March 2024

Another Great Rally, but first a few Shoutouts!

The Great Joker Player, Lathia Porter, who I understand just can't be beat. It was so good to see you and Lynn back Rallying with us. (We love you guys)

One of our original members, "Them Holden's" finally graced us with their presence. Wow, it was so great seeing Fergus. Let's hurry up and get Fergus's parents signed up to host ASAP. 🤝

We had visitors from Keystone Pa. Airstream Club with us this weekend, Joel and Patti Burkholder and Turbo their super handsome well behaved Brindle Boxer. It's too bad we can't get them to move down this way and join our club, it was so great having them. I almost forgot about Jack and his new fetish; his brand new 2024 Basecamp, because what real man doesn't need TWO Airstreams. Congratulations Jack/Sorry, Deborah. 😎 Just a couple more people to recognize, Ronnie, we are so glad you're back with us after your shoulder surgery. Mark & Jing Weaver, we are glad you had safe travels and made it back from China after visiting family for 3 months.

Now, in reference to this weekend, I'm not sure where to start. We were blessed with perfect weather both day and night, although a few did say it got a little to cool for their liking at night. We had a little bit of everything at this rally to include: pickleball, walks, throwing horseshoes, shopping, and bicycle rides. A few rode around a lake and another group rode along the Saluda Riverwalk. One adventurous member decided to ride his bicycle off a bridge into the water. Obviously, Marvin had a great story to share that evening around the campfire.

OMG, the food every night just kept getting better and better. Thursday was BBQ w/ sides, Friday was super potluck, and Saturday morning we had pancakes w/ sausage, Saturday night we had some of the best smash burgers you could ask for, shout out to the men on their Blackstones. The stories around the campfire every night also just kept getting deeper and deeper 🤔 sorry I mean better and better. Great time with Great people, that's what it is all about! Now, some of us need to start getting ready for the Region 3 Rally in Doswell, VA.

INTERNATIONAL RALLY: Darlene has been asked by Jim Cocke if we would host the morning coffee table at the International Rally in Missouri. He thought it would be great since we are the newest club for 2023. We would love to have a good representation from LAC. We have 12 members who plan on attending at this time.. Here is a link to register: <https://airstreamclub.org/rally2024>

UPCOMING RALLY

Lake Wateree State Park: We will have our normal rally schedule, happy hour 430pm on Friday and Sat. Saturday: Breakfast-830am and Dinner-530pm. Times are subject to change per host or weather. Campfires every night, just look for the Solo Stoves. If you haven't already figured it out, there may be bike riding at all rallies, so bring them if you have them.

RSVP: Please RSVP to Ronnie Buddin at rbuddin@ftc-i.net. I heard he will be making Fish Stew.

IMPORTANT INFORMATION: Since so many members are going to the International in October, it was agreed to change the October rally from Table Rock to Little Pee Dee State Park. This state park will be closer for most members. Those of you that will be going can decide on a host or just have a potluck.

FOR SALE:

We will have limited supply of 5-inch logo stickers available for \$3 a piece and buttons for \$1. Please see Tina.
