

Four Corners Unit (4CU) Total Solar Eclipse Rally

Come Prepared

This will be DRY camping. There will be no honey wagon service. Porta-potties and hand washing stations will be on site. Make sure your vehicles have been serviced and fully fueled (gasoline/diesel, propane, etc.) plus your fresh water tanks are full and your black and gray water tanks are empty before arriving. Supplies should include everything that you would normally pack for DRY camping in a remote area such as food and water, first aid supplies, medications, flashlights, etc. There are no lights in the campground; bring flashlights.

Due to the large influx of visitors to Lampasas, do not plan to stock up upon arrival. Stock up prior to entering Texas since supplies, cash, fuel, and restaurant meals may be limited or have long wait times due to high demand. Cell phone and internet service may be disrupted. No internet means no credit card or ATM processing. Bring cash.
