Use the search bar to search for the location you want to add. Use the nearest point of interest or latitude/longitude if you know them. (see last two pages for hints on how to find coordinates from a photo)

You can also pan/zoom the map to your place or interest.

Bridger Bay Campground on Antelope Island

Nearly all pull-thru no-hookup campground. No trees. Can get windy. On the beach of the Great Salt Lake, so there's a smell. Wild buffalo roam the island.

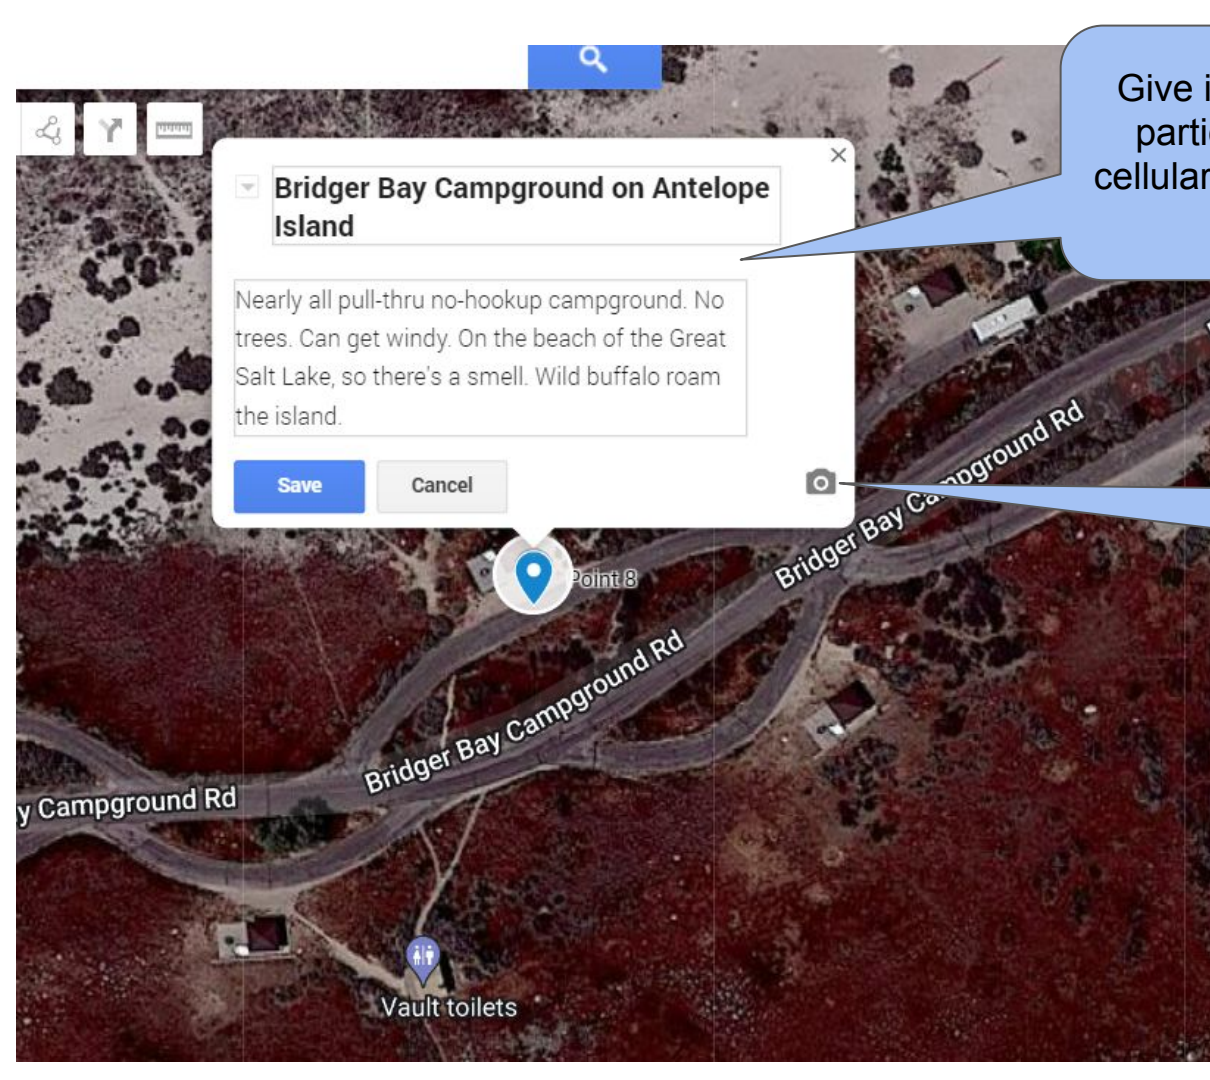

Save

Cancel

Give it a title and description. If there are particular boondocking hints (trees, no cellular, water available, dump station) then note that as well.

If you have pictures of your campsite, please add them by clicking on the camera icon.

The appearance of coordinates and the toolbar indicates you're all done. Move on to your next pin and repeat!

Hint: Finding the location of where you took a picture

This is shown for Google Photos. Other services (e.g. Apple Photos) have similar features. The setting in your phone to store the location when a picture was taken must be turned on.

In Google Photos, click on the info icon

If a named place, it will show you that
