WBCCI - Unit 059

April 2024

President's Message

It's time to get on the Road!! Jill and I are currently in Waco, Texas, just before we head for the **Eclipse Rally** in Hillsboro. I know others are going to be there too. And others are heading to Arkansas. *All the Eclipse Rallies should be fun.*

Then on to Branson for the **Region 8 Rally** starting on April 24th. The events that are planned will make for a memorable Rally to be sure.

Then, starting on May 2nd is our **Mo-Kan Spring Rally**. This year, we're going to have a "Fixit" day on Friday. In the morning, we'll have several seminars on subjects related to our Airstreams. Then in the afternoon, we all will have the opportunity to either help with Fixit projects, or receive help from your fellow club members on items you might need fixed - and could just use some help. If you have items on your trailer you need help with, please let me know.

Friday evening will be a catered *BBQ dinner*, Saturday will include a *Continental Breakfast* followed by a board meeting and a general membership meeting. In the afternoon, **Dustin Whitney** will share his thoughts on Equal-i-zer hitches and flat tire issues. Then, in the late afternoon, we'll be going to the *Serenity Valley Winery* for an evening of entertainment with Columbia's own *C Rock City Band*.

**The Rally should be fun for all.
I'll see you there! - Ed**
