April 2024

"To place the great wide world at your doorstep for you who yearn to travel with all the comforts of home."

Wally Byam Creed

President's Letter

"When it is obvious that the goals cannot be reached, don't adjust the goals, adjust the action steps."

- Confucius

When I agreed to the presidency of this club, I had one goal: to get more members involved. That goal has been slow to fruition, so I am looking for new action steps. Our attempt to have people sign up for assistance "mentors" has not received the enthusiasm we expected. Now I am thinking of asking active members to make personal calls to new members and invite them to join us at a rally. I will be asking for ideas at our next council meeting. At our last council meeting, we planned for our responsibilities as a club at the Region 9 Rally. We will be helping out with breakfast on Thursday and assisting in facilitating the meetings and clean-up that day. We will also have a NTxAC lunch on Saturday. I am looking forward to our whole rally trip from Coffee Creek to Fredericksburg to Bandera! I hope that I can represent our club well at Region 9. In life, I much prefer to work back stage than be on stage, so your support is most welcome.

We also discussed with the council that it is time to start considering nominations for next year's officers. I am looking for a nominating chair (this does not necessarily mean you have to serve as an officer, just find people that are willing to serve!) If you are interested, please email me at allanapat@msn.com.

Another point of discussion involves the National office. ACI has adjusted some action steps on their finance goals. There is a proposed amendment to the constitution to change the position of Treasurer to a non-voting financial officer. As the membership grows, new improvements are planned for the club, and the accounting demands become more intricate. The International Board of Trustees believes an experienced person should fill a new position of CFO. Please look for the opportunity to vote on this proposed amendment sometime in June.

Our minutes are posted on the North Texas ACI website if you are interested.

I give a warm welcome to all our new members. Hilary Shipman joined a few days ago, and Tom tells me she

has already made a reservation for Grapevine in December!!

It seems I put a new member on the email list every week. I certainly hope you will all come join us at a rally and find out what a warm community our club can be. If you want a laid-back "Margaritaville" experience, join us in Glenrose June 7-9 and bring along your swimsuits. The margaritas will be cold!

It is time to get ready to set out to Bandera!

See you down the road.

Happy Spring!

Wash those shiny aluminum beauties and get out on the road! If you're looking for somewhere to go, join us at this weekend's rally at the Coffee Creek Resort in Santo, TX. Check out the rally schedule just a few pages away and see the fun planned. Our rally hosts work so hard to find interesting things to do and create schedules for both free time and group time to make new friends.

For those of you who don't always make it to the last page of the *Roundup*, do so this month. **Co-editor David** always weaves humor into educating you about the Airstream world and its presence on the web, but this month's Airstream Club Primer is especially helpful.

The Summer by the Pools Rally June 7-9 in Glen Rose promises to be totally relaxing after a busy Spring. Spaces are still available, so make your reservations now! In closing, here's my monthly plea: send us your Airstream trip photos and stories of your adventures. Life's much more fun when joy is shared. Send them to aec2you@gmail.com. Thanks for reading, y'all! See you down the road.

David and Amarylis Fain, BRN 13198

We purchased our 1st Airstream 30' Classic in April 2023. We have been traveling 6 months every summer for the last 6 years. Our Airstream travels this summer will be taking us to the Western US, Canada and Alaska. We have a traveling partner, our cat, Bella Rose. David's hobbies include running, hiking and reading. Amarylis's hobbies include hiking, sewing, and cooking. We are enjoying the Airstream life and are looking forward to meeting other Airstream owners.

Sean and LoriJean Reed, BRN 03695

We are Sean and LoriJean Reed. We live in Dallas with our two dogs, Teddy and Madeline. Teddy is a Brittany, and Madeline is a Brittany mix.

We are in our first Airstream, a 2022 International 27 FB named AeroDyna. We call her "Dinah" for short. We picked up Dinah on New Year's Eve 2021. Our first excursion was to The Range Vintage Trailer Resort in Bristol, TX. We learned on this first outing that the Airstream community is something ex-

traordinary. We made a handful of freshman mistakes on that shakedown trip, but thankfully we had help from our new Airstream friends! Both Dinah and the Reeds came out relatively unscathed.

Since then, we've taken Dinah to Austin for the Moto GP, Tulsa for the PGA Championship, North Carolina, West Texas/Big Bend, Southern New Mexico, Southern Arkansas, and Cape San Blas on the Floridian Gulf Coast shore. I'm currently plan-

ning an autumn trek to Georgia and South Carolina.

At home and on the road, we like to visit with friends and family, play golf, do some sightseeing, and taste the local cuisine! We also like to seek out unique RV sites and experiences. Some of my favorites have been in a historic ranch in New Mexico, on the beach in Florida, atop a mountain overlook in North Carolina, and trackside at the Circuit of the Americas.

Richard and Rita Johnson, BRN 01279

Rita and I are both college sweethearts. We got married as Juniors at Texas Tech in 1969. We have two children: Katie is a special education teacher in Lewisville ISD, and Marcie is my law partner at the Johnson Firm in Richardson where we specialize in estate planning, probate, and elder law.

I have been camping in Air-streams since 1966 when my grandparents took me around the United States and Canada in a 17-foot Bambi. Rita and I bought our first Air-stream in 1982 which was a 1974 27-foot International. We upgraded to a large Silver Streak in 1987 and bought our current 1999 28-foot Excella Classic new in 2000. We have completely updated this trailer. We've traveled to both coasts and up north as far as Montana, South Dakota, Idaho, and Washington State. We love to hike in the mountains and just be outdoors. We keep our trailer at Thousand Trails on Lake Tawakoni which is about 45 minutes away from where we live in Rowlett.

We have a two year-old mini Golden Doodle name Cooper who also loves the trailer. We look forward to meeting more Airstreamers.

NTxAC Members In The News

Our members **Jeff and Maribeth Pappas** were featured in an Associated Press story about their decision to travel to The Range in Ennis for the 2024 Solar Eclipse.

AP reporter Jamie Stengle interviewed them at their campsite at The Range for a story that ran in hundreds of newspapers across the country. In addition to the AP interview, Maribeth was interviewed by Amelia Jones of Dallas's local FOX affiliate, Channel 4, and was quoted as saying, "It's one thing that seems the whole state of Texas has really rallied around. Everyone is really excited about it. It's covering so much of our state. Literally, a million plus people are coming to Texas for this."

The Pappas's are regular guests as well as big supporters of The Range. During their eclipse weekend celebration they gifted The Range staff and guests with customized eclipse koozies and caps.

Editor David's Airstream Club Primer

April 2024 : How About Another Website Tour?

Did you find last month's walkthrough of the NTxAC website helpful? How about some more of the same? I've heard that some people are confused by the ACI website. Seems they get lost or have trouble finding what they're looking for. Let's try and do something about that.

Remember back in the old days when Netscape was King of the Browsers and Yahoo! was the place to search? No? Well, back in the old days, most websites had a page called the Site Map. The Site Map was an index to the entire site. Made stuff easy to find. What ever happened to Site Maps? Probably got tucked away in a closet next to outdated encyclopedias. I guess smart-alecky programmer kids know better these days. Hey, smart-alecky programmer kids, give me back my Site Maps ... and get off my lawn!

Er, sorry about that cranky old curmudgeon digression, but I did have a point. And the point is, let's walk through the ACI website together and build our own Site Map. It could help you find things more easily. The ACI site is much deeper than our NTxAC site, so this will require a series of columns. But, as the old Chinese proverb says, "A journey of 1000 pages begins with a single click" (or something like that), so let's get started.

I'm going to begin with the members-only section. Here, you can verify information about yourself, your account, and other members. Go to <https://airstreamclub.org/> and click Login. After entering your user name and password, the first page you'll see is the Membership Dashboard. At the top, the dashboard shows links to several directories—Big Red Numbers (BRN); Membership; and Courtesy Parking. When you see an Airstream with a BRN displayed, use the BRN Directory to find out who owns it. You can then look up their profile in the Membership Directory. They might be someone in your unit or a unit a thousand miles away. Use the Courtesy Parking Directory to see if a club member offers free overnight parking near where you'll be traveling. The remainder of the dashboard page shows two boxes containing some of your account and membership details.

Now go back to the top of the page on the right side where you'll see a drop-down arrow next to your name. Click it to see the following menu items:

- Membership Dashboard
- Account Information
- Membership Information
- Join as and Affiliate
- Join an Intra-Club
- Personal Information
- Preferences
- Airstream Information
- Log out

We'll cover each of these in more detail next month. See you down the road.

NTxAC April 2nd Business Meeting Minutes

Roll Call

- Attending: Allana Patterson, Mike Hooker, Edward Wilson, Maxi Millican, Henry Wilkins, Tom Jensen, Jill Fearing, Dan Dice, Maribeth Pappas

President's Report - Old Business

- Made it through the Dublin Rally and had fun despite the weather.
- Bruce and Michelle Toney have visited Coffee Creek and there are 11 rigs so far. We need 15 rigs to get the \$40/night rate; otherwise we will pay \$50/night.
- Allana Patterson is hosting the Dinosaur Valley Rally - 6 rigs so far, and we will go ahead and have the event even if it's a small one.
- The Club votes were turned into Region 9.

Reports

- VP Mike Hooker on Region 9 meeting: Mike and Maxi Millican were at the Region 9 Prepping for Bandera meeting. May 2 will be the day that we provide volunteers for the event. We will man the coffee station starting at 7 am and will be responsible for trash and setup before and after meals. We need Blackstone griddles. May 4 we will have a Region luncheon. There will not be any golf cart shuttles. Allana will make a "President's basket" with Debbie Hooker's help for the auction. Dan moved that the club provide the \$100 to buy the items for the basket and that motion passed. There was discussion about the fact that the plan to do a joint beer event with the brewery did not work out, but there is to be a wine and beer swap event and that ice would be needed. The money that was approved for the joint beer event can now be used for ice and supplies needed for the swap event. Everyone is encouraged to vote for the National Amendments June 20-27.
- Social Media - Maribeth Pappas will add event pages for the upcoming rallies. Allana moved that we change the Facebook qualifying questions for our private FB page to require that the applicant is a paid member or affiliate member of the North Texas Airstream Club. Maribeth seconded and the motion passed unanimously.
- Treasurer - Ed Wilson reported that all was good with the account.

Current Business

- Plans for the Installation Rally at The Boulders: there was discussion as to whether a rally fee would be charged. It was determined that it had already been decided that the rally hosts will determine whether or not a rally fee will be charged. That decision will be made by our co-hosts in conjunction with the host from the East Texas Lakes region.

Adjournment

- Maxi moved to be adjourned and the meeting was adjourned.
