Subject: Up coming Vote

Coming to your email soon(June 20-27th)

will be a request for you to submit your vote on a ACI Constitutional Admendment to change "treasurer" to "Finance Director". This will be a non-voting officer position to be reviewed every 2 years by the IBT. Hoping to find a Volunteer with a broader financial expertise, including forecasting and setting financial policies, not just basic accounting skills. There will be a detailed job description for the position with the final candidate to be selected from qualified member applicants.

For all the information about this constitutional amendment, please visit <https://airstreamclub.org/2024SpecialElection>.

Sign in to your Airstream Club Account. Each registered member should have their own account with separate email address to assure your votes count. Under this new regimen it only requires 20% of all ACI members to vote, with at least 2/3 of those votes in favor.

Thank you for taking a look at this, hopefully will be ready to cast your vote.

Tom Herron

Volunteer Iowa Airstream Club President
