## President's Message

Now that we have had a short sabbatical since our December Rally, it's time for a rally again! **Join us at NEW GREEN ACRES ON FEBRUARY 1<sup>st</sup> – 4<sup>th</sup>**. We are starting with a number of activities. First it is a New Owners/Maintenance Rally. We will have a new Owners Seminar and will help with small repairs.

As a New Owner you may also have questions about our club, again we will be happy to help you get your questions answered.

It is also the **"Queen of Hearts" Rally**. Wear something **Red** to celebrate **Valentine's Day**. Who can wear the most Red? If you have an old picture or wedding picture of you and your spouse, please bring it. Most of our activities will be in the building, and once we get input for the New Owners Seminars, we will announce the times.

Melinda
