**Presidents Message:** Hello Airstreaming friends and club members! Welcome to 2024. We are looking forward to a most interesting year of Airstreaming and adventure.

First off – this year is the Missouri Greater Ozarks Airstream Club’s 50<sup>th</sup> year of operation. We have a special 50<sup>th</sup> year Spring Rally lined up in Springfield, MO at Cook’s RV Park in April. And a birthday luncheon on Saturday, April 20<sup>th</sup> at Golden Carral on North Kansas Expressway at 1pm.

See the reservation details later in this newsletter to make your camping and birthday luncheon reservations.

Following fun at the Springfield Rally – the Region 8 Spring Rally will be at ABC Campground in Branson, MO. Again, see the reservation section below to make your camping reservation. Those camping with us at Cooks RV Park will be traveling together to Branson.

The second interesting event for 2024 is the International Rally which will be held in Sedalia, MO at the State Fairgrounds during the first full week in October. I don’t ever remember having an International Rally that late in the year. Should be interesting. Anyone wanting to camp together for that rally needs to arrive together.

The Keith’s are hosting an early summer rally at Arrowhead RV Park in June and the Mathias’s are hosting our installation rally in September in Hermann, MO. Hermann is an old River Town on the Missouri River with a German flair. Again, see the reservations details later in this newsletter.

Some House-Keeping: The MO Greater Ozark Airstream Club needs a few folks to volunteer to help operate the club for the next few years. We are looking for a 2<sup>nd</sup> Vice

President, a Membership Committee Chairman, Corresponding Secretary to serve. This would round out the officer structure and insure the club's existence for the next few years. These are not hard positions to serve in as many helping hands are available to help with rallies and club functions. So please, consider stepping up to a leadership position to help the club keep functioning. If nobody participates, the club could be disbanded! I think we all would hate to see that happen.

OK – Sports fans, that is all from me on this issue. See you down the road! ~~Steve.~~
