MANDA LYGHTS, PRESIDENT'S MESSAGE

Happy Spring, Fellow Airstreamers! Thank you to the attendees, new and not-so-new, who came to Grayland for the Crab Rally this year. I appreciate our members being flexible with the location change due to Harmony Hall being unavailable. We had a good turnout and great weather for the weekend!

Rallies are filling up quickly and some are currently waitlisted. Now is the time to sign up for all of the Summer rallies! There are only eight (8) sites left for the newly planned OAK HARBOR MUSIC FESTIVAL RALLY over the Labor Day weekend.

There are also three (3) spots remaining for the CARAVAN TO SEDALIA, if you are interested, please contact Kim Robitaille at 270-350-1096 or kimberlyrobitaille@gmail.com

Happy Camping! 🏕️

Harmony Hall Update

The Board of Directors is committed to keeping the membership and residents informed on the status of and updates to Harmony Hall. Recall that we experienced significant water damage to our Washington Airstream Club home during a devastating weather event in mid-January 2024. The sustained freezing temperatures coupled with the windchill factor resulted in the fire suppression system freezing and breaking. This event impacted multiple businesses in our region, including hospitals, daycares, nursing homes, schools and more. We are one of many undergoing insurance claims and engaging contractors for repairs. We were very fortunate to have CMAC Construction, our General Contractor, on-site with a crew the very next day, opening up walls and drying things out. When the popcorn ceilings were found to have asbestos, an asbestos abatement crew came in right away to safely contain and remove the material.

It may appear that physical on-site progress has slowed, but please be assured that the Board of Directors continues to work to navigate the process and paperwork with our insurance company and our contractors. Next steps are well underway, even if it's not readily apparent! Our insurance adjuster has been on-site to walk us through the process, our contractor is getting estimates from subcontractors, and the design work is moving forward and will be ready for the permitting process soon. Indeed, we would like to have 2 or 3 people join a small group of board members in working on some of the design elements in the hall restoration process. Please email volunteer@wlyhpark.com if you are interested in getting involved. Then, as the design elements and materials come together, we will be excited to share visuals and information with the entire membership and residents.

While we did not expect to experience such significant damage, or have our Washington Airstream Club home closed for these extensive repairs, be assured we have the right people in place to move towards the restoration of our Hall. Thank you for your continued patience and support as we work together towards the restoration of Harmony Hall. The needs of our club, now and into the future, are foremost in our minds as we move ahead to ensure Harmony Hall will be made whole and ready for the next 50 years! Lee Wyman, President, Washington Land Yacht Harbor Board of Directors

**CALL FOR CANDIDATES and NOMINATIONS for
WASHINGTON LAND YACHT HARBOR BOARD OF DIRECTORS**

Hello, Washington Airstream Club Members!

Spring is here and it's time for our annual ritual of recruiting and nominating candidates for the Washington Land Yacht Harbor Board of Directors (BOD). The BOD consists of nine Directors appointed for terms of three years and holds meetings on a regular basis to manage the affairs of the Harbor. Board members can typically participate virtually in meetings. This year, we will be looking to fill at least three board positions as terms expire and possibly more if any current board members choose to depart the board prior to completion of their terms.

In the normal course of managing the Harbor, the BOD is responsible for setting goals, planning and following budgets, making decisions on the day-to-day operations of the Harbor, supporting the mission of the Club, ensuring compliance with IRS 501(c)7 non-profit rules and making the Harbor a desirable place for club members to visit and reside at. The good news is that there's significant institutional knowledge among current and past members of the BOD and help is never more than an email or phone call away.

Because the Harbor is an important amenity for Washington Airstream Club members and has been for decades, it's important that the BOD be staffed by club members from across the state as well as residents of the Harbor.

As you may recall, our annual process has three steps:

1. The BOD Nominating Committee solicits volunteers from across the unit to serve on the board
2. The Board of Trustees (BOT) conducts an advisory vote in May at the club membership meeting, which allows unit members to weigh in on the slate of candidates and indicate their support for candidates they prefer
3. The BOT reviews the results of the advisory vote and makes the final selection of nominees to serve on the BOD

Once seated, the new board will meet and vote on officer positions and which members of the BOD will fill them.

We need capable club members on the BOD. If you're an enthusiastic Airstreamer, care about our club and would like to see the Harbor prosper as a club amenity, please consider serving on the BOD. If you would like to submit yourself as a candidate, please submit a short (500 words maximum) bio about yourself, any experiences you have that would be valuable to the BOD and why you would like to serve on the board by sending an email with your bio to airstreamjerry@yahoo.com by **Friday, April 5, 2024**. All bios will be printed as received in the Washington Airstream Club newsletter at the beginning of May. Thanks!

Jerry Kavalieratos
BOD Nominating Committee Chair and
Washington Airstream Club Past President

Reservations were made in December 2022, and due to a mix-up with the dates of the actual festival, our group reservations are for the 2 days before the kite festival starts. By the time the mix-up was discovered, it was too late to change our reservations, so we will turn it into our own Kite Festival. We will have a contest to see who can come up with the most unique and unusual kite, and fly it. It is still summertime at the Ocean. We will get to see vendors setting up for the event. We'll have fun in the sun at the ocean and explore Long Beach.
