

EXECUTIVE BOARD PROXIES 2024

A quorum of 6 is needed to conduct a board meeting based on our 10-member board. Any board member anticipating an absence should designate a proxy to represent him or her and notify the president of this designation a minimum of 24 hours prior to the board meeting. The reason for such absence shall be provided to the board which may designate the absence excused. Eligible proxies are currently active Past Unit Presidents or currently active past board members that have served within the last 5 years and are not on the current board. If proxies are not designated, the presiding officer may designate proxies to fill a portion or all absentees. An individual cannot hold more than one vote.
