Presidents Message

Don possibly mesmerised in a silent Rave.

It's official - Welcome to the Connecticut Airstream Club (CTAC)! On May 23, the Airstream Club International (ACI) Board of Trustees unanimously approved our petition to update our club's name. Special thanks to Bard Fuller for navigating this process with the mothership on our behalf. We have a new, streamlined name. But it's the same club with the same awesome events with the same awesome friends.

We announced this news and discussed next steps at the Club's Spring Business Meeting at the Southwest Fiesta Rally on June 1. Most follow-ups are administrative tasks for our individual officers like updating the club constitution with ACI, recording the name change with government registrations and updating the account name on the club bank account.

We did vote at the meeting to use CTAC as our official acronym and to adopt an interim club logo, which is the same graphic as our current logo but with the lettering of the name changed. Our executive board will meet in the coming weeks to make a plan for everyone to participate in the design and selection of both a new logo and a new flag for the club. One widely shared perspective is a desire to preserve the Charter Oak somehow as an emblem of the club to honor its historical significance in our name. In any case, be on the lookout for more communications on that front.

Other noteworthy topics discussed at the meeting included:

Historic First Airstream Clipper Model Now on Display at the Airstream Heritage Center

"Clipper #1" is a landmark addition to Airstream's vintage collection: What is believed to be the first riveted, aluminum Airstream travel trailer ever produced. This historic model joins the distinguished lineup of vintage units on display at the Airstream Heritage Center, located within the company's headquarters in Jackson Center, Ohio.

Welcome

Richelle & BJ Formento 9251 Stamford, CT

David & Diane Odorski 4956 Woodstock, CT

We all were excited to attend the first rally of the year and renew friendships again. The Southwest Fiesta Rally at the Charley Brown Campground was a huge success thanks to the hosts the LESSIGS, DUBROWSKIS and JENSEN. The food, decorations and games were fantastic. Plus, we created lovely succulent arrangements to take home along with Carol Dubrowski's handmade crocheted cactus plants. Great rally!

We saw a fantastic play "The Addams Family" at the Wilton High School Clune Center. One of the leading performances was by our own NICOLE ALLERS (proud parents Don & Eileen). She was amazing along with a highly talented cast. We're looking forward to more.

Sending get well wishes to RICK CIPOT after a horrible accident. Wishing him a smooth recovery.

Trivia: I'm reading a book about anti-gravity, I can't put it down.

When you get a bladder infection, urine trouble.

Did you know lemons float but limes sink. Limes are more dense. Try it.

Get those trailers ready and let's go camping!

(1) Club Directory. Although we did not print a club directory this year, the topic is still alive. The Executive Board will pick the discussion back up and try to find a practical and economical way to provide printed directories.

(2) Financial Balance. After some discussion about our club's relatively strong financial position, we agreed the Executive Board will lead some discussion about an appropriate reserve level for the club.

(3) Club History. The Downings brought two bins of club documents out of storage including meeting minutes, old Chatters and photos. That sparked a discussion about digitizing and preserving this history and a small group of interested members including me will organize around that.

(4) Region Rally Frequency. Following overwhelming demand at this year's limited Region One Gathering, a movement is gaining speed to increase the frequency of full-blown Region One Rallies to an annual event. That would mean more work for the host clubs like ours, so stay tuned to that topic.

(5) Club Equipment. Bard and Kathy Fuller can no longer store several bins of club equipment (mostly catering equipment like coffee pots). Please let us know if you can help provide a new home for these.

Bard also gave an excellent overview of the upcoming ACI Constitutional Vote regarding the financial Director Position at the meeting. Please see his Region One update memo and the many communications you have been receiving from ACI for more information. I would just like to add my encouragement for all of you to participate in the vote. The process requires a high participation hurdle across membership, so please take a few minutes to review and make your vote count!

And finally, I would like to thank our rally Dream Team, the Dubrowski's the Lessig's and Dave Jensen, for hosting such an awesome weekend at Charlie Brown Campground where we held our business meeting. The campfires, the fajita feast, the Sonora lasso game, the decorations, the succulent gardening, the weather, the attendance and camaraderie were all top notch. And the photo above is me enjoying the Silent Rave (yes, it's a thing!) they threw in the pavilion Saturday night to celebrate our new name. This rally had something for everyone!

F I E S T A

by Gail Downing

It was yet another wonderful rally run by the team of Dubrowski, Lessig and Jensen. Trailers began to arrive Friday afternoon to Charlie Brown Campground, which was doing some grounds work. BUT not a problem as we were all successfully parked around the pavilions and ready to start the festivities on Friday evening.

It was so good to see so many friends that we might not have seen since last season, and some new friends were present as well. Brian and Maureen Hunter. Ken and Maria Volpe. Jim and Stacy Reck and Faith. All were given a warm Charter Oak welcome. The pavilion was nicely decorated in the southwestern theme, right down to the handmade cactus plants on the tables, lovingly made by Carol Dubrowski.

Dave Jensen created and built a new ring toss game. It was a lot of fun, and we thank Dave for all his hard work to help make or rally so much fun. After Happy Hour there was a campfire in the pavilion. Gilles Rousseau and Billy Steers brought out their laser light devices. And as the smoke rose from the fire it created quite a light show.

Huevos Rancheros Breakfast was delicious! Then we had a brief business meeting. Because the name of the club is now Connecticut Airstream Club it was decided we will be using CTAC as our acronym. We all agreed it sounds better than CAC. Christine Lessig will send the minutes out with all the other discussions that happened it much better detail than I can.

The afternoon was ours to go explore, hike, walk, or bike ride. Some stayed closed and caught up with friends. Dinner preparations were made, games were played. Carol Dubrowski had all the necessary things to help those interested in creating a succulent planter.

Our delicious Fajitas dinner was expertly prepared and served! We all seemed to have our fill. There is ALWAYS plenty of great food when Charter Oak has a rally!

Thank you to the Grill Masters, Glen Lessig, Russ Fuller, and Wiley Downing for working those grills!

Everyone started hooking up and packing up, saying our goodbyes until the next time we are together.

Thank you again to the hosts and hostesses. Glen, Christine, Chris, Carol, and Dave for a job WELL DONE!

2024 Florida Treasure Coast Caravan

by Dick Wheatley

This new caravan was conceived and lead by two couples from the Florida Treasure Coast Airstream Club who live along the route the caravan traveled. The trip began April 10th in St. Augustine, FL, and went down the East coast, stopping in Daytona, Cape Canaveral, Stuart, then crossed over to Everglades City on the west coast, from where it proceeded down to Key West, then came back up to Key Largo, finally ending in Jensen Beach on May 12th. It consisted of 15 rigs and two leaders. The stops were primarily upscale campground resorts with full hookups, WI-FI, large pool areas (some with poolside bars) or beach access. The participants came from as far away as CO, NM, TX, MI, and VA. This was a good one!

Saw many gators on a trip into the Everglades, this one was at the Shark Valley Visitor Center.

The color of the water in the Key's surprised many who had never been there before

Sealife viewed on the reef during a snorkeling trip.

We saw some amazing sunsets across the water, this one appears to be melting into the sea.

The story of the Treasure Coast began over 300 years ago when a fleet of 11 Spanish ships wrecked offshore between the St. Lucie River and Cape Canaveral. These ships were sent to collect new wealth from the American possessions of the Spanish Empire and bring it to Spain.

Region One News

June 2024

This is likely my last communication to you all as Region 1 President. It has been quite a positive experience over the last 6 years serving as a Region 1 officer and being part of our Airstream Club International's transition to a more progressive leadership model. "Just Camping" may be our Airstream motto but behind that simplicity is a needed structure for our diverse club to maintain organization and sustainability. Hopefully, my efforts of communicating ACI changes and membership responsibilities in our transforming and more complex club have been beneficial and appreciated.

The volunteerism from all 5 of our region clubs was evident at our recent Region 1 Gathering in Wales, MA.

Despite being in and out of rain for a good portion of the Gathering we managed to keep smiles on our faces. Most of us got over to the incredible Brimfield Flea Market, the new Airstream dealership and participated in the club's business and informational meetings.

Some important takes from the annual business meeting were:

- 1) The desire to hold a true Region 1 Rally annually and disband from the smaller Gatherings. This would require that each local club take the lead role in organizing such an event every 5 years. Tentatively, the schedule would look like this: 2025 Quebec and the Maritimes hosting in Nova Scotia, 2026 Northeast Mountaineers, 2027 New England club, 2028 Connecticut club and 2029 Cape Cod club. All local club presidents or representatives were in favor of this idea but wanted to discuss ramifications with their local club membership.
- 2) The Region 1 logo was further discussed, and all present agreed of the need for a change. Two preliminary alternatives were put forward. (Thank you, Rick Cipot and Billy Steers.). It was agreed to continue to solicit additional alternatives and get more discussion before making a change.

- 3) The International club is holding a club wide vote on June 20-26 for a change in its constitution. This change is concerning the role of the Treasurer/Financial Director and how we choose that person. Voting will be initiated by ACI headquarters through an email to be sent out on June 20. The process is easy with just a click or two to indicate your vote on this amendment.
- 4) Results from the recent voting for region officers was announced. President is Michael Giunta from the Northeast Mountaineers. First VP is Rich Collins from the New England club. Diane Maillet from the Quebec and Maritimes club is the 2nd VP. Their terms will be from August 2024 through July 2026.

My thoughts on the constitutional amendment vote referred to at our business meeting follow:

I encourage all members to vote since a quorum is needed for this very important issue.

The present practice of selecting a Treasurer from only the 9-member Executive Council is much to limiting to get the financial expertise that I feel this position requires. The amendment will provide for a club wide search for the best qualified individual. This person would be in an advisory position to the Council and Board. The position would be a non-voting Board member as they are not voted in by membership. The term limits of the present Treasurer's position would no longer apply. Instead, this individual could retain the position for multiple years pending full Board affirmation every 2 years. This would provide continuity, something that does not presently exist. The title would change from Treasurer to Financial Director. For more information and details see <https://airstreamclub.org/2024SpecialElection>

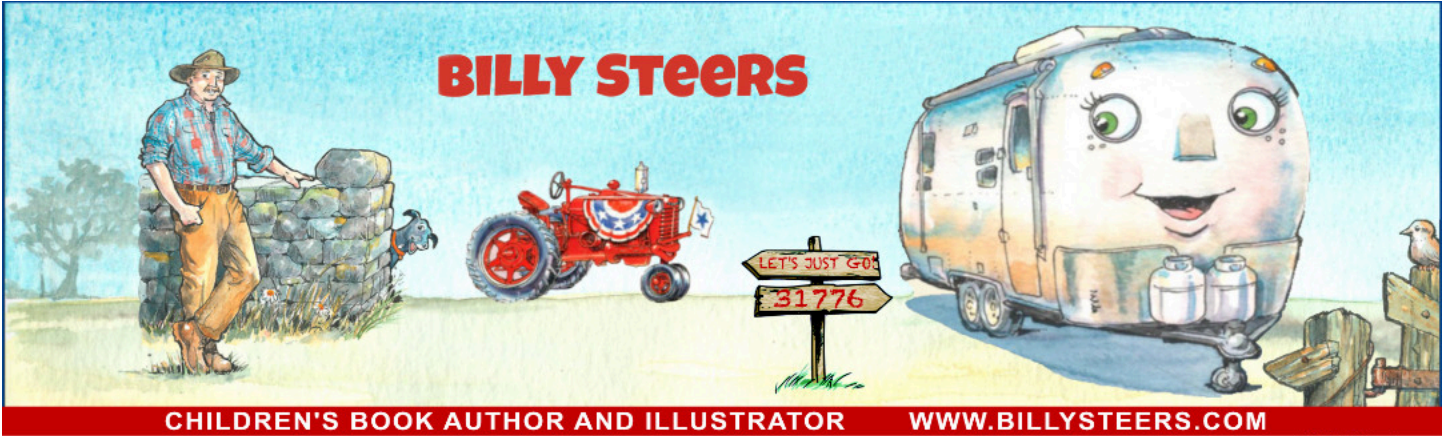

In closing, I would like to congratulate the new incoming Region officers, knowing that Region 1 is in good hands as I pass the baton to Michael and his Region 1 leadership team. ***Congratulations to all!***

I hope to see you all down the road and in particular at the Region 1 Rally in Nova Scotia September 2025.

Bard Fuller, Region 1 President
