The Newsletter for Washington Unit #112
WBCCI Airstream International

MANDA LYGHTS, PRESIDENT'S MESSAGE

Thank you to all of the volunteers who are willing to be part of our club leadership and have a vision for our future!

January and February saw member luncheons, thank you to Kim Fortney and John and Linda Schmitt for hosting these events during our cold and less camping-friendly months. Thank you to Nancy Morman for "hosting" a no-host rally up in Shelton, WA to get rid of some of those winter blues!

As many of you have already heard, a water leak was discovered in the fire suppression system after days of below-freezing temperatures at Harmony Hall. I'd like to thank the Washington Land Yacht Harbor Board of Directors in their quick response to not only shut the water off and mitigate further damage, but also for all of the work they have done in procuring contractors and dealing with insurance adjusters. Although we don't know exactly when we can expect Harmony Hall to reopen, we look forward to updates and will send out emails to update the membership as we learn more.

Upcoming Rallies descriptions can be found in this newsletter, are being posted to the website, and emails are being sent out ahead of time notifying members of the date and time registration will open. Many rallies have limited space available, so be on the lookout for the emails and be sure to register early! There will be online wait-lists for many rallies once registration is full.

This year's Crab Feed Rally has been relocated to Kenanna RV Resort in Grayland, WA, as an away rally since Harmony Hall is unavailable. Thank you to our "ghost" no-host Diane Carpenter for ensuring this event was pulled together, as it is a crowd favorite!

Other Rallies recently listed are: Games & Wine Rally in Woodland, WA April 12-14; Cinco de Mayo Rally at WLYH May 3-5 and VikingFest Rally in Suquamish, WA May 16-20. More rallies are in the works and will be posted soon!

The Streamin' to Sedalia Caravan is almost full with only 3 spaces left! The caravan to the 67th Annual Airstream Club International Rally in Sedalia, Missouri, is shaping up to be a great time with stops in many popular areas. If you are interested in one of the last spots or have questions, contact Kim Robitaille kimberlyrobitaille@gmail.com or visit the caravan event page <https://airstreamclub.org/wac-unit-112-2024-sedalia-caravan> for more information.

P.S. Please be sure to read the update from the WLYH Board of Directors about the progress on Harmony Hall. Some Harbor and Club events will move to the Gatehouse or other locations as appropriate, and we will endeavor to minimize disruptions to planned rallies. The WA Unit Board of Trustees appreciates everyone's understanding and patience as the situation is addressed.

Harmony Hall Update

On Tuesday, January 16, 2024, the freezing temperatures caused the fire suppression sprinkler system pipe on the East side of the building to freeze and break, resulting in significant water damage. The following is an update on the progress and current status of Harmony Hall in the Washington Land Yacht Harbor.

It has been a very busy few weeks spent dealing with the water damage issues. The demolition of the water damaged drywall and insulation is completed, the asbestos abatement of the popcorn ceilings has been done, and the fire suppression system repairs have been completed as of Thursday, February 8, 2024.

We are truly grateful to be at this stage so soon, given the large number of commercial businesses and residential homes impacted during the deep freeze and great thaw of mid January 2024. The Washington Land Yacht Harbor Board of Directors have been actively involved in working with our contractors, vendors and insurance adjusters to keep things moving forward.

All scheduled Harbor and Club activities and events will continue to be moved to the Gatehouse if we are able to accommodate them. Please reach out if we can be of further assistance in this area. While Harmony Hall will remain closed for the foreseeable future, we will soon begin the restoration process. As we have new photos or information to share with you, we will continue to send out updates.

Please remember that this is an active Construction Zone and, while we understand folks are curious about what is going on, we need to keep everyone safe, so please do not enter the building when the workers are present. Thank you again for your patience and understanding as we continue to work towards the restoration of our Washington Airstream Club home.

Editor's Note: This information was reproduced from the Thursday, February 8, 2024, email sent by the BOD to the Membership and was accurate at the time of publication. Any updates provided by the BOD after this newsletters' publication (Thursday, February 22, 2024) will have precedence.

2024 Membership Directory

The Washington Airstream Club Membership Directory is being published soon and **will be made available primarily in PDF format** in order to keep our expenses down. If you would like to receive a physical copy, it will be made available to you free of charge, but you will need to notify me that you want one. You can send an email to me at wbcci.wa.airstream@gmail.com or you can mail me a note to: **Rex Thiessen, 9101 Steilacoom Road #16, Lacey WA 98513**. If you live in the Harbor, you can drop a note in my Orange Mailbox at the end of my walkway at #16 on A Street and I can get it that way as well. *Please include your name, address, and Big Red Number in your correspondence.*

We are hoping for delivery of these in the early March 2024 timeframe, so let me know if you want a physical copy! Everyone who receives the Membership emails will automatically receive the PDF via email. Rex Thiessen, Corresponding Secretary

Come out and enjoy the pre-kite festivities with us at Long Beach, Washington! This oceanside campground is a dream for those exploring the Pacific Northwest, with 28 miles of sandy beach, and a cozy woodfire-heated clubhouse.

Reservations were made in December 2022, and due to a mix-up with the dates of the actual festival, our group reservations are for the 2 days before the kite festival starts. By the time the mix-up was discovered, it was too late to change our reservations, so we will turn it into our own Kite Festival. We will have a contest to see who can come up with the most unique and unusual kite, and fly it. It is still summertime at the Ocean. We will get to see vendors setting up for the event. We'll have fun in the sun at the ocean and explore Long Beach.

We have 17 spots with full hook up and 5 boondocking sites. Cost for full hook up for two nights is \$150.00 and boondocking for two nights is \$74.00. The Rally fee is \$20.00 per person. Check in 1:00pm Friday, check out 11:00am Sunday.

Hosted happy hour on Friday (BYOB) and not hosted on Saturday. Coffee and rolls Saturday morning. Saturday night will be a potluck dinner with s'mores.
