MANDA LYGHTS, PRESIDENT'S MESSAGE

Greetings Fellow Airstreamers, Camping season is officially underway. We appreciate everyone who attended the Games & Wine and Garage Sale rallies in Woodland, WA. You can't beat camping on the Columbia River.

We hope to see you at the CINCO DE MAYO rally on May 3-5. Due to the closure of Harmony Hall, the rally will be held outdoors, at the Washington Land Yacht Harbor. Our membership meeting will be held on Saturday, May 4th at 9:30 am via zoom. A link to the meeting will be sent in a separate email.

We are adding a new rally to the schedule in August. Mark your calendars for The Morton Loggers Jubilee on August 8,9,10,and 11th in Morton, WA. We are finalizing the details and will open registration in the coming weeks. Stay tuned for more information.

We would love to hear from you! If you have a favorite place to camp or are interested in hosting a rally, please contact Lesa Welcker via email at lesawelcker@hotmail.com. We are always looking for new and interesting places to camp.

Happy Camping! Manda Lyghts

HARMONY HALL UPDATE

The Board of Directors is committed to keeping the membership and residents informed on the status of and updates to Harmony Hall. Presently the Hall is still rafters and studs; things will begin happening in the next few weeks. We have two permits in the Thurston County pipeline – fire suppression and insulation. After they are approved, the infrastructure part of the restoration will begin. While contracts are yet to be signed, we are closing in on the costs, and we hope to begin construction by the first part of May 2024 and completed in August 2024. As with anything, these plans and the timeline are subject to change.

Liberty Mutual (our insurance company) is paying for replacement costs and upgrades that are required by code. There are other upgrades that are being considered but are not fully covered or not covered at all. For example, the east and north windows are single-pane and now is the time to upgrade to double-pane; but this upgrade is not covered by insurance.

The volunteer design teams have researched lighting, electrical, audio/video, acoustics, furnishings, and paint colors. I thank all of them for their hard work and ideas, many of which will become a reality. While this restoration will not be completely covered by insurance, this moment-in-time to update Harmony Hall and keep it viable for the next 50 Years is a once-in-a-century opportunity. The extra costs will be financed through capital improvements and the reserve funds. This may well be a multi-year project to finish, and, in order to minimize and hopefully eliminate the need to cut back into the walls or ceiling, updating and upgrading the infrastructure now is the most cost-effective method for the long-term.

Lee Wyman, President, Washington Land Yacht Harbor Board of Directors
