

# THE POINT

## AL-MON-O PA AIRSTREAM CLUB

### FROM YOUR PRESIDENT:

August has been a very busy month for us. While we are no Doug and Cindy Field, who spent close to 3 months in their Airstream, Matt and I spent 9 days in ours. By the time we were done with all our events, I was ready to be home. But those 9 days brought lots of fun and fellowship with great friends. You can read all about the PA State Rally and the Bluegrass Rally in this newsletter.

Speaking of upcoming events, the Oktoberfest luncheon is in a couple weeks. Please make sure to sign up for that if you are attending. Next, we just added an October Rally that will be held at the KOA in Dubois by Joel and April Weber. Rally information on page 11, so sign up early and let April know when you have. Finally, our December Business meeting and Christmas Luncheon will be early December at Compadres Mexican Restaurant in Butler. Please let me know if you are attending.

Thinking ahead to 2024, we are going to need luncheon and rally hosts. See the list further in this newsletter and consider hosting or co-hosting an event. Let me or Matt know if you want to host one. Also, we are going to need a 2nd VP as well as 2 Two Year Directors to fill out our 2024 Board. Please let us know if you would be interested in volunteering for one of these roles.

This newsletter is packed with lots of good stuff, so please make sure to read and enjoy.

Until next time...

**Cody**

## REGION 2 NEWS

During the month of August, Patti Galupo and I were busy connecting with clubs in Region 2. Patti was at a Watchung rally in Pennsylvania. Suzanne and I had the chance to take part in the Metro club's potluck dinner Saturday night and to meet with people at the Finger Lakes RV Resort. What a great assortment of food! The next week we were at Laurel Hill State Park in Pennsylvania where we connected with the AI-Mon-O club. We are off to a running start!

While at each gathering, Patti and I continued to emphasize that the clubs run on volunteers and that when a vote on a topic comes along, it is an opportunity to voice their opinions. I cannot stress how important it is for you to Vote! A very low percentage of the membership votes.

You are ambassadors for your club and WBBCI. I want to challenge all club members that if you see an Airstream Trailer without a Big Red Number (BRN). Go over and ask if they are a member of WBBCI. If they are not them the advantages of being a member of the club.

Just a quick teaser, the Region2 team has been working on the Region2's 2024 rally! Save the date May 3rd to May 5th. Right now, we have the date and are working with the event site on the particulars before we make the announce of the location. Most people who know me knows that I like to have a theme for the event. The 2024 Rallies theme will be 'Pursue Your Adventure'. Airstreamers are the adventurists type.

Safe travels and see you down the road!

## Sunday, July 30

Well, our trip is almost over. We have arrived in Dublin Ohio for the Irish Festival. The festival actually starts on Friday. A little cooler today than it has been. It's been in the mid 90s the past few days. Glad this week will be slightly cooler.

## Saturday, August 5

Having a wonderful time at the Irish festival.

# PENNSYLVANIA STATE RALLY

By Cody Klingler and Matt Moore

If you weren't able to attend the PA State Rally, you sure missed an awesome event. We had 18 total trailers in attendance, with 12 of them arriving early on Thursday. It was a great sight to see all those Airstreams in one area.

Due to the large amount coming in on Thursday, we decided to do walking tacos for everyone. It was amazing how many people had never had, let alone heard of a walking taco. But after eating them, I feel everyone was impressed.

Friday was the official start of the rally. We had hamburgers and hot dogs for dinner, followed by an ice cream social. Past International President, Tye Mott, gave a presentation on cleaning for your Airstream. Who knew that certain things we've all used for years are actually bad for cleaning! When night finally fell, we lit paper lanterns and set them off into the night sky.

Saturday morning was met with a wonderful breakfast of waffles, eggs, sausage and bacon. After breakfast, the 5 PA State clubs met and discussed the future of the PA State Rally. The official meeting minutes are on the next page. The day was free for anyone to do whatever they wanted. A few went biking on the Allegheny Trail, some went down to Foxburg for lunch and to the winery and some went to the Hardwood Mall. Tri-County Animal Rescue joined us with a couple adoptable dogs and everyone really enjoyed playing with them. Saturday evening's potluck was a huge success with lots of food leftover. The Good Times Big Band was there for our evening entertainment and just like last year, they didn't disappoint.

Sunday mornings continental breakfast left those who attended full and ready for the trips home. In the end, it was a successful rally and we are excited to continue this tradition and grow the rally for years to come. A few photos are below, but make sure to check out our Google Photo page at the link here: <https://photos.app.goo.gl/bAm5LnFixbptCX63A>

**Pennsylvania State Rally****PA Presidents Meeting****White Hall Camp and Conference Center, Emlenton, PA****August 12 2023**

Cody Klingler (Al-Mon-O AS Club) called the meeting to order approximately 930 am beginning with the Pledge of Allegiance to the American Flag.

In attendance (Roll Call): Doug Field (Pennsylvania AS Club), Howard Mergelcamp (Keystone AS Club) via telephone; Karl Schubert (Central PA AS Club), Cody Klingler (representing AlMon-O AS Club) and Cindy Collister (Penn Lehigh). A quorum was present.

Cody explained the main objectives of this meeting are to discuss the "Seed money" and the future of the state rally. Cody explained the Howard Mergelcamp sent him some reports from 1987 minutes and 1988 State Rally Treasurer Report. Cody shared the same documents with Cindy Collister to review before this meeting. The State Rally procedure was that each of five PA units would forward \$50 to the hosting unit for the host unit to have funds for reserving places, down-deposits on services, and such. The 1987 minutes revealed the procedure for distribution of profits(losses). The \$250 "seed money", the \$50 would be returned to the five units. From the 1988 Penn Lehigh minutes and the 1988 Treasurer's Report, the \$250 seed money was returned to the PA units. During the 1988 PA State Rally held at Hughesville Fairgrounds, a unit member Natalie VanKirk made several posters and stage backdrop for decorations. They were pieces of art and participants encouraged having the artwork auctioned. The artist donated the auction profits to the state rally fund. It was decided at this point that \$500 would be the "seed money" to be transferred to host units and there would be no need to collect and return the seed money from each unit. From thereon the host unit would pass the \$500 seed money to the next year's hosting unit. Then 50% profits would be retained by the host and the remaining 50% of profits would be distributed to the units based on the number of member participants from each unit. Each unit would decide whether to send refunds to each participant or become part of their unit treasury.

One the establishing of the \$500 "Seed Money" and the procedure was reviewed. Cody expressed that he didn't feel the need for the "Seed Money" anymore that most of the clubs' treasuries would support the planning process for hosting the state rallies. Whatever is decided whether to continue state rally, what should we do about the "Seed Money". George Collister felt that the Penn Lehigh AS Club would take back the \$500 and reserve it in the Penn Lehigh treasury in the event that a host unit needs to access the \$500. He was asked if the Treasurer would be acceptable to this arrangement and George and Cindy felt quite certain that this arrangement would be acceptable. Cody called for a vote and all agreed. Cody said he would cut a check to Penn Lehigh Unit before departing this rally.

The second matter was concerning the future of the Pennsylvania State Rally in current form and rotation. Cody asked Howard Merckelcamp of Keystone to share his club's feelings. Keystone's conclusion is attendance declining so much. They feel the State rally should be something special, like with entertainment and activities. Also notification needs to be sooner, so it doesn't interfere with their clubs scheduling for their rallies. Unless there is more participation Keystone suggests considering a state rally every two or three years. Howard also suggested perhaps start a committee with a representative from every Pennsylvania club, so that planning doesn't fall on one unit only. Howard thinks Keystone feels that every year not the way to go.

Cody asked that Cindy express how Penn Lehigh Club feels about the state rally. Cindy said when the first mention of discontinuing the State Rally was disappointing. Personally we like this opportunity to meet people from other clubs. Cindy added as a small club, we know we are going to a Region, State and International rally and we only have to plan for maybe three other club trailering events. Other units plan lunch events during winter months. George also expressed that the critical ingredient to the rally is the location of the event. And success is due to advertising.

Doug read the decision of the Pennsylvania Unit. Doug offered that personally would like to continue, one way or the other. However, he is concerned if skip a year or two, the attendance would go down even more. Per their club decision of August 5<sup>th</sup> meeting motion passed they would support cancellation of the State Rally if that was the decision. However, under no circumstance that they are not pulling out of participation if the state rallies continue. Regarding frequency, PAC will comply with group's decision

Karl said he emailed like 40 people and received four responses: two in favor of discontinue and two in favor of 2 or 3 years. He explained he and his wife had considered the 2-3 years; but hearing the discussion this day about skipping a year would hurt the participation, would definitely consider every year but consider creating a state rally planning committee.

Eleanor, in the audience, wanted to mention, as an older couple who really look forward to the yearly rally, they don't know how many more years they have, every two or three years you are eliminating some of the membership. All agreed this was a good point.

Cody reported that Al-Mon-O Is prepared to offer they will host, but would like a committee including all the local clubs to assist. Also that all units will help with various volunteer tasks.

***Continued on next page***

*Continued from previous page*

Al-Mon-O will try to pick a regular location and date and consider making it more as a National Event. This could help boost attendance opening up to other than Pennsylvania members, but celebrating Pennsylvania.

Cody was asked if Al-Mon-O would continue to host every year. Cody explained that he and Matt have hosted three of them so far. They feel they now have the expertise. Cody said they would do this as a trial run and address this later.

Cody called for vote for motion to continue every year not rotating between five clubs and form committee to put rally together. Unanimous agreement.

Cody would like committee formed by end of August.

Cindy will provide minutes of this meeting

## **BLUEGRASS RALLY**

**By Cody Klingler and Matt Moore**

The annual Bluegrass rally was held at Laurel Hill State Park. Matt and I were there, along with Joe and Edie Rodgers beginning on Tuesday. Denny and Gayle Gibson joined us on Wednesday. On Thursday, this group went and toured Kentuck Knob, the Frank Lloyd Wright house. We had a really good time.

On Thursday, those that had come early went to Kooser State Park and had walking tacos hosted by Doug and Cindy Field. There were 2 Airstreams who stayed at Kooser while the rest were at Laurel Hill.

We did the rally a little different this year, where there wasn't just one host. Three couples volunteered to host different meals with Toby and Abby Meyer hosting the Friday dinner (where we had chicken fajitas), Craig and Julie Jansen hosting Saturday breakfast and Denny and Gayle Gibson hosting Sunday breakfast. This was the first year that Matt and I went to the music and speaking for myself, I was impressed. The groups we saw on Saturday all did very well, but the best group was the family of 5 girls and 1 boy. They impressed me the most. ANNOUNCING

## THE CAPITAL TO CAPITAL CARAVAN

September 15 to September 29, 2023

The C2C Caravan is an initiative of ACI Region 2. It will launch on Friday evening, September 15 and wind up 2 weeks later on Friday morning, September 29. Region 2 is unique in that its area includes the capital cities of both the USA and Canada. Our days will be equally split between the USA and Canada.

This caravan will start with 3 days and 4 nights at the closest campground to the DC area, with ready access to rapid transit downtown. We will stroll the Mall at our leisure, visit as many of the wonderful Smithsonian Museums as possible and take in the sights of this beautiful capital city. One evening will be devoted to a guided tour of the most famous monuments, departing right from our campground.

We will then head north with several stops along the way to see some local highlights. Examples will include a museum devoted to country music, an afternoon cruise in the beautiful Thousand Islands and other activities still under development. Most driving days will be moderate in length with lots of scenery to plant in your memory banks!

The caravan will end at a campground inside the city limits of Ottawa, adjacent to hiking and cycling trails and close to rapid transit. We will tour the city on an open top bus, take a boat ride on the historic Rideau Canal (a UNESCO World Heritage Site) and visit a few of the museums and galleries in the city. Typically, by this time of year the Ottawa Valley will be resplendent in Fall Colours and we will direct everyone to some of the most spectacular drives. Evening campfires will give us time to relax and share our experiences. Our wind up dinner will be at a very popular buffet restaurant close by the campground.

As Caravan Leader, I like to run caravans that are rather laid back in style where everyone gets to know everyone else and people have opportunities to pursue some of their own interests. Biking, hiking, ziplining, enjoying a cold brew on a patio, whatever floats your boat! We will do our best to accommodate every interest. The estimated Kitty Fee is \$1700 US or \$2400 Cdn for an Airstream with 2 people. Deposit will be \$500 US or Cdn (lets keep it simple).

If this sounds like a fun way to spend some time with fellow Airstreamers, contact me right away. Participation will be capped at 20 rigs. Email me at [124caravan@airstreamclub.net](mailto:124caravan@airstreamclub.net) and I will send you a registration form with details on how to make your payment.
