## President's Message

### Hello All!

Here we are in December. Thanksgiving "23" is in the books and we are staring down Christmas and New Years 2024. Personally we had a very nice Thanksgiving. It was the first time we hosted a family since Christmas 2019. It was sure good to see them all again.

Coming up on December 9<sup>th</sup> is our annual Christmas Luncheon at the Plumsteadville Inn, in Pipersville PA. Time, High Noon. We will once again enjoy each other's fellowship and a great meal in a private room. Ordering will be from the menu. Please bring an unwrapped toy, game or stuffed animal for donation. They are very much appreciated. Hope to see you all there.

In other business, the rally host list is slowly filling up but we still need hosts for the February and March Luncheons. They generally have been held at the homes of our members but could easily be at a restaurant. Only you as the host can make that decision. Please let me know of your desire to host. **Folks, the unit needs a Kourier editor ASAP.** I am patching one together as best I can until the position is filled but. it is what it is. Please step up, there is a bit of Perry White in all of us!!

Keep an eye out for schedule updates. The Outlaws track schedule will be out shortly. When it is, the Keystone schedule will be finalized.

After Christmas, for the first time, Sue and I will hit the road for points south eventually ending up in Clearwater, Florida. Our goal is two fold, one, naturally is to escape the cold and the other to visit our son and family in Tampa. Going to be a whole new thing for us but something we both talked about for 25+ years. We will let you know how it goes. Stay Tuned!! Merry Christmas!!!

**See you soon, Jody and Sue Dietz**

### *Up for Grabs*

Two items from the recently cleared Heckenswiler store room! From left to right, curbside window rock shield that fits Airstream widebody years around 2004. Dometic airconditioner shroud, complete with paperwork and box. All items new. Make and offer!!

### *Kushto's Komedly Korner*

For Christmas: My biggest fear is being trapped in a small room with Santa - I have Claustrophobia!

Somewhere an elderly lady reads a book on "How to use the internet", while a young kid googles "How to read a book".

You know you're old when people call at 8:00pm and ask "Did I wake you?".

Few women admit their age; few men act it.

Behind every great man is a woman rolling her eyes.

Middle age is when work is a lot less fun and fun is a lot more work.

When I was young, I always felt like a male trapped in a female's body...then I was born!

*In order to keep the Kourier from being bland and boring during editor transitions, Please send me your pics, stories, for sale items or reviews of camping paraphernalia. Thank You!!*
