Presidents Message

by Don Allers

This is my favorite Airstream photo and one of my first memories with our club. This was the destination of our family's first outing in our own Airstream; a ten day caravan to the 2016 Region One Rally in Montmagny, Quebec.

I remember when Eileen called me at work to tell me that she had joined the "Airstream Club." She had received a phone call from a lovely woman named Sandy and signed us up to travel to Canada with them in June. We hadn't even picked up our Airstream from the dealer yet, and I was perplexed. I grew up trailer camping in Idaho where that meant driving deep into the mountains to get away from people. But my ladies all thought it was a good idea, so off we went.

What a trip! Everyone was so welcoming, patient and generous with us newbies. I learned more about our Airstream from others on that trip than I could have learned from a dozen books. The four of us had a blast sightseeing on our own and also thoroughly enjoyed the group time to chat, eat, laugh and explore together.

Our Airstream was well down the line in this picture. There we were, parked awning to awning in a hockey arena parking lot; and it was one of the best camping experiences I've every enjoyed!

Flash forward to April 2024, and it's time for our club to hit the road again. Our first camping event of the season is the Boondocking Rally at the CAMA Spring Power Up in Kent

April 26 - 28. Then May is a busy month with both the region gathering and our club's spring business meeting and Southwest Fiesta Rally at Charlie Brown. Be sure to check out the schedule and plan to come join us. If you are new and skeptical like I was when Eileen called me in 2016, just give it a try... you won't regret it!

In other Club news, be sure to check out Bard's Region One Newsletter. There is a lot going on at the region and international level and we are fortunate to have a region president so focused on communication and keeping us up-to-date.

And finally, I want to express a hearty thank you to Joyce and Gilles Rousseau for hosting, feeding and entertaining us on St. Patrick's Day. Joyce was our caravan leader on that formative journey our family took to Quebec in 2016. Every time we are lucky enough to visit with the Rousseau's, I'm reminded that the many friends we made on that trip and throughout the club are among our very favorite people!

BRN - 2025

Bob & Andrea Curran are affiliate members of our Connecticut Airstream Club with the Metropolitan New York Airstream Club as their home unit. They have been enjoying the relative warmth here in Florida at Travelers Rest Resort and plan on doing so again next year, the year of their BRN.

During a recent conversation with Bob I learned about his authoring articles for the Blue Beret, revealing that I had only perused rather than, well, perused our club magazine.

Checking out the beverages are Rhona Fuller, Bruce and Kris Fletcher, Bard Fuller and Candle French.

An Irishman is struggling to find a parking space.

"Lord," he prayed. "I can't stand this. If you open a space up for me, I swear I'll give up the Guinness and go to Mass every Sunday."

Suddenly, the clouds part and the sun shines on an empty parking spot. Without hesitation, the Irishman says: "Never mind Lord, I found one!"

A priest is driving back to Dublin when he gets pulled over for speeding.

The Garda approaches the window and sees an empty wine bottle in the passenger's seat.

The priest rolls down the window and a strong smell of wine wafts out.

"Have you been drinking, Father?" asks the Garda.

"Just water," replied the priest.

"I can smell wine, Father," said the Garda.

The priest looks from the bottle to the heavens. "Good Lord, he's done it again!"

HAPPY SPRING! Let's get those Airstreams ready to roll.

Congratulations to **BARD & KATHY FULLER** as the proud owners of a new Airstream Rangeline, way to go! And also to **DICK WHEATLEY** on the purchase of a new 23' Flying Cloud and Ford F-150 truck. It must be the Spring Buying Fling. Along those lines, **GLEN & CHRISTINE LESSIG** have purchased a site in the Cabana Area, 13-04, and are now a part of the TR family. Congratulations! Glad to see our affiliates **BOB & ANDREA CURRAN** as first time visitors to TR. The more, the merrier.

Dick Bartram

Sending get well wishes to **BERT CONTRACTOR** on his recent shoulder surgery; In time he will be hitting home runs. Also, wishing **RUSS FULLER** a smooth recovery from his hand injury, ouch.

On a sad note, our dear friend and member **DICK BARTRAM** has passed away on March 15, 2024. He was a member since 1987, Charter Oak CT President in 1993, Region 1 President in 2000 to 2002 and International Treasurer in 2005. Always a gentleman who was kind and caring. Sending our deepest condolences to the family. And, also sending our sincere sympathy on the passing of our affiliate **BILL CLEMENTS**. He and his late wife **SANDY**, were members of Cape Cod since 2015, and will be missed.

Hope your St. Patrick's Day was GREEN and tasty.

Fullers got a new ... what?

Russ gets an award!

Tell me if you think Kathy and Bard look happy with their brand new Airstream Rangeline.

Right after Russ was pronounced a member of the New Britain Elks Lodge he was called back up and presented with The Medal of Service Award in recognition of 50 years of volunteer Firefighter service. This was the first recognition award given out and also the first one given to a brand new member in Elk history. Congratulations Russ on your amazing career in the Fire Service...so proud of you. 🍌🍌🍌 ~ Rhona Fuller

Region One News

by **Bard Fuller Region 1 President**

Greetings Region One Membership,

Even though our Airstreams are winterized and in storage, with the new year we are full of vitality in planning for what adventures await!

Upon the release of the registration for the Region One Gathering I was in awe that all 50 sites sold out within 36 hours. I totally misread the appetite that our membership has for such an event. Traditionally, we have a full blown region rally hosted by one of our local clubs every other year (odd number years). Statistically, over the last ten years region rallies have averaged ~73 Airstreams in attendance.

The even number years have been denoted as Gathering years. These are scaled back events with limited food, entertainment and no seminars that have been the hallmarks of a full Region One Rally over the years. The gatherings are hosted by a single individual, most often the region president, and are for the specific purpose of the required Region One business meeting. These gatherings have generally averaged ~37 participating Airstreams. I thought for sure that when I contracted for 50 sites for 2024 that there would be ample sites. I was obviously wrong. Going forward we will need to reassess the number of participants expected. More about this will follow at the Region Gathering.

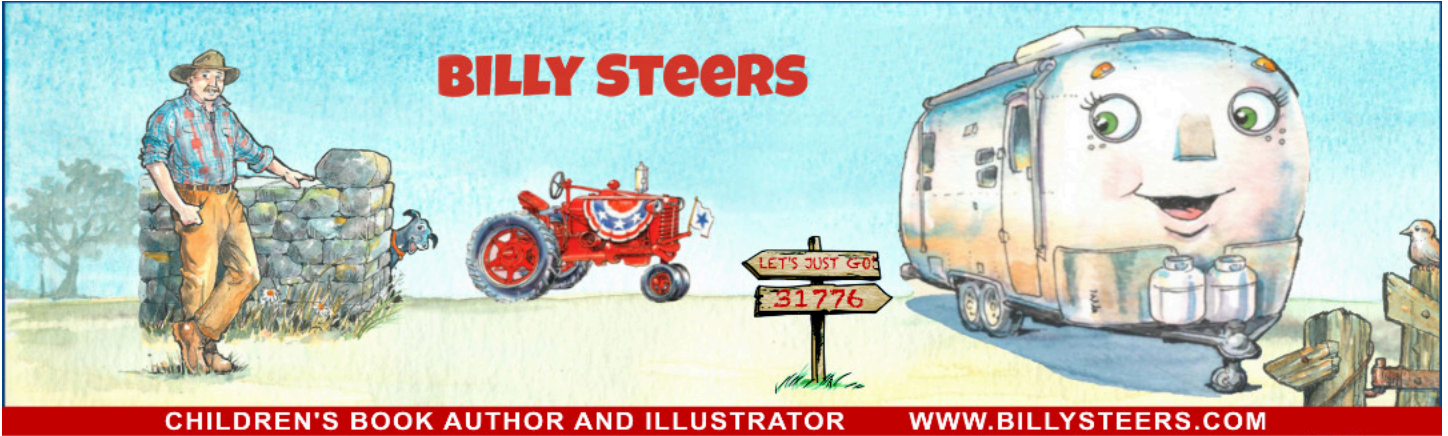

Note that we have been able to register all the Region One officers and a representative from all our local clubs for the region business meeting. For those who did not make the registration cut, they may put their name on a wait list as it is likely there will be some cancellations.

Now, about the Region One leadership. I regret that the Region One Executive Board had to formally remove R.J. Dominic as the Region One 1st Vice President. R.J. knowingly did not renew his membership in Airstream Club International for 2024. Times change and interests may also change but we wish him the best with his future endeavors.

This past fall Eddie Carll, our current Region One 2nd Vice President, took over the leadership of the Cape Cod Massachusetts Club. He plans to fulfill his two-year term as Region One 2nd VP which will be ending at the end of July 2024 but not run in the Region 1 election this spring. I admire his strong belief that his time and efforts would be best spent in rebuilding CCMAC's vitality.

This brings us to the current election of our Region One officers. With Eddie's and my terms expiring this summer, we will be having to fill three elected positions. The Region Nominating Committee is composed of Eddie Carll, Carol Dubrowski, Past President of the Connecticut Club and Tess McShane, Past President of the New England Club. The Nominating Committee has recently reviewed the submitted resumes and have endorsed the three candidates seeking positions as region officers. They are Michael Giunta seeking the president's position from the Northeast Mountaineers, Rich Collins from the New England Club seeking the position of 1st vice president position and Diane Maillet from the Quebec Club seeking the 2nd vice president's position. Elections will take place through your local club in April. Write-in candidates are always welcome. More about the election will be provided by your local club president in the next several weeks.

A special salute goes out to Per Hamnqvist who has resigned from the International Executive Council. Per gave tirelessly to the club locally, regionally, nationally and internationally. He has been a past International 1st VP and International Treasurer. He has been seated on the Executive Board/Council for the past 4 years. Per has been a wonderful mentor of mine and an inspirational motivator for the entire International Board of Trustees as he quietly moved ACI forward. Although Per has resigned, he has assured me that his love of the Airstream way-of-life will remain as he continues Airstreaming while enjoying a better life balance.

Did You Know?

ACI Courtesy Parking Program will be powered by Harvest Hosts

The Airstream Club Courtesy Parking program is migrating to a user-friendly platform operated by Harvest Hosts late this summer. Why has WBCCI/ACI decided to partner with Harvest Host? Our Courtesy Parking program has been around for several years, but Hosts have been disappointed that they may only have one or two guests a year.

Many of our members belong to Harvest Host and say as guests, website ease-of-use and detailed location information are the primary reasons they stay at Harvest Hosts versus using the Courtesy Parking program.

Our website does not have the capability offered by Harvest Hosts to plan trips, post reviews, include large photo files, etc. and the cost for our club to offer a Harvest Host website experience would be over 6 figures! Harvest Hosts recognizes the Airstream Club as one of the most successful, premium RV product clubs and was enthusiastic about offering their expertise and experience as the latest benefit to us as members.
