Brenda's Buzz

Hi Everyone,

Well, the State Fair has begun and for Minnesotans this is the big sign of the summer winding down. It's been a busy summer and it has quickly flown by. Our Minnesota Club has been active in the state and had a strong presence at international this year in Rock Springs, WY. I believe several of us will be at Region 7 Rally in Spring Green, WI as well. Since our Rally in Lanesboro, there was An Urban Rally in Northfield and a rally in Duluth. Both rallies were member lead and were a huge success! This is an opportunity open to anyone in the club who has a great idea for a rally and wants to share it with all of us.

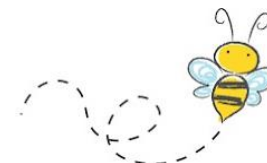

September 7th-10th we will have our Installation rally at the Minnesota Airstream Park in Clear Lake, MN. On Thursday at Happy Hour, Stan Schwanke will have an ice cream social and talk about Sky Med. The Installation and Fall meeting will take place on Friday morning in the clubhouse. Bob Petersen is our incoming President. He has already been planning exciting events for all of us. Our First Vice President is Pam Rawn and our Second Vice President is Byron Day.

Friday night there is moonlight golf. On Saturday we have breakfast at the club house and at night we will have a German dinner and a polka band.

In addition to the planned rally, Airstream Minnesota will have a block party on Friday at the Airstream Park so all rally goers are invited to attend. There will be music and food provided. On Saturday there will be an open house at Airstream MN with shuttle buses from the Airstream Park for those who would like to check out the Monticello facility that is Airstream only sales and service.

In other news, Carry Ensign has agreed to be the Recording Secretary for the Minnesota Unit. A heartfelt thank you to Kay Olsson for the years of dedicated service as the Recording Secretary. Bart Schultz volunteered to be the Newsletter Editor for the Silver Times. A shout-out thank you to Chris Olsson for being the Newsletter Editor for many years, and doing an awesome job creating an informative newsletter for the Minnesota Airstream Club.

Following the Fall Rally, Steve Pflgebraar is stepping down as our Treasurer, so we are looking for Steve's replacement. Thank you, Steve,

Silver Times

for your dedication and diligence as Treasurer for the Minnesota Unit. Finally, we are also in need of a Third Vice President. Please consider one of these positions.

This is my last newsletter as your President of the Minnesota Airstream Club. The time has gone very fast from agreeing to be the Third Vice President with no idea what I was signing up for, to spending the past year as your President. I have learned a lot during those years and appreciate everyone's patience, words of encouragement, willingness to share your knowledge and willingness to jump in and help. It truly takes a village. I feel privileged to be a part of the Minnesota Airstream Club. I'm leaving you in good hands with the incoming President, Vernon Petersen. I look forward to seeing all of you at future events and helping where I am needed.

Thank you all for a GREAT year!

Brenda

Reminder - Silent Auction!

There will be a silent auction at the Region 7 Rally in September benefitting 2 charities local to the area we will be at in Wisconsin: For Pete's Sake, and River Valley Commons. I am looking for donations for the Auction which can include handmade items or purchased items. Items can be brought to the Region 7 Rally if you are attending or given to me at any upcoming rally I am at (Fall Rally for MN). This and That **Ginger Slattery** **R7 PRESIDENT**

Wow! We had an awesome trip out west with our granddaughters. We left June 12 and visited House on the Rock in Spring Green, WI. Then we went to Mitchell, SD to see the Corn Palace and the excavation site of a prehistoric Native American village! Next, we traveled to Rapid City, SD. There we did a bus tour of 2 scenic highways, saw buffalo in Custer State Park, went to Mount Rushmore and Crazy Horse Monument. The girls wanted to return to Crazy Horse the next day, so we did! Spent at least half the day there. They were very taken with the Native American dancers. Off next to Cody, WY and Yellowstone! Finally parked at the International Rally on Wednesday the 21st. We were parked with The Future Streamers and took part in many of their activities. I have to admit that as an officer, it was really nice not having to attend so many meetings this year!

During the rally, there were 65 members who attended our lunch buffet at the Santa Fe Southwest Grille! The food was great and the drawing for door prizes was quite entertaining with our granddaughters doing the drawings and deliveries! I also had an opportunity to share with attendees some of what is going on with the IBT.

The R7 Meet and Greet hosted by Anita Olson and Lizann Skelton was well attended and a lot of fun! We were introduced to a Camper Scavenger Hunt that we completed the next evening. Was a lot of fun! A great big thank you to our hostesses! They are already making plans for next year!

At the beginning of the Meet and Greet, International President Eric McHenry installed Chuck Zellermyer as our 2nd VP! Thank you, Chuck! I feel much better knowing someone else is on the team and Chuck and Chris will work together well!

Overall, we enjoyed the rally very much! Then came the 3-day trek to get home by July 3! We did it! Came back to a home bursting at the seams with family! It was awesome! I hope everyone who went to the International Rally enjoyed it as much as we did!

Joe and I next traveled to Teulon, Manitoba for a NDPGU Rally. This was the first opportunity I have had to spend any time in Canada! Looked a lot like the UP! It was an activity packed weekend. We met new members and got reacquainted with old friends. Food was great, weather was perfect, and a good time was had by all! Thank you to Chris and Bev Wells, Gordon Pickin and Eric Jensen for co hosting!

The best part of being your Region President is meeting and talking with all the members. There have been some big items happening on the IBT and I have enjoyed and value everyone's comments, especially if one doesn't think the same way I do. I am there to represent the Region as a whole and my vote reflects what I hear from all of you! So please keep those comments coming!

The Region 7 "Spring Into Fall in Spring Green" Rally currently has 30 Airstreams signed up! I am super excited about that! We have lots planned for that week! All we need now is nice weather! There are still spaces available if you want to join us! Call Wisconsin Riverside Resort at 608-588-2826 to reserve your campsite and let them know you're with the Airstreamers. Then click this link to register for the rally <https://airstreamclub.org/region-7-spring-green-rally-2023>. It will be here before we know it!

Summer is flying by so quickly! Travel safely and I hope to see you down the road soon!

Photographs and Memories.....

66th Annual Airstream Club International Rally

Rock Springs, WY – June 24th – 30th

This year's International Rally was held at the Sweetwater Events Complex in Rock Springs, Wyoming. It was reported in the August 2023 Blue Beret that 1,192 Airstream Trailers converged on Rock Springs for the Rally. It was a time to gather with friends, to make new friends, to learn, to celebrate, to give to the local community¹, and to create lasting memories.

Minnesota – Northfield Rally

Northfield MN, August 10th–13th

Hosts: Pam and Dave Rawn

Minnesota Airstream Club's second Urban Rally in Northfield was, by all accounts, a smashing success! We had 20 units camped in downtown Northfield's Ames Park August 10-13, 2023 for a weekend of fun, friendship, food, fires and exploring all the things the historic downtown has to offer.

Lazydays RV/Airstream of Minneapolis was gracious enough to not only have a presence onsite at the rally, they had two brand new Airstream travel trailers available for tours and sponsored two meals for our rally participants! Now that they've seen a rally in person and understand more of what the Club is all about, they can better talk about the amazing community that comes with simply purchasing an Airstream. This makes it that much easier for them to start educating new owners on the benefits of Club membership even before the Airstream is purchased!

Back by popular demand was our Airstream Open House. In addition to the two brand new units available for tours, most of our rally attendees also opened their rigs to the local community for a couple hours on Saturday of the event. Todd Wrigley, who donated his time and tips to our charitable cause, was on hand with live, acoustic guitar music. We had at least 100 guests come through and everyone raved about how much fun it was to show off our beloved Airstreams and we all got to share in the excitement of so many who had never had the chance to see inside an Airstream. What a fun and positively energetic atmosphere it was!

Last year, our Club committed to a goal of making a positive impact of some kind in the communities gracious enough to host our gatherings. This year our rally host's, Pamela Rawn and Robbie Wigley, picked the local food shelf, Community Action Center, to be the charity of choice. Rally participants and guests had the opportunity to make donations in multiple ways; cash on site, electronic monetary donation and non perishable food donations.

We're so grateful to our rally participants, local businesses, Airstream of Minneapolis and all of the local community that attended our Airstream Open House for their incredible generosity. In all, we had swag bags with goodies for all units registered, enough door prizes for each BRN in attendance plus one grand prize from Airstream of Minneapolis, \$635 in monetary donations and a great big bin of food for the local food shelf! And LOADS of fun (and ice cream!)

On the Menu: Creamy Sausage Tortellini Soup

I mean these little cheese tortellini If you don't keep a package in your freezer, you've got to change directions fast. This soup is a standby - a go to when you can't think of what to have for dinner. Add a piece of bread and maybe some extra veggies on the side, and you have a quick meal with good wholesome ingredients. You can use half and half, or sub-out with whole milk. ENJOY!

Course: Soup Cuisine: Italian Servings: 6 servings Calories: 630kcal Author: Andrea

Ingredients

- 1 lb Italian sausage
- 1 small yellow onion diced
- 1 small shallot diced
- 2 large carrots peeled and diced
- 4 cloves garlic minced
- 1/4 cup all-purpose flour
- 5 cup chicken broth
- 14 oz refrigerated cheese tortellini*
- 1 tsp kosher sea salt
- 1/2 tsp ground black pepper
- 1/2 tsp Italian seasoning
- 6 oz fresh spinach chopped
- 2 cup half and half or heavy cream

Instructions

1. In a large stockpot set over medium-high, cook the sausage until browned. Using a slotted spoon, transfer the cooked sausage to a paper towel lined plate; set aside.
2. Add onion, shallot and carrot, sauté for 5 minutes or until the vegetables are soft. Add the garlic and sauté for an additional 2 minutes, or until fragrant, stirring occasionally to prevent it from burning.
3. Whisk in the flour and cook for 1 minute. Gradually add in the chicken broth, whisk to combine. Continue cooking until the mixture reaches a simmer, then reduce heat to medium-low and simmer for 6 minutes.
4. Pat as much grease as possible off of the sausage, then add it along with the tortellini, salt, pepper, Italian seasoning, spinach, and half & half. Simmer for 5 minutes, or until the tortellini is fully cooked.
5. Serve immediately with freshly grated parmesan, if desired.

Notes

-I used regular Italian sausage, NOT hot Italian sausage. You can also use plain pork sausage and season with an additional 1 tsp. Italian seasoning.*You can use whatever stuffed tortellini you prefer.

Chris O's Ramblings

Even though I am no longer the Newsletter Editor (Thank-you Bart for taking over!), I've been asked to continue to do ramblings. So, here I am, currently in Spearfish, SD, trying to decide what to ramble on about. I could ramble on about changing a flat tire on the Airstream on I-90 or how the Airstream community looks out for each other by stopping to see if they can help. And not just once, but twice! It's a long story, so come see us at the Fall Rally if you want more details.

What I decided to ramble on about is a little taste of Spearfish.

This is our campsite. This is the same campsite we will have at the Rally next year.

View out of our window. We had a bunny come visit us and spend about 30 minutes foraging and then he decided to take a nap in the shade. Woke up and ran once a dog was being walked on the road.

Silver Times

Two pics of the view behind our campsite.

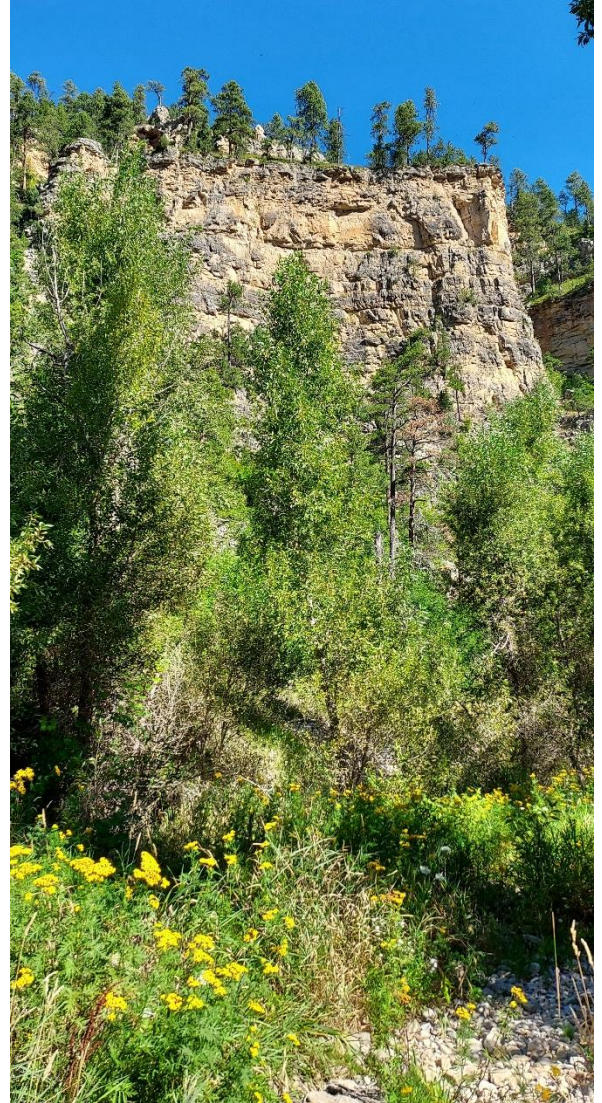

We drove through Spearfish Canyon this morning before it got too hot and walked a couple of short trails. It is a gorgeous canyon, and it reminded us of some of the scenery we saw in Alaska. Depending on how often you stop, it could take just an hour or all day to see everything. And this is just one of the treats waiting for you in the Spearfish area at the R7 Rally next year. Here's some pics from our drive through the canyon.

A small dam right next to the road (very short walk).

Silver Times

A couple of pics along the drive.

Flowers we had never seen before. The Seek app (on my phone) identified them as Woolly Burdock.

Silver Times

I think every canyon has a waterfall called Bridal Veil Falls.

There is an old hydro plant on the river as well. Can't get into it, but still cool to stop and look at.

Aside from the tire, it's been a good trip, and we have a much better overview of the venue out here for next year. Hoping that you will be able to make it! If not for the entire rally, then for any days you can make it. I will put together a rally schedule in the spring so you can see what is planned for each day. And there will be "open to sightsee" days as well.
