Whether you are headed to the International Rally at Sedalia or not, this is the perfect opportunity to both learn and service your Airstream trailer. Featured guests are The Royal Flush (tank maintenance and cleaning), Cross Country RV Solutions (Micro-Air Easy Start Certified RV Tech), DFW RV Rescue (Washing, Waxing), and Airstream Tech Jerry Vanloon. We will also have a few experts from our Region, Bill Poteet of the Oklahoma Airstream Club (Solar power), John Green (safety checks), Channing Fell (ProPride and other hitches), and Chris Hanus (tires) from the North Texas Airstream Club, and Andy Dunkinson from the Heart of Texas Camping Unit (hitch weights). You will make appointments for the services in which you have interest directly with the service provider and the work is done on site Friday, Saturday, or Sunday (you will receive an estimate of cost in advance). If you decide to take advantage of a service (or services) without an appointment, this will depend upon the tech's availability.
