PRESIDENT'S CORNER

STEVE THOMPSON
BRN 19771

021CACpresident@gmail.com

Greetings to all CAC Streamers,
May has been an active month for our club as we had two scheduled rallies. However, these rallies were bridged by Mother's Day. Honoring our mothers on this special day is the least we could do for the ladies who instilled in us a sense of adventure and values.

We had a fantastic rally at Falls Lake/Holly Point State Recreation Area. Not only did we induct several new members and celebrate the Kentucky Derby in our own special way, but many of us pitched in at a service project for Hope Reins. To learn more about Hope Reins, visit the following site: <https://hopereins.org>. Rumor has it, pain medications helped some of us get through the rest of the weekend's activities. A special and sincere thanks for both an entertaining and rewarding rally goes to our hosts (Tim & Kristen Hoyle and Dave & Denise Lorenz). By the time you get this newsletter, we will have already started our Holden Beach rally at Seabreeze RV Park. A quick look at the agenda put together by our hosts (Doug Bevell and Janet & Ed O'Neil) looks very promising.

If you haven't been to any of our rallies this year, please try to attend as many as possible. If you find our rallies are full, contact our hosts and get on a wait list. Take a moment to reflect on the reasons you bought an Airstream and joined our club. Meeting new friends and making memories will most assuredly be at the top of that list.

Have you ever heard of Augustine of Hippo? Perhaps you know him best by Saint Augustine. As a writer and known speaker, he left a lasting impact on many. He was the patron saint of brewers, printers, theologians, and a few cities back in medieval times. In his words, "The world is a book and those who do not travel read only one page." Start by adding some pages to your personal book as we rally together.
Safe travels. Steve

New Members Inducted at Falls Lake Rally

From left to right- Don and Carol Hambridge, Heidi Utley and Thomas Kadauke, John and Shannon Roberts.

Photos from the May Rally's

Since the last newsletter we have had 4 great rallies! Kerr lake was beautiful and so relaxing, many thanks to Debbie and Jim, Region 3 was loads of fun, especially getting to see Bob Hoffman installed as 1st Vice President. Trot to Tryon was awesome, Skip and Denny did an fantastic job, and last weekend we had a spectacular time at Falls Lake, David, Denice, Tim and Kristen were super hosts - we had a great time.

Next up is Sea Breeze near Holden Beach. Our host, Ed and Janet O'Neil and Doug Bevell, have a great rally set up at a well laid-out, sparkling new campground. After that is Endless Caverns in New Market, VA. Our hosts there, Steve and Melinda Downie, Bob and Cindy, have posted an exciting agenda. There will chances to raft the Shenandoah, hike, swim and explore the caverns. After that is Cool Breeze hosted by Rick and Marsha Morgan. We always have a super time in the mountains at Galax. The last rally in June is Waterfalls Galore in gorgeous Lake Toxaway. Our hosts there, Dave and Sue Schoenecker and Layne and Wanda McMillan, have been working on this agenda for months - we will have a super time. The agendas for these four rallies are shown elsewhere in this newsletter. All of these rallies have space available except Waterfalls Galore, so sign up quickly if you want to go. They all sound like great fun.

And don't forget our Carolina Mountain Jamboree Joint Rally with the other Carolina Clubs at Palmetto Cove. Call the campground (803-242-6125) to make reservations. Then go to the CAC website to register.

See you soon!

Hi Streamers! I hope everyone is enjoying the Rally Season. I am hailing from MA sans SoStinkin'Cute! The weather is cooler this part of the US. I'll be heading back to NC next week and then off on a 3.5-week Airstream trip – 4 campgrounds which includes 2 rallies. The last campground is in Hot Springs NC – one of my most favorite places to ring in my 6th decade on this planet. I'm looking forward to getting on the road.

Please continue to keep those in mind among us that are dealing with health and life issues. Prayers, cards of encouragement, offers to assist if you are able are all greatly appreciated.

If you or someone in the club you know is celebrating an event, dealing with a not-so-good event, please reach out to me as I send cards on behalf of CAC and share the news – but only if they give me permission.

Safe travels everyone!

MEMBER SPOTLIGHT

Larry and Norma Thrower
BRN 1974

The Big Red Numbers on Larry and Norma Thrower's Airstream is '1974', the year the Throwers married. To mark their 50th wedding anniversary this year, Larry and Norma are taking Sunshine to Alaska (Sunshine being the name of their 2019 30' Flying Cloud they tow in search of sunshine all year!) After retiring from the US Navy (active duty for Larry, civilian for Norma), and then the National Park Service, Larry and Norma continue to be associated with National Parks as camp hosts (two seasons at Zion and two seasons at Acadia so far). Larry and Norma take advantage of a work schedule that gives them blocks of time to enjoy not only the parks, but the surrounding areas as well. When not volunteering as National Park Service camp hosts, the Throwers volunteer in various ways while home on the coast of North Carolina: Larry on the battleship North Carolina docked in Wilmington, and Norma with the Emerald Isle Sea Turtle Patrol, for example. Even during a rally, the Throwers find opportunities to volunteer. During a recent CAC rally, Larry and Norma volunteered at Hope Reins, a facility that "serves children in life crisis through a 38-acre ranch, rescued horses and restoration in Christ."

As newcomers to ACI and CAC, Larry and Norma find the members very warm and welcoming. That's not to say there isn't a learning curve associated with the club and rallies: service, and setup and GAM? Oh no!

As it happens, someone with whom Larry was stationed while in the US navy 40 years ago is the reason the Throwers have an Airstream and know what to expect at a rally! David Lorenz, and his wife Denise welcomed Larry and Norma to the International Rally in Fryeburg, Maine. The Throwers arrived with their 3-year-old motor coach and left with the decision to sell the coach and buy an Airstream. To this day, David and Denise have taken Larry and Norma under their wing to help them navigate the world of Airstream, ACI and CAC. Larry and Norma enjoy journaling, scrap booking, photography and reading ... and, of course, traveling with their rescue dog, Robbie, a Jack Russell/English Pointer mix.

Luckily, Robbie enjoys traveling as much as Larry and Norma do.

Those of you that attended Trot into Tyron and enjoyed Denny Crowe's chocolate chip cookies she wanted to share the recipe. I got this recipe from my back door neighbor, Debbie Phillips, on Lookout Mountain, over 40 years ago! I have been making them for that long! They are hard to beat! They have gone to everything from second grade classes to being mailed to children at college!

From the kitchen of: Debbie Phillips 1990'
Recipe for: Mrs. Fields' Choc. Chip Cookies

Cream Together: 2 cups real butter
2 cups sugar
2 cups brown sugar

Add: 4 extra large eggs
2 teasp. vanilla

Mix Together: 4 cups flour
5 cups oatmeal (powdered)
put oatmeal in processor, measure
oatmeal whole, not powdered

1 teasp. salt
2 teasp. baking powder
2 teasp. baking soda

Mix: all of the above together

Add: 24 oz. bag of good choc. chips

(optional) 3 cups chopped nuts any kind

Bake on ungreased cookie sheets
about 2" apart in 400°

convection oven - or longer in
a regular oven - Bake 8-10

minutes, DO NOT OVERBAKE

Makes about 100+ cookies

Did you know that the longest Airstream was 40 feet long. Airstream had a branch of the company called Mobile Industrial. This division built campers for industrial customers. Western Pacific Railroad wanted crew accommodations for railroad workers. These campers were made to ride atop a flatbed rail car and provide housing for the crew. Airstream took two 20-foot campers and riveted them together to get the 40-foot length required by the railroad. Only 5 still exist today, one right here in North Carolina that you can stay in at Oskar Blues Reeb Ranch in Hendersonville, NC. This coach was renovated by Timeless Trailers in Colorado. Another is on display at the Western Pacific Railroad Museum in Portola CA
