Presidents Message

Hello all, wish I could say that from sunny Florida but the best I can muster is a Hey there from soggy 60 deg Myrtle Beach State Park as we meander back home. We sure hope spring beats us there. I'm counting on Phil's lack of shadow to come through. (Arrived Friday to cold and Rain)

Hope you enjoy this my last issue of the Kourier. Along with activity summaries (past and future), member news, laughter, helpful hints there is a major announcement about our new Kourier Editor. Let's welcome Tabb Adams and his wife Ruth as

new Keystoneers and Kourier Editor. We look forward to meeting with you both.

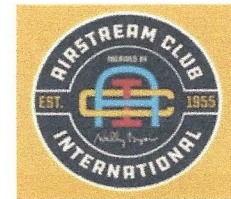

As the rally season starts to emerge from the snow and sub freezing temps keep an eye on your email, newsletter and Facebook page for news on signing up. (Details can be found on the events tab) Campground space fills up quickly so be prepared to hop on the bandwagon. Be sure to check out the news on the Outlaw Race week. Sign up is now! Don't miss out.

Until we meet at the St. Patty's Luncheon (Hosted by Joe and Lori) stay warm, drive safe and wish you all good health and happiness.

See you soon, Jody and Sue Dietz

The Kourier Gets a New Face and Editor

A

My wife Ruth and I travel full time in our 2018 Airstream Classic 33FB with our cats Lola and Matilda. Our goal is to travel to all lower 48 and Alaska and try to visit all the national parks. We are members of the Carolinas Airstream Club and affiliates of the Keystone Club.

When asked how he would like to receive member submissions, "Directly is fine crosscuttabb@gmail.com in word form, FYI grammar, spelling and sentence structure will be corrected."

So folks no need to worry about spellin, Tabb gots ya covered.

Valentine's Luncheon By Sharon Fitzgerald

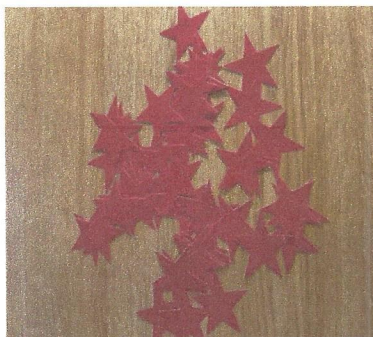

On Saturday, February 10th a Valentine Luncheon was held at the home of Wayne and Sharon Fitzgerald. The turnout was great and included Wayne and Sharon (Hosts), Jennifer and Ciel Eggers, Kevin and Sue McCann, Don and Phyllis Harrington, Pat and Kathleen Quinn, Karen Kushto and Lori and Joe Pfahler. Sharon served up a ham because it was pink for Valentine's Day. Everyone brought either a side, dessert or both. All of the food was delicious and enjoyed by all. We played several enthusiastic rounds of Sharon's homemade Valentine Bingo. Conversation candy hearts were used as markers. We had 3 winners: Karen, Lori and Ciel. Congratulations ladies! It was nice to see everyone again and to get to know better some of the club's newer members.

Keystone Unit Turns 60 This Year

Happy Birthday to Us!! The Keystone Unit was officially born at the International Rally in 1964. Here we are 60 years later still going strong and living the dream. What are our plans to celebrate the once in a lifetime occasion? Any or all of our rallies can be a 60th celebration, lets hear your ideas! We can throw around ideas on the Keystone FB page. Happy Birthday Keystone!!

Someone say, Stars??

Of course we all are Airstream Stars, but does your Airstream get some stars? Glad you asked.

While going through the storage boxes in the trailer a long lost envelope turned up full of these things. Every 5 years of club membership earns 1 star. Five years go fast.

Contact Me (Jody) to get yours today!

If you see us at a rally, ask, I have'em.

Sunshine Report by Karen Kushto

Sending out get well wishes and cards to;
Jerry Hillegass who was hospitalized for pneumonia. He's back home & improving.
George Spahn had a knee injection and missed the Valentine's Luncheon.

Kushto's Keystone Komedey Korner for St. Patty's Day

Why did the young leprechauns go outside? To play on the Patty-O.
How does a leprechaun work out? He pushes his luck.
You can tell an Irishman is having a good time because he's Dublin over with laughter.
Why did the leprechaun balance himself on a potato? To keep from falling into the stew.
Why do leprechauns make good secretaries? They have a great shorthand.

Why did St Patrick drive all the snakes out or Ireland? It was too far to walk.

Irish kisses and Shamrock wishes to ya all, Will
