A Word from our President

This is always a busy time of year. We put away winter, and seem to jump right into summer. We have taken part in two rallies this year already, watched the Cardinals play (they won when we were there), and are getting ready to plant flowers in the yard. Our daughter had her baby on April 20. Little Ozzie (Oswald Francis) is doing well, and being hovered over by his two big brothers.

Last week, the Region 8 Rally took place in Branson. The rally was great, with 49 Airstreams in attendance. It is always nice to get to know members from Region 8's other clubs. We spent the rainiest day traveling from place to place in busses. The entertainment we saw was First Class. The gathering place at the campground was spacious and very nice. Our annual Auction was a lot of fun, and raised over \$700 for 'Common Cents for Kids'. Our Region President is already hard at work trying to plan next year's rally.

The Region Rally was such a success, in part, to the knowledge and advice given to Rick by Glen Waters. Glen was unable to attend the Rally due to health problems. He has been in and out of the hospital this spring. He probably will not be able to join us camping until the summer. I'm sure you join me in wishing him well.

The Rally at Bill Thomas is just around the corner. We have a nice crowd expected and are taking names on a wait list. Billi Jo Eubanks has a fun weekend planned. That will be followed by the June Rally, which is being hosted by the Healds, and Rick and me. There are still spots available, there. This location is near Peoria, and we have a exciting things planned.

It is always fun to meet up with our Airstream friends. I hope to see you soon. Safe travels!

Steve's Texas Trip

I had never been to Texas so I loaded up the parents (not recommended) and headed into new territory. The plan was to catch the spring bluebonnets in the Hill Country and they did not disappoint.

We left the Hill Country and headed down to Big Bend National Park where we were surprised to find 7,000 foot mountains climbing out of the desert.

From Big Bend we left the desert and passed through the oil fields of central Texas into the wheat fields of the panhandle, dropping deep into Palo Duro Canyon.

A highlight of the trip was the Joseph Williams Tallgrass Prairie Preserve just north of Pawhuska, Oklahoma where we enjoyed seeing this year's bison calves.
