August 2023

MESSAGE FROM YOUR PRESIDENT(S)

We hope you have had a great Summer. Rock Springs International had 1300 Airstreams. The vendors had interesting products, and the tech classes were varied. It seems worthwhile to attend at least one international in your Airstream life-time. Those who attended the Butte Music Festival said it was great but HOT. It will be on the Rally schedule next year. Harold attended Longmire Days and enjoyed the conversations with Walt (Robert) and the author Craig Johnson. They were able to obtain a waiver from SAG and the Writers Guild that they were not

crossing the picket line, as long as Robert didn't sign his pictures, he didn't dress up as Walt and they didn't talk about the show Longmire or any other SAG movie. Robert talked about Australia instead. Red Ants Pants Festival took place, but we didn't hear if anyone attended it. Next up, HAB in Canada. The registration form is at the back of this newsletter. See you in Canada!!

Yours truly, *Pam, and Sue*
