**December 2023 Edition**

**Captain's Log, Stardate 12.04.2023:** 'tis the season to be jolly, fa la la la la, la la la la! You probably didn't know that "Fa La La" is Latin for "more cookies, please!" I hope everyone experienced a Happy Thanksgiving with family and friends and if you're like the Wilch's, you've enjoyed feasting on leftovers ever since! Yours truly did take advantage of the warmer weather before Thanksgiving to decorate. In the spirit of Airstreaming, I used rivets this year to affix each individual light!

**November's Thanksgiving Luncheon at the Stallard's was, in a word, EPIC!** Our gratitude is directed to Linda and David for hosting our 30+ attendees on their farm outside of Seville! Of course, our potluck format requires all contributors to be recognized for an impressive spread of appetizers, main course dishes, salads, desserts and beverages! "I don't over-eat often, but when I do, I do it with other Airstreamers! Stay hungry, my friends..."

Looking ahead, let's recognize those with birthdays in December and gift them our strings of xmas lights with defective bulbs. Please, if we've missed your information, simply zap me an update. **Happy 'December' Birthday to:**
