Thank you for your reservation for Oceanfront Camping at Wolfe's Neck Center for Agriculture and the Environment! Your stay helps our nonprofit organization fulfill its mission to transform our relationship with farming and food for a healthier planet.

**Farmstore/Reservation Office Hours:** June thru September the Farmstore/Reservation Office is open from 8:00 am to 8:00 pm, 7 days per week. In May and October we have shorter hours and are open from 9:00 am to 6:00 pm.

**Cancellation Policy:**

Please note that we require at least a 14-day notice for campsite cancellations (30 days for Cabins and A-Frames) for a refund minus a \$25 processing fee. We do not issue refunds with less than a 14-day notice (30 days for Cabins and A-Frames) before scheduled arrival. Click [here](#) to read full cancellation policies.

**Early Registration Cancellation Fee:**

If you made your reservation during our early registration period (from December 11, 2023 - May 1, 2024), your reservation signifies your agreement to stay during the full time period required during

your booking window. If you change your reservation to fewer nights, we will charge 50% of the balance. For example, if you made a reservation during our 7-nights or more window for a 7-night stay and change your reservation to 2 nights, we will charge a fee of 50% of the cost of the 5 nights you've canceled. This fee is in addition to the \$25 change fee.

**Reservation Change Fee:** We're happy to make changes to your reservations as needed but will apply a \$25 change fee for each time you call to alter your reservation.

**Check-In and Check-Out Times:**

Campsite check-in time: 1:00 pm or anytime after. Check-out time: 11:00 am. Cabin, A-Frames, Comfort Camping, and L.L. Bean Wicked Easy Camping check-in time: 4:00 pm or anytime after. Check-out time: 11:00 am.

**Sites that are not claimed by noon on the day after the scheduled check-in date will be considered no-shows, and sites will be released without a refund. If you will arrive after the Farmstore/Reservation office closes, please follow the "After Hours Check-In" process below. Note: You must follow the after hour check in process below or check in at the campground office first thing in the morning, otherwise your reservation may be canceled.**

**AFTER HOURS CHECK-IN:** If you arrive after the Farmstore/Reservation check-in office has closed, please go to the campground office (in front of the Farm Store) to check in. To the left of the campground office front door, you will find a clear mailbox stating "after hours check-in." You will find your reservation packet there with your name on it. When we open the following morning and find that your packet has been picked up, we will automatically check your reservation in. No need to do anything further.

**Campsite fit:**

Since each of our campsites is so unique, please make sure that you have entered the specifics for your camping unit, or checked on our [interactive map](#) to verify that you will fit in the campsite you have chosen. **If you arrive with equipment that cannot fit on the site or a number of occupants that exceeds our occupancy policies, we cannot check you in and will have to cancel your reservation (without refund).** Our occupancy and site restriction policies are firm.

**Firewood:**

When packing for your trip, please remember that it is now illegal to bring firewood into Maine. This is to help prevent the spread of forest-destroying insects. We do have firewood available at our Farmstore, or you may purchase wood from any supplier within 50 miles of the campground.

We look forward to your stay! In the meantime, connect with us on Facebook at [Facebook.com/CampingMaine](https://www.facebook.com/CampingMaine)
