved in preliminary plans for the 2025 International Rally in York, Pennsylvania, and International President Eric McHenry (#153) just told me that more questions are on the way. Erica and I are thrilled to be a part of the planning.

I have to thank Past President Rich Short (#1512) for his guidance. You may recall I came into the Region 2 leadership only a few months before becoming president, and Rich taught me everything he could in the time available and provided advice well beyond that. Gary and Patti have been partners in crime over the last two years, too - always ready to listen and give advice.

I also have to thank everyone I've talked to during the last two years. You were supportive, and many of you reassured me that I was doing a good job. Thank you.

Of course, I also have to thank Erica. Her support and advice have been invaluable.

This is it for me. I'll see you down the road!

At the International Rally in Fryeburg one of our neighbors had a small banner (see above) in front of their AS and I asked them where they obtained it. They shared that information with me and I contacted the company, Hollywood Banners, and we got one for ourselves. I asked if they provide a volume discount and it was only \$2 so I thought it would be easier if those who want one order it directly. The club logo was provided to me by Carey Boland and Hollywood Banners has it and you can reference the club name should you contact them. The wire to hold the banner is not supplied by Hollywood Banners.

The banner size is 12" by 18" and it is made of a vinyl material.

The cost is \$25 plus shipping. Be advised the shipping was almost as much as the banner and perhaps there could be some saving if several folks ordered at the same time and the shipping cost was divided. I have no vested interest in this company and am only sharing because I thought others might like one of these with our club logo on it.

## Shrimp Boil Foil Packs

Shrimp boil foil packs are an enjoyable option for a fuss-free camping meal. It's everything great about a quintessential low country shrimp boil neatly wrapped in individual packets and without the mess. The recipe is easily scalable to serve more people and can become your go-to. Aside from minimal prep work, which you can do in advance (perhaps even before you leave home), it all boils down to assembling the packs and throwing them on the grill or in the oven for a few minutes. The key is to precook the potatoes and corn, ensuring everything is perfectly done when you open up the foil.

### INGREDIENTS

1 pound shrimp (31 to 35 count), peeled and deveined  
 1 pound small red or gold potatoes, cut into 2-inch cubes  
 2 ears corn on the cob, husked, cleaned, and chopped into small rounds  
 1 (12-ounce) smoked sausage such as kielbasa or andouille, sliced into 2- to 3-inch-long pieces  
 1/2 medium yellow or red onion, thinly sliced  
 2 cloves garlic, minced  
 4 tablespoons unsalted butter, melted  
 1 teaspoon kosher salt  
 1/2 teaspoon freshly ground black pepper  
 2 tablespoons Old Bay seasoning, plus more for garnish  
 2 tablespoons flat-leaf parsley, finely chopped, for garnish  
 2 lemons, sliced (about 12 wedges), for garnish  
 1 stick unsalted butter, melted, for serving

### INSTRUCTIONS

1. Gather the ingredients. Preheat the oven to 400 F or the grill to medium-high (about 400 F). If using frozen shrimp place the package under cold water for 10 minutes to thaw.
  2. Bring 2 quarts of water to a roaring boil and add the potatoes and corn. Reduce the heat and bring to a simmer. Cook for 10 minutes on simmer and drain into a colander. Set aside.
  3. While the potatoes and corn are cooking, prepare 4 sets of 12-inch by 24-inch long aluminum foil sheets. Fold each in half, forming a square. If using industrial aluminum foil simply prepare sheets measuring 12-inches square. Slightly fold up the edges of the sheets.
  4. In a large bowl, combine the drained potatoes and corn, sausage, thawed shrimp, onion, and garlic. Drizzle with the 4 tablespoons of melted butter, season with salt, pepper, and Old Bay seasoning. Mix very well to coat all of the ingredients.
  5. Divide the shrimp boil ingredients between the four aluminum foil sheets.
  6. Neatly fold into packets, ensuring a good seal.
  7. Place them onto a baking sheet and bake for 15 minutes. If grilling, place the packets directly onto the grill surface and cook for 15 minutes, flipping once after about 8 minutes.
  8. Serve the packets slightly opened up, garnished with chopped parsley, a pinch of Old Bay seasoning, and a few lemon wedges. Serve the 1 stick of melted butter on the side for optional drizzling over the shrimp boil or for dipping. lime juice instead of bottled, if possible, for the best flavor.

## CLUB QUESTIONS

*Please read and answer the three questions below, everyone's input is important to the club's future! Reply to [karlschubert1985@gmail.com](mailto:karlschubert1985@gmail.com)*

**1. Does anyone have any information or records on how the \$500 seed money began for State Rallies (this gets passed on to the hosting club each year to help with initial rental & reservation fees)?**

**2. Should the \$500 seed money end and go back to its original club (if any record of such is found) and if there isn't any record, then divide evenly among all 5 clubs?**

**3. Would you like to see the State Rally continue?**

*Thank you.*

# Scenes from the 2023 International Rally, Rock Springs, WY

by Norm and Karen Fable

International last count that was 1,192 units parked at the rally over 2300 people. That is a record attendance in the last 20 years. Opening ceremonies honored Military, fire, police and EMT. The Vintage Club was on display in downtown Rock Springs, a parade at the Events complex on Saturday. I believe there are 4 units representing Central Penn Airstream Club!

# Trip to the Mother Ship!

by Hanno and Dianne Jacobs

After visiting the Region 2 Rally in Niagara Falls, Dianne and I traveled to Jackson Center. We stayed at Indian Creek campground at Geneva-on-the-Lake, OH, on the way, which was very nice. And when we got to Jackson Center we stayed at Indian Lake State Park for four days. It is a beautiful state park. Highly recommended.

When at Indian Lake State Park we saw a whole group of Airstreams that were caravanning to the International Rally in WY. Of course we had to stop by and say hello. A really nice group of fellow AS'ers from northern Virginia.

We took a tour of the new factory which was enjoyable and interesting. And one day we drove to Dayton to visit the USAF Museum, which is enormous in size and would take several visits to see everything. One of the highlights was seeing the Memphis Bell fully restored.

Here are a few pictures from the trip.

## rally report

## Region 2 Rally Spring 2023

by Terry Hauschild, BRN 06229

This years Region 2 Rally was held June 1-6, 2023 at Jellystone Park Niagara in Niagara Falls Ontario Canada. The rally was organized by the Ontario Canada Airstream Club and sponsored by Andy Thompson of Can-Am RV (long time seller of Airstreams). The rally was attended by 101 airstreams with 61 units from Canada and 40 units from the states. We had 12 airstreams from Pennsylvania including 3 units from our Central PA club. From Central PA were Dianne & Robert (Hanno) Jacobs, Deborah & Jerry Gilbert, and Wendy & Terry Hauschild.

Our excitement started on the way to the rally. This was our first time crossing the border into Canada with our trailer. We thought we were prepared by checking out the website on entering from the Peace Bridge with its 15 Canadian lanes. As we came up to the gates, we were looking for a lane marked for RV's but NO there wasn't one as outlined on the website and there were no other RV's there at the time. So, we headed for Gate 9 as shown on the website even though it was labelled as Buses. As we approached, an agent came running out and asked "Are you a Bus???!!!!". Well, we ended up having to BACK UP on the bridge and move over to a lane marked Autos. Fortunately, the bridge was not that busy at the time.

The rally actually started on Friday (June 2) and ran thru Sunday (June 4) with scheduled activities. Friday night started off with a social hour to meet and greet with the other airstreamers. An open-air tent was set up with tables adjacent to the enclosed recreation hall.

Coffee and donuts were served Saturday and Sunday mornings in the Recreation Hall.

On Saturday evening we feasted upon a buffet dinner with plenty to eat. Following the dinner, there was a DJ-Jim Vance for dancing or a bonfire to gather around.

**rally report**

On Sunday afternoon, two seminars were presented. The first was on towing by Andy Thompson from Can-Am RV. I was very much impressed by Andy’s seminar and the testing he has done over the years of towing airstreams with various vehicles (mostly cars). Seeing the trailers going thru a slalom course was fun to watch. A lot of this information is on his company’s website, [www.canamrv.ca](http://www.canamrv.ca). The second seminar was presented by Kerry Mattila on caravans. Kerry has put on eighteen caravans and two more upcoming; Capitol to Capitol Caravan (new one in 2023) and Meandering the Maritimes (second one in 2024). Those in attendance highly recommend Kerry’s caravans. On Sunday evening, the 1953 movie “Niagara” starring Marilyn Monroe was shown. What a Classic!! A bonfire followed the movie.

The days before and after the rally were left to explore the area. Jellystone Park is located only 20 minutes from The Falls. During this time, we visited the Falls, the quaint town of Niagara-On-The-Lake, Niagara Parks Power Station, Welland Canal and area wineries. Special Thanks goes out to the Rally Committee, Hosts and Sponsor for putting on such a Great Rally. For those that have not been to a Region 2 Rally, there is Next Year.

**ANNOUNCING**  
**C2C**  
**THE CAPITAL TO CAPITAL CARAVAN**

September 15 to September 29, 2023

The C2C Caravan is an initiative of ACI Region 2. It will launch on Friday evening, September 15 and wind up 2 weeks later on Friday morning, September 29. Region 2 is unique in that its area includes the capital cities of both the USA and Canada. Our days will be equally split between the USA and Canada.

This caravan will start with 3 days and 4 nights at the closest campground to the DC area, with ready access to rapid transit downtown. We will stroll the Mall at our leisure, visit as many of the wonderful Smithsonian Museums as possible and take in the sights of this beautiful capital city. One evening will be devoted to a guided tour of the most famous monuments, departing right from our campground.

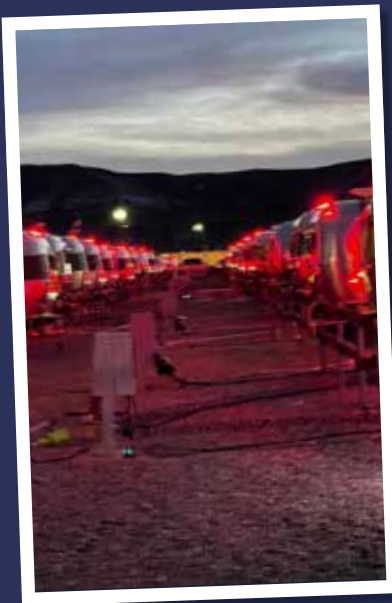

We will then head north with several stops along the way to see some local highlights. Examples will include a museum devoted to country music, an afternoon cruise in the beautiful Thousand Islands and other activities still under development. Most driving days will be moderate in length with lots of scenery to plant in your memory banks!

The caravan will end at a campground inside the city limits of Ottawa, adjacent to hiking and cycling trails and close to rapid transit. We will tour the city on an open top bus, take a boat ride on the historic Rideau Canal (a UNESCO World Heritage Site) and visit a few of the museums and galleries in the city. Typically, by this time of year the Ottawa Valley will be resplendent in Fall Colours and we will direct everyone to some of the most spectacular drives. Evening campfires will give us time to relax and share our experiences. Our wind up dinner will be at a very popular buffet restaurant close by the campground.

As Caravan Leader, I like to run caravans that are rather laid back in style where everyone gets to know everyone else and people have opportunities to pursue some of their own interests. Biking, hiking, ziplining, enjoying a cold brew on a patio, whatever floats your boat! We will do our best to accommodate every interest. The estimated Kitty Fee is \$1700 US or \$2400 Cdn for an Airstream with 2 people. Deposit will be \$500 US or Cdn (lets keep it simple).

If this sounds like a fun way to spend some time with fellow Airstreamers, contact me right away. Participation will be capped at 20 rigs. Email me at [124caravan@airstreamclub.net](mailto:124caravan@airstreamclub.net) and I will send you a registration form with details on how to make your payment.
