June 21 – 25, 2023 *Rally in the Valley* in Lewisburg, West Virginia
at the West Virginia State Fairgrounds

12 units from four states gathered together at the West Virginia State Fairgrounds. Due to inclement weather, they enjoyed the weekly *Ivy Terrace on the Lawn* concert inside *Carnegie Hall*. Attendees also went to the local annual *Renaissance Festival* and the *Dry Creek Music and Arts Festival*.

The famous *Greenbrier Resort* is in this area. Attendees had an opportunity to tour the *Underground Presidential Bomb Shelter Bunker*.

Several soggy dedicated cyclists rode the 6-mile *Greenbrier River Trail* in a heavy rain storm. Squish, squish, squish...

Thank you to all who participated in one way or another.

Mark your calendars: Next year's "*Rally in the Valley*" is June 9 – 23, 2024.

August 10 – 13, 2023 *Rally on the Mountain* in Moundsville, West Virginia at Grand Vue Park

Moundsville is named because of the *Grave Creek Mound* made by the Adena people. 20 units from five states gathered there for fun and fellowship.

Marshall County has a several notable things to see. Rose the bus tour guide did a wonderful job explain the significance of each area.

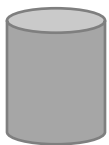

Attendees had an opportunity to visit the *Moundsville Penitentiary*, *Grave Creek Mound*, the *Palace of Gold*, and the *Marshall County Coal Miner Memorial*.

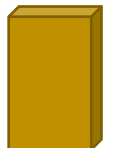

Thank you to all who participated in one way or another.

Mark your calendars: Next year's "*Rally on the Mountain*" will be August 8 – 11, 2024.

October 18 – 22 *Region 4 Service Project* in Gassaway, West Virginia at the Elk River Camp and RV

Nobody wants to go hungry. We need workers to help fill food boxes for West Virginia senior citizens provided by the Mountaineer Foodbank. Contact Jamie Kingseed (937) 539-3139, Community Service Chair (BRN 3824).

Upcoming Rallies and Events in 2023:

Travel Teasers: The ABC’s of America

Have wheels will travel! Some Airstreamers like to stay close to home while others like to take trips to faraway places. [They actually wear out the trailer tires instead of letting them just dry rot.]

Here are some of the interesting and unusual nature made and man-made places to see in the lower 48 that just might end up on your Bucket List.

Arkansas [Region 6]: This state has pyramid shaped *Pinnacle Mountain* near Roland. It also has *Crater of Diamonds State Park* in Murfreesboro. It is the only diamond mine open to the public. [Nature made]

In Bentonville, the *Walmart Museum* is in the central square. It gives the history of this American icon. [Man-made]

Regular Reminder: All club members can also join rallies and events held by other clubs all across the North America. To find out what else is going on, go to the WBCCI website.

Until the fall travel season arrives...

This is
how
we roll!
