Wally Byam Caravans/Clubs

When you bought your Airstream, you bought a whole new way of life. Airstream owners enjoy endless opportunities for friendship, fun and adventure. You may join every Airstream Wally Byam Caravan and Airstream Company Rally. We arrange for such rallies each year: one in the North West, South West, North East and South East. You also become eligible to join the Wally Byam Caravan Club International, the largest single make trailer club in the world. The WBCCI is made up of 22,959 family memberships and 131 local chapters or units throughout the United States, Canada and Mexico. They meet at monthly rallies, or where weather conditions prevent year round rallies, Caravanners come together for pot luck dinners to plan events for the good seasons.

Since the first Wally Byam Caravan in 1951, 89 Airstream Caravans have gone to most parts of the world. Caravans to Canada and Mexico are now so popular that there are eight each year. Many a lifelong friendship was started on these trips. Old-timers and new owners share experiences and find a new kind of fellowship, and there is no better way to learn to use your Airstream. Caravanners enjoy many advantages: the security of traveling in a group, planned entertainment and exceptional sightseeing opportunities. The prestige and good will established over many years by our Caravans adds further benefit to Caravanner membership.

The "Caravanner" and the "Blue Beret" are the official Caravan Club publications. The bi-monthly "Caravanner" is for general distribution to owners and prospective buyers, while the monthly "Blue Beret" is for WBCCI members only.

Several months before a Caravan rolls, the "Caravanner" and the "Blue Beret" publish a description and a registration coupon. Everyone who registers receives a detailed bulletin with complete information on the caravan. When going abroad, all official matters such as insurance, tourist cards and border crossing formalities are handled for you by the Caravan staff.

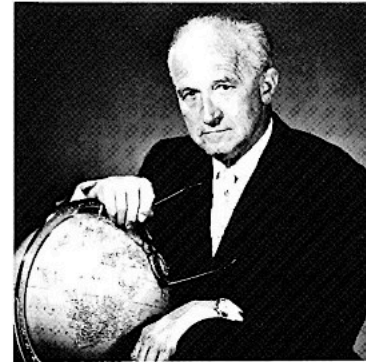

On every Airstream Caravan, the route is carefully planned, and a day by day itinerary, including mail stops, is given to all Caravan-

ners in advance. Our staff also makes all the arrangements for parking, entertainment, tours, etc. well ahead of the starting date. Airstream Caravan Programs always take caravanners of all ages into account. Airstream provides the Caravan Staff: a leader, a recreation director, a service representative and an advance representative. This staff is backed by committees composed of interested Caravan members who assist in the day-to-day operations.

Wally Byam, pioneer trailer traveler, and founder of the Airstream Company, was born on July Fourth and the first International Rally was in the form of a huge birthday party for him at Bull Shoals, Arkansas. It was patterned after the International Rallies in Europe which Wally and his wife Stella had attended for many years. Everyone enjoyed this first big rally so much that the club

**These are pages 4 and 5 of the 1973 Owners Manual found online.
Airstream supporting WBCCI.**

decided to make it an annual event. Since then, International Rallies have grown and grown. Some 4,000 Airstream Travel Trailer-families recently gathered at Louisville, Kentucky for the 1972 International Rally.

Only Wally Byam Caravanners and WBCCI members are entitled to have an official Trailer Number and be listed in the Annual Directory. The Annual Directory contains a schedule of all major rallies and Airstream Wally Byam Caravans for the year, and announces the activities of the Ham Radio, C.B. Radio, Square Dance and the many other WBCCI special interest clubs.

Along with the fun, Airstream owners recognize the need for better legislation, more and better overnight parking facilities, more sanitary stations and other travel conveniences.

They are alert to adverse bills governing travel trailers and have achieved much through the actions of the strong WBCCI National Legislative Committee.

The Way of Life Department, of the Airstream Company dedicates its full time staff to improving the owners' fun and makes use of all the information and experience gained by owners over the years to help develop even better Airstreams.

Become part of the Airstream Way of Life. Join our WBCCI activities and we believe you will enrich your life. Owners join through a local unit of WBCCI. All operate autonomously, elect their own officers and fix their own dues. Annual International dues are paid with the unit dues at the time of application. These are at present: International dues,

\$5.00 per trailer and unit dues from \$1 to \$5. If you are interested, please write to the following address and we will forward your letter to the unit nearest you:

January Rally

The chatter was prevalent as we gathered for the beginning of a new year. It was predominantly the same members with a new group of leaders.

The rally was held at the "Three Bears" Restaurant, hosted by Joe and Helen Sheehan. A delicious dinner was served in this quaint, antique restaurant reverberating with history.

Ingrid Hultin won the door prize, which was a beautiful comforter. It was an appropriate prize for the cold months ahead.

New members June and Ralph Piersall and Florence and Alfred Farnworth were introduced. Welcome to the unit folks.

Thanks to Joe and Helen for a beautiful evening.

In an attempt to provide a directory of all members, we are going to print with the few we have received. If your address is incorrect, let us know and we will correct it as soon as possible.

We gained some news in addition to some addresses. We learned the Pedersachs and Mitchells are enjoying the warm weather in Florida. The Squires are in South Texas. The Cruises are in California and we are all here being envious.

It is quite evident that we are lacking in the ratio of new members to new trailers being sold. The President is looking for a Publicity Chairman. This should be an interesting position, contacting dealers to refer new owners to our unit. If you are dedicated and wish to see our unit grow, please contact our President Don Metzler.

Rud Blümmner has been selected as our new Wagonmaster. We can all look forward to that friendly greeting as we drive in to the Rallies.

Dave and Audrey Clarke are looking for Rally Hosts for 1974. If you are there early you can choose your favorite month.

The next rally will be held February 4, 1973 at "Peterson's Inn, Plainville, Connecticut. The rally will be hosted by Amelia and Bob Lajoie.

FEBRUARY RALLY

Our second rally of the year was held at Peterson's Inn, Plainville, Connecticut. The Hosts were Bob and Amelia Lajoie, who provided a very nice dinner in an extremely attractive atmosphere.

The event of the evening was the presentation of the Past President's Flag to Tom Brennan. Emile Raboin, Chairman of the Board was selected for this honor.

Even though the ground hog saw his shadow the conversation leaned to the coming of spring when we can start our trailers moving again. It all proves that we are an optimistic group and expect an early spring.

Our Rally Committee, Dave and Audry Clarke, is still looking for hosts for four more rallies next year. This is a good opportunity for you to expand with the venturesome role of hosting a group who bring their good time with them.

The Directory Committee, The Kolhoffs and Ruth Crocket really expended themselves in providing an outstanding publication. We missed a few of the more fortunate travelers who's addresses came in late but we will include you next year.

Paul Worthley, Region #1 President is planning a 30 trailer caravan which will explore Canada's Lake St. John and St. Lawrence River, then returning to Maine, New Hampshire and Vermont. The caravan will originate near Montreal September 1 and will encompass about five weeks. Anyone interested should contact him at Box 247, Strong, Maine, 04983.

We have received some word from our fellow members who are trudging through the snow down south.

The Kelley's are in Mesa, Arizona and plan to travel through the Northwest following a visit to the Bozeman Rally.

The Droheim's are visiting around Florida prior to settling down for the winter at Sarasota.

The Battle's are enjoying the Mexican Caravan fighting the 85 degree temperatures by bathing at the beach.

Our next rally will be hosted by Roger and Ruth Crocket March 4 at the Old Riverton Inn, Riverton, Connecticut.

MARCH RALLY

We traveled north to find snow so we could enjoy a winter rally at the Old Riverton Inn sponsored by Roger and Ruth Crockett.

Our President Don Metzler was still on the sick list but we hope to have him with us by April.

We are happy to announce that the Berkshire Unit will be joining us in May for a joint rally.

Our Rally Committee is still looking for hosts for the June, August, and October Rally for 1974. Maybe some of you folks traveling about the country would like to volunteer by contacting Dave Clark.

We nominated Emile Raboin to run for Second Vice President for the First Region. This is a good indication that we are growing and branching out.

If anyone is interested in a portable gas stove producing 6000 B.T.U. on 1/2 pound of gas per hour at a low price of \$65.00 contact Roger Crockett. To obtain this price he must order in bulk.

Percy Hulbert shared his traveling experiences with us by way of slides. We traveled throughout the west and Alaska. The excellent photography really showed off the country. If anyone else has a trip to share, I am certain you will find about two dozen avid travelers to accompany you in their arm chair.

Last but not least we will have a report on our travelers.

The Pedersons are enjoying the Florida sunshine and sent a "hello" to all Charter Oak members.

The Flemings arrived in Florida just ahead of the storm and are at the Holiday Trailer Park in Sarasota. They sent a "word to the wise", trailer parks are filling up during the winter months and it is difficult to find a permanent spot with out reservations.

HOLIDAY INN, MILFORD, CONNECTICUT

APRIL 1, 1973

The April meeting of the Charter Oak Connecticut Unit was held at the Holiday Inn, Milford. The business meeting was held before the dinner. There were 13 couples and 2 children in attendance. It was a delicious dinner, and very nicely served. Our thanks to Don and Harriet, who hosted this dinner meeting.

There are still hosts needed for three rallies in 1974. If there are any couples wishing to take one of these rallies, please contact Dave Clark. The schedule for 1974 must be submitted to International by August, so think about taking one of these rallies.

If we can get eighteen members interested in purchasing a very nice propane heater at a considerable savings, we will be able to order them in the near future. Anyone interested, please contact Roger Crockett.

The May Rally will be held at Wolf's Den, and is a joint rally with the Berkshire New York Unit. We need an especially good turn out for this rally. Please fill out and return the enclosed reservation early, as the camp ground needs to know the number of sites required.

Marve Kolhoff has proposed a caravan to Acadia Park in Maine, which could be held on the four day weekend of July 20, 21, 22 and 23. To go this far, four days are really necessary, but this could be a very nice and interesting caravan. Anyone interested, see Marve at the May Rally.

Charlie and Sandy Eglies, perspective members, were welcomed at this meeting with their children David and Dianne.

We engaged in a Rally with the Berkshire Unit as our guests at Wolf's Den in May. The Raboins and Clarks hosted the Rally. We had 26 trailers in all, ten of them being from the Berkshire Unit.

The weekend was certainly "Red Flannel Weather" but we had an outstanding rally as usual.

A beautiful Square Dance Caller provided Saturday Evenings Activities with dancing lessons and an exhibition from the "Pros."

We are experiencing electricity shortages in some of our camp grounds during the rallies. We ask the cooperation of all members in refraining from the use of electrical appliances when we are camping at these places.

Orders are still being taken for portable gas heaters and Percy still has the plastic trays for sale.

We are still in need of hosts for June, August and October of 1974.

We haven't heard any news from our traveling members recently. If you are not returning soon we would appreciate hearing of your location and activities.

Due to the lack of chatter and to conserve paper you will find the next rally information on this page.

JUNE RALLY, SALT ROCK CAMPGROUND

We had eighteen trailers in attendance at the Buddy Rally at Salt Rock. This included four Buddy Trailers belonging to Phil and Ann Gilfeather, Richard Staife, Albert Fecteau and Albert Eybirse.

A card was received from the Pedersons, they are headed for home and plan to attend the next Rally.

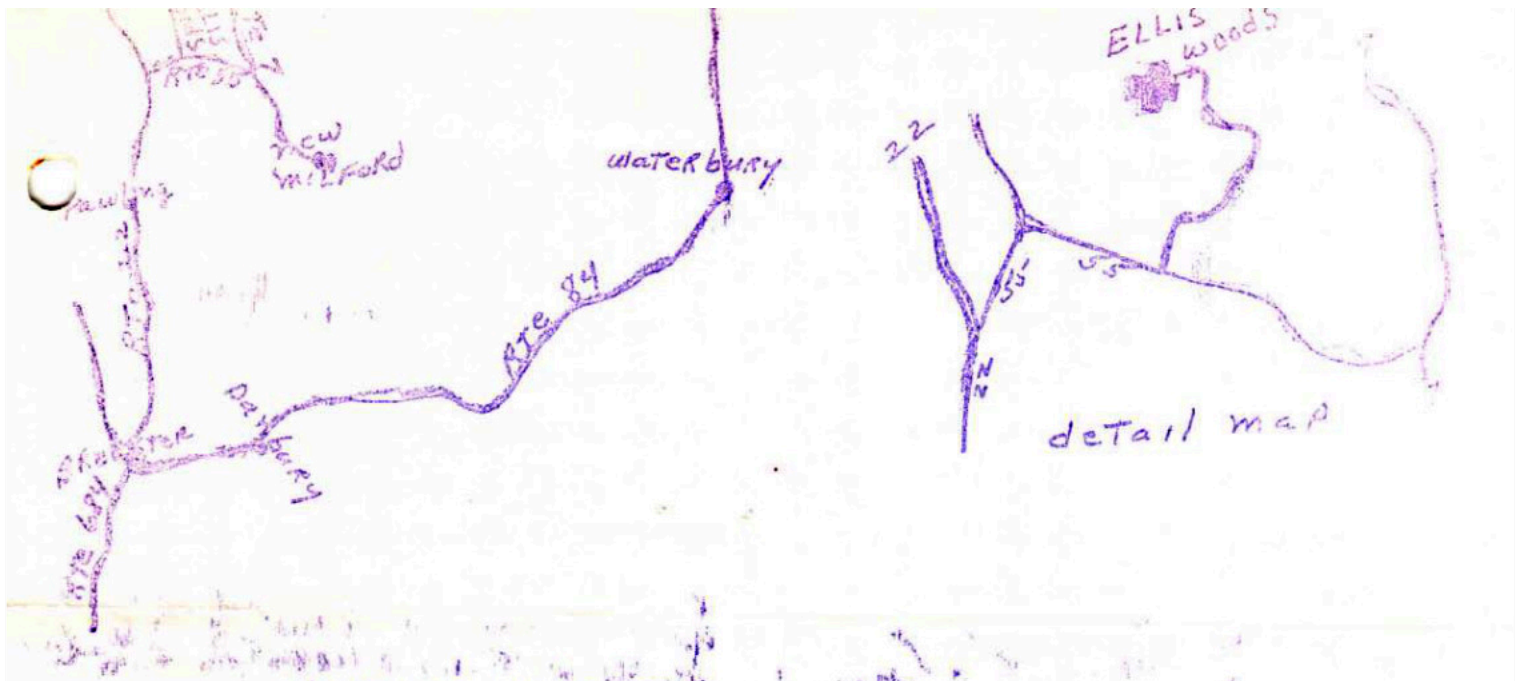

The Hulbert's hosted this Rally and we enjoyed the annual baked beans. They were delicious and the bean pots went home empty.

We spent the evening around the bon fire in a Mitch Miller sing along.

Two new members were accepted. They were Jerry and Gloria Ahlers and Raymond and Jannette Pade.

The next Rally will be held at Ellis Woods. Bring all of your excess belongings, as we are going to have an auction. Ellis Woods has swimming, fishing and square dancing, so come prepared.

AUGUST RALLY

Thanks to the Crocketts seventeen trailer families enjoyed the rally at White's Memorial.

A biased opinion of this writer, is that it is the most beautiful campground we have visited. Lo and Behold we made reservations for the same area for the coming weekend and found the ideal spot was the overflow area. Every campground should have an overflow area like theirs.

It would take an hour to describe the performance of the organist we heard Saturday night. I think the best means would be to recommend that everyone attend this performance if you are in the area. Ruth Crockett can give you the directions, as I followed two tail lights to get there.

Many of our winter travelers were present, all looking healthy as can be.

The next Rally will be at Salt Rock hosted by the Hastings. Good music and wine tasting will be the highlights.

At our rally held at Salt Rock we had 20 trailers and beautiful weather that was ordered special for the weekend by our hosts Dick & Mary Ann Hastings.

In addition to the weather our hosts also provided us with a very pleasant Saturday nights entertainment. Music by the DiMauros and a wine tasting intermission with cheese and crackers on the side.

Paul Szenher made a very generous donation to the Unit of a Podium microphone. If anyone has a spare amplifier and/or speaker the Unit can use it.

OCTOBER RALLY 1973

A beautiful New England weekend found us at Wolf's Den enjoying a wonderful rally hosted by Engrid and Harry Hultin.

A trailer to trailer wine tasting was enjoyed by everyone. This was an outstanding idea to encourage the people to mix and visit.

Saturday nights square dancing was shared with the Terry Club which increased the fun.

Two boxes of our heaters were lost in shipment which placed a heavy burden on Roger and Ruth Crockett, who have expended their efforts in acquiring these heaters for us. Ruth is tracing them now, so please be patient, as this gesture was for our benefit with no reward for them except added worry.

We must remind everyone that the 1974 dues must be paid by November 1, 1973 to have your name entered in the directory.

The President requests that all possible effort should be made to attend the November Rally as this will be the election of new officers.

A letter was received from Helen and Joe Sheehan stating that they had been ill and are planning to get to Florida. They hope to see us in the spring.

DECEMBER RALLY, PINE VALLEY COUNTRY CLUB

The Droheims and Raboins hosted a very nice Dinner Rally with the unbelievable attendance of 45 persons.

We were honored with the presence of Region # 1 President, Paul Worthley who spoke briefly on potential caravan cut backs due to the fuel shortage.

Paul, then announced the good news that Emile Raboin was selected as Second Vice President for Region # 1.

Two new trailerites were voted into the Unit, Ethel and Leslie Andrews and Matilda and Irving Heifetz. Welcome aboard folks.

A letter was received from Mayr and Walter Kelly from Mesa, Arizona. They sent a hello to all.

Dave Rogers wrote that he has been recently married. Congratulations.

Now back to the Dinner Rally. It was started with a Kolhoff Sing Along following dinner.

With everyone having exercised their vocal cords we engulfed in some games. The first was called either "eat the string" or "chase the marshmallow", regardless I heard "Monja" with five different accents. Kolhoffs and Multins were the prize winners.

Then of all things, we had something that was defined as a "Belly Bash". This game required body english to break a balloon between the husband and wife. Leaches and Kaczynskis were the prize winners.

We then danced the light fantastic to the beautiful organ music for an hour or so and called it a day.

The next Dinner Rally will be held at Cook's Tavern, Plainville, Connecticut.

To Whom It May Concern:

I have reviewed the Treasurer's accounts for the year 1972 and in my opinion his report represents fairly the financial position of the Charter Oak Unit of the Wally Byam Caravan Club.
