

ENRICHING LIVES SINCE 1955

The idea was simple: Traveling with friends that can share experiences and help you out along the way is a fun way to see the world. Rallies soon followed, and the rest is history.

Inspired by the International Caravans of Wally Byam, creator and founder of Airstream, the Club was chartered in 1955 in Kentville, Nova Scotia, Canada during the Wally Byam Eastern Canadian Caravan.

Helen Byam Schwamborn, one of the 80 Charter Members, organized and supported the Club until 1979.

So, here we are, and we can't wait for you to join us!

"Don't stop. Keep right on going. Hitch up your trailer and go to Canada or down to Old Mexico. Head for Europe, if you can afford it, or go to the Mardi Gras. Go some place you've heard about, where you can fish or hunt or collect rocks or just look up at the sky."
