A Word from our President

We have arrived home from a relaxing trip to South Padre Island, Texas. We were able to spend time with many of our Airstream friends. Unfortunately, we did have some trouble with our truck; that pesky notice that tells you something is wrong, then tells you to check the manual, then tells you to get service NOW. We had that on the way to Texas, then got work done (thanks Hugh for the mechanic suggestion). Then we had more messages on the way back. It has been at our local Ford dealer since we got home.

We cut our trip a few days short, so we could drop the trailer at home, then drive up to Chicago to meet our new granddaughter. Harriet Eloise (Hattie for short) was born February 8. Everyone is doing fine, and we spent two and a half days taking turns holding her. Our daughter's baby is due in about six weeks.

We are back home, and back to work (Rick just has until the end of the month until he really retires.) It is almost time to get the trailer ready for our first rally.

The Region 8 Rally in Branson is just around the corner. There are still spots available. It will be a fun filled rally. If you haven't registered yet, please plan to do so.

The International Rally in Sedalia is almost full. If you are planning to attend, and would like to camp with the club, please plan to arrive on Wednesday, October 2. If you need to, you can call Headquarters, and add a day or two to your arrival, in order to enter with us. Contact Joe Hauser (hauserconstructioninc@yahoo.com) as he is coordinating our group arrival.

With this newsletter, there will be a copy of our Medical Emergency Form. This is a form that was instituted last year. It

is completely voluntary to fill out. You are asked to fill out a form for each rally participant, put it in a sealed envelope with your name on it, and turn it in to the rally hosts at the beginning of the rally. It will be returned to you when the rally ends. In the event of an emergency, the necessary information will be available for authorities or first responders.

I hope to see you at one of our upcoming rallies!

GSLAC President

St. Patrick's Luncheon

Our St. Patrick's luncheon took place on Saturday, March 9, at Fallon's Irish Pub and Grill in Olivette. This event was hosted by Bill and Kathy Wharton. They filled our room with festive Irish decorations. Even this Italian girl felt a bit Irish. We had around 30 participants, who enjoyed good food and good friends.

April Eclipse Rally

Dale and Kay Haudrich, and Drew and Rose Garland, are busy planning this rally. (Due to their travel schedules, information will be coming to those who registered for this rally after March 22.)

Some things to be aware of:

- This is Dale's farm field, that he has been busy preparing for us to gather and park on.
- The local insects will be active at this time, so make sure that you have repellent.
- It might be a good idea to wear hiking boots, or shoes with socks that cover your ankles. (Flip Flops are probably not a good idea.)
- Bring outdoor yard games.
- Your hosts have already acquired special glasses to view the eclipse, so it is not necessary to get your own.
- Reservations are still being accepted. Please sign up soon, so you will be included in rally information emails.
