CHARTER OAK *Chatter*

JANUARY 1981

PRESIDENT'S MESSAGE:

I want to extend my Best Wishes for a prosperous and healthy new year to all the members of Charter Oak Unit and to say how much I enjoyed being with everyone at our Christmas dinner meeting hosted by Maggie and Mike Kuehn.

From previewing the 1981 dues I am saddened by the many resignations of long time members of COCU but am encouraged by the number of new members which have joined our unit to help keep us active within the WBCCI.

The board and I will endeavor to make 1981 a rewarding year for you but would like to have more members host rallies or volunteer to work on rallies so everyone can benefit from all members ideas or experiences. Remember - like everything else in this world - we only get out of any endeavor what we choose to put into it.

Happy Trailing

Jim McLain

UNIT NEWS:

It is positively amazing how fast time passes for already Christmas is over and we are into 1981. Thirty four members attended our Christmas dinner meeting at the Yankee Silversmith in Wallingford, Ct. hosted by Maggie and Mike Kuehn. The dinner was delicious and enjoyed by everyone. The high light of the Chinese grab bag was a silver platter that changed hands at least a dozen times and finally ended up with our newly weds Adair and Bill Weston. Maggie Kuehn provided song sheets and led us in singing our favorite carols. The crowning event of the evening was dancing and listening to the piano music. It was a fun meeting.

Our snowbirds have flown south - some left before the holidays and those that came to the Christmas party left after the holidays. Enjoy yourselves and think of us now and then. We received a Christmas Card from the southern branch of Charter Oak, signed by the Sheffields, Currys, and Hultins saying they are enjoying the warm weather.

Jim received a letter from Jesse Walker, Region I President, advising that Carl Lochner, International Past President, is leading a caravan East and

expects to be at the Region I Rally over Labor Day and then come to the September rally at Mystic, Connecticut. Lets have a big Charter Oak turn out.

The Dave Clarks, Crocketts, and Rosenbecks are going to the Mardi Gras the end of February. Lets hope Roger makes it this time.

The Adam Savages have resigned and sold their trailer but have extended an invitation to visit them whenever you're in the area.

Millie and Bob Lajoie because of poor health have resigned and would like to sell their 1970 Airstream. It is 21 feet, rear bath, gas stove, gas/electric refrigerator, awning, in good condition. They are asking \$5000. Anyone interested should telephone 203-628-5195.

Everyone sends their condolences to Charles and Joy Andersen on the death of their son. All of us extend our deepest sympathy to those members who have lost family or friends during the past year.

Should any of you wish to contribute to the Chatter or include any news-worthy items, please drop me a note.

Since it is such a long time between the December and March meetings, we are going to have a pot luck supper at Maggie and Mike Kuehns on February 1. Lets have a large turn out--see you there.

Don't forget the March dinner meeting at Candlewood Inn, Brookfield, Connecticut, hosted by the Dave Clarks. Due to the time span between now and March 8, we have decided to make a special mailing of the flyer.

CHARTER OAK *Chatter*

MARCH 1981

PRESIDENT'S MESSAGE:

The turn out at Candlewood Inn for our first dinner meeting of 1981 was great and I hope we can increase participation in all of Charter Oak activities.

I am very disappointed that no one other than Dot and me are going to Ames this year. For I feel that the highlight of Airstreaming is the International Rally. This is where we have the opportunity to meet and discuss Unit news, problems, etc. and meet our International officers. Our delegates can help fashion the new governing body through their votes. There is just about anything you want to do from crafting to square dancing to professional entertainers. I could go on and on but this gives you an idea of what is available at Ames.

Remember it is only about 3½ days driving or if you want to take more time Cape Cod has a caravan going out and I'm sure you would be more than welcome to join them.

Happy Trailering

-Jim McLain

UNIT NEWS:

On February 1, Maggie and Mike Kuehn opened their home to 29 of us for a mid-winter Pot Luck Supper. As always the Charter Oak ladies out did themselves with all kinds of goodies. Every thing was delicious. The Lee Bradleys showed slides of their trip out West last summer and this made us all long to hitch-up and take off for parts West, East, North or South. It was a nice break from a dreary winter and everyone enjoyed Maggie and Mike's hospitality. Thanks again both of you.

Our first dinner meeting for the year, Sunday March 8 was another great day. Candlewood Inn is delightful and our dining room provided a spectacular view of the lake. Although it was a bleak winters day the atmosphere and camaraderie made it seem warm. The buffet as usual was plentiful and delicious. Percy Hulbert showed slides of his 1968 Alaskan trip and everyone was enthralled with his photography. Hope I'm half as good some day.

We missed our Snowbirds at both events and hope they return soon. Speaking of Snowbirds, we received a letter from Rud and Hazel Bloomer forwarding

a letter from former members, Dennis and Patricia Glow, asking how to go about getting reinstated. They are still living in California. The membership voted to accept them as full members upon receipt of completed application and payment of all dues. Rud and Hazel said that the Currys, Hultins, and Roger Crockett have been having a grand time at Travelers Rest; and that Ev and Flo Graham are on the New Zealand Caravan.

Everyone sends their condolences to Ingrid and Harry Hultin on the death of Harry's sister.

The newly weds, Bill and Adair Weston, will become permanent Snowbirds as they are moving to Florida at the end of April. Bill is retiring. They have just returned from a 2 weeks visit to southern California. Good luck to you both on your new adventure. We will miss you both.

Paul and Bobbie Brissette visited Dick and Jeanne Porter in Albuquerque and on their return to Florida stopped at the Mardi Gras Rally and visited the Clarks, Crocketts and Rosenbecks.

Received a post card from Rip and Elsie Nelson who are on a caravan in Mexico. They are enjoying their trip and learning more about the people this time. They have been entertained by a Mexican family and have entertained one of the Mexican girls in their trailer.

Everyone at the meeting received their sweat shirts and they are really nice. Navy with the Charter Oak logo and your first name in white. Audrey said they washed beautifully and that she could order more if anyone were interested. They cost \$11.25 including Connecticut sales tax.

Jim and I finished the 1981 directories and have been trying to hand out as many as possible to save on postage. All the remaining will be mailed after the April dinner. I keep saying how nice it would be to see you folks that have only been a name to me for so long. Please try and make some of the rallies or dinners. We have 75 members including 9 associates.

Our president reports that Dick and Jeanne Porter will be our hospitality or welcoming committee; Lee Bradley our photographer and his wife Claire, our historian.

Good luck Bill and Lillian Herpich on your May 1st trip to Alaska and Bill's retirement.

Make plans to attend the first outdoor rally in May at Wolf's Den. The Clarks and Rosenbecks will perform as usual.

Dick and Jeanne Porter hosts our April 5 dinner meeting at the University of Bridgeport. The Clarks, Crocketts and Rosenbecks will give us a run down on the Mardi Gras. Sounds like a great time so make your reservations early. See you all there.

INTERNATIONAL NEWS:

Anyone planning on going to Ames, please contact Jim. It would be nice if we could get some representation of Charter Oak at the International. From all reports, it sounds like the committee is planning a great time for all of us so try and make it. Cape Cod has a caravan to Ames and I'm sure would be happy if you joined them.

From Dick Brockett, Region I Public Relations Representative:
Community Guest Program
From the desk of Corky Dusenberry, chairman of the W.B.C.C.I. Public Relations Committee comes this great idea.

For the International Rally at Ames, Iowa they are asking that each unit recruit a volunteer couple to be hosts to a couple or family from the Ames community. Host couples and the area guest couple or family will be joined at Ames. Then it will be for them to determine which Rally programs and activities they can enjoy together. Special guest ribbons will be provided for them.

Guest couples or families should also be included at some of the friendly informal gatherings among the trailers. This will give a good chance to show our real spirit of Airstream friendliness and broaden the chances of learning about the community atmosphere. More than likely, long lasting friendships will form.

Don't you feel that this idea has great possibilities?!

APRIL 1981

PRESIDENT'S MESSAGE:

My concern these days is the few new members we have been able to attract this winter. Although we may think that the year has only begun, six months have passed. To enable us and other units to try and obtain new members, Jesse Walker, Region I President, sent me a list of Airstream owners in Connecticut who do not belong to W.B.C.C.I.

We have been asked by Jesse to contact these people and invite them to a W.B.C.C.I. rally in hopes of getting some new members. There are approximately 200 names on the list which would take too much time for the Board to make the telephone calls so we decided to break the list into areas and ask each C.O.C.U. member living in that area to contact those people.

After the areas have been determined, I will send the names to each of you.

Happy Trailering

Jim McLain

UNIT NEWS:

Twenty-six people attended our dinner meeting at Bridgeport University hosted by Jeanne and Dick Porter. The buffet was excellent and as usual we ate too much. The David Clarks and Niels Rosenbecks gave us a commentary on their trip to New Orleans and the Mardi Gras which made us want to hitch up and go. Glad you enjoyed your trip.

It was good to see Dorothy and Paul Freed after their being away for 9 months and some 25000 miles. Paul gave us a brief synopsis of their trip and the wonderful time they had.

On May 1st, we have our first outdoor rally at Wolf's Den, Haddam, Connecticut and would like to have a large turn-out. Do try to come for this is a "No work for Mother" rally which means we can really enjoy ourselves. Of course the committee - Audrey and Dave Clark; Niels and Lydia Rosenbeck; and Maggie and Mike Kuehn - will be slaving away but our mothers really appreciate your rally theme. Thanks one and all. Sometime Saturday, Helen Gatavaski will give a demonstration on making fancy chocolate candy. Everyone interested should bring a couple of Mason or peanut butter jars for melting chocolate. Plans are being

made for anyone interested to have Sunday dinner at the Gelstone House.

The weekend sounds great and it will be nice to be out in our Airstreams again. Sunny weather will be appreciated but we can live with rain during the night. Lets see a lot of new faces - the more the merrier as the old saying goes.

We expect to have Robert and Calista Lawson, 1st Vice-President, Region I at the May rally.

Welcome to new members Joseph G. and Nancy E. Sobeck, 25 Hettiefred Rd., Greenwich, Ct. 06830 and reinstated members Dennis and Patricia Glow, 1223 Calle Santiago, Chula Vista, Cal. 92010.

Sandy and Charles Eglise are returning to Connecticut on May 1 and their address will be Green Hill Road, Madison, Ct. 06443.

Don't forget the Region I Rally, Topsfield, Mass. over the Labor Day weekend. To help you with your plans, we are enclosing the first announcement of the rally.

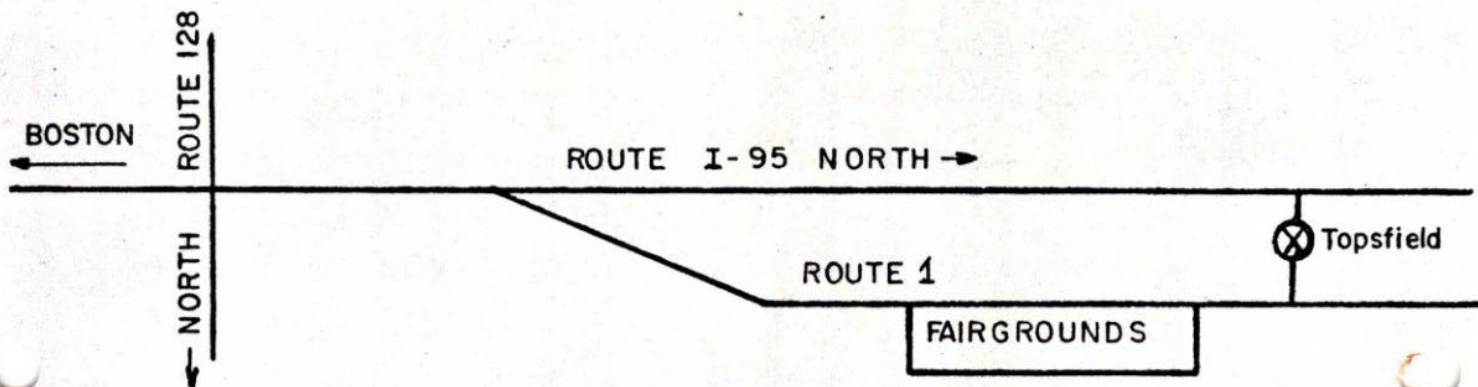

See you all at Wolf's Den and don't forget the June rally at White Memorial, Litchfield, Ct., co-hosted by the Alfanos and the Nelsons.

PRESIDENT'S MESSAGE:

As stated in my message last month Dot and I completed the breakdown of non-member Airstream owners into telephone areas and gave them to C.O.C.U. members living in their area. An invitation to attend one of our rallies will be extended to any that are interested.

While I am writing about membership in W.B.C.C.I., I would like to mention that all of us are Ambassadors representing W.B.C.C.I. No matter how insignificant we may feel our actions good and bad reflect upon the Unit and the International so lets remember this and always put our best foot forward. If we think we may have been slighted, over charged or treated with disrespect discuss it openly with the owner or manager and do not hide behind anonymity.

Remember, Airstreaming is for fun and pleasure.

Happy Trailing

Jim McLain

UNIT NEWS:

Hope everyone had a nice Easter and now that spring is here will be getting their trailers ready to join us at our rallies this summer.

Our first outdoor rally at Wolf's Den hosted by the Clarks, Rosenbecks, and Kuehns was a huge success. The weather was damp and chilly Friday and Saturday but the sun came out in all it's glory Sunday. We had 24 trailers for the weekend and 3 member couples without their trailers. It was nice to see so many new faces, let's keep it up. The hosts did a fabulous job and their soups, breakfasts and dinner were delicious.

Helen Gatavaski gave a demonstration to the ladies Saturday morning on making fancy chocolate candy and many actually made candies themselves. During dinner Saturday we raffled off a combination range, grill and toasteroven that was donated by Capitol Products, Winsted, Ct. Elsie Nelson won it. The club made a fast \$42.00 and we had a lot of fun.

At our meeting we welcomed Paul and Judy Good back into Charter Oak. Paul is again stationed in New London; their address is 60 Spicer Hill Rd., Ledyard, Ct. 06339. Telephone #464-9861, trailer #29883. Nice to have them and their 5 sons back with us in Connecticut. We were honored to

have Bob and Calista Lawson, 1st Vice-President, Region I at our rally. Bob discussed the amendment by the Northern Florida Unit to limit International dues to \$7.00 and George Morgan as International 3rd Vice-President. Everyone enjoyed talking to both Bob and Calista. It was nice having the Eglises with us again. They are building a house in Madison so we should see a lot of them.

To end the rally 9 couples went to the Gelston House for dinner on Sunday. The dinner was great and the entire weekend is to be remembered. Thank you all.

Joe Gatavaski will be looking for hosts for 1982 so give it lots of thought and offer to host either a rally or dinner. Neither is difficult. Hosting is one of the most rewarding ways to attend a rally, it affords the opportunity to meet and talk to everyone there. Try it, you'll like it.

Bob Lobb wants to know who will be attending the July and August rallies as he needs a committee for each to help Cape Cod.

We are all working on the list of Airstream owners that do not belong to W.B.C.C.I., perhaps we may get some new members by inviting them to our rallies.

The June rally site has been changed from White Memorial to Mohawk Campground, West Goshen. White Memorial would not let a large group use their field. This will be a "Buddy Rally" cohosted by the Nelsons and Alfanos so lets have a big turn out. All the details are on the flyer with this Chatter.

IMPORTANT

Bob and Mary Lobb's Fishing Rally at Mystic Ct. will be a joint rally with Cape Cod. It will begin right after the conclusion of the Region I Rally, Sept. 8 thru 14. CHARTER OAK *Chatter*

JUNE 1981

PRESIDENT'S MESSAGE:

It was most gratifying to see the great turn out at our June rally at Mohawk Family Campground in West Goshen and everyone I talked to had a great time.

We are extremely fortunate to have two retired ministers in Charter Oak and we all thank Jim Edmondson and Paul Freed for providing such inspiring Sunday morning services. They sure gave us something to think about and work for.

I wish Jeanne and Dick Porter a long and healthy retirement and sincerely hope they will continue to come to our rallies whenever possible. I for one will miss Dick's counselling and wisdom in the ways of W.B.C.C.I. But again I say, "Have a happy retirement".

Happy Trailering

Jim McLain

UNIT NEWS:

Mohawk Family Campground is an excellent place for a rally and everyone thanks our hosts, Rip and Elsie Nelson and Al and Barbara Alfano for a great rally. Despite gnats, tornado warnings, and rain we had 18 trailers and 48 people and everyone enjoyed themselves. We sure did. The sun did shine and several of us drove up Mohawk Mountain and the young in heart walked most of the way down; from there we drove to Topsmead and walked around the estate. This sure whetted the appetite for the pot luck supper. Rip and Elsie's dialog and slides of their two Mexican Caravans made everyone eager to go. Your slides were great.

After Sunday breakfast, Paul Freed led us in a short service as did Jim Edmondson last month at Wolf's Den. Thank you both from all of us. I ended the weekend with a bang--while helping Jim with the dumping I managed to trip on the sill of the trailer, fall into it and ended up with a broken bone in my right foot. I have a cast to the knee and can only get around on crutches. With the help of Jim, crutches, and a wheelchair we are still going to Ames and then to Michigan to visit friends as planned.

Jeanne and Dick Porter are retiring at the end of the month and plan on some extended travelling. Many happy years of trailering and come back to Connecticut and visit us often. Jeanne received a card from Bill and Lillian Herpich telling us what a great time they were having.

Even though Bud and Ruth Weston are travelling to Europe this summer, Bud agreed to be our Nominating Chairman for 1982. Have a wonderful time Ruth and Bud.

The Board of Directors asked to have this announcement put into the Chatter-- "When you send in your reservation for rallies or dinners if you are bringing guests please indicate this on the form." This is doubly important if the hosts are providing all the food and should be done even for pot luck suppers. The Board also suggests that you contact the host upon arriving.

Welcome to new members--Herbert C. & Lois C. Howe, 29 Candlewood Lane, Avon, Ct. 06001, Joseph G. Hepburn, P.O. Box 159, Niantic, Ct. 06357, and Lester & Nancy Leighton, P.O. Box 13, Niantic, Ct. 06357.

Don't forget the Wickford Arts Festival July 10, 11, and 12. The center of the activities is slightly less than one mile from the rally site. Sidewalks most all the way but Dick Brockett suggests that anyone who rides bikes should bring them.

There will not be a Chatter in July. Niels will send the flyer for the August 7, 8, and 9 rally in Jewett City, Connecticut. This is a joint rally with Cape Cod so try to make it.

Don't forget that Joe Gatavaski is still looking for Hosts and Hostesses for rallies and dinners in 1982 so if you would like to be a host contact Joe. The sooner the better for all activities have to be completed by December so the International can be notified.

There is a reservation form for the Region I rally in the June Blue Beret.

OUTSTANDING PERFORMANCE, MAXIMUM ECONOMY

Get the ultimate in comfort, luxury, and styling as well as value, in the new Airstream Turbo Diesel Motorhome. It sets new standards of excellence.

Fuel Economy. Our 28' turbo diesel motorhome gets an incredible 15+ m.p.g. in typical highway driving. Just think, the 28' turbo diesel gets up to 50% better mileage than many smaller motorhomes on the highway today. Even better mileage than some family sedans and an extended cruising range of over 900 miles with it's 60 gallon fuel tank.

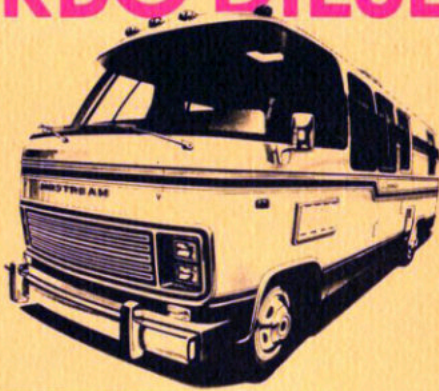

Superior Performance. The Airstream turbo diesel engine will outperform a comparable gas powered engine from 0-35 m.p.h. Superb performance also results from Airstream's aerodynamic design, which cuts down on wind resistance and stabilizes the motorhome

in crosswinds. The low center of gravity adds to the vehicle's outstanding roadworthiness and easy handling.

Lasting Value. We've been building durable, long lasting vehicles since 1931. Airstream's turbo diesel engine package is as durable as the motorhome it powers. For higher resale value and lower operating cost, Airstream's Turbo Diesel Motorhome is the only one to choose.

Maximum Quality. You'll enjoy first class luxury — plus the best ride, easiest handling, longest life, and lowest operating cost. In fact, everything you've wanted in a motorhome is designed into every Airstream. For quality construction and elegant design, Airstream's Turbo Diesel Motorhome is the standard of excellence for the 1980's.

Star Spangled Banner

Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming
Whose broad stripes and bright stars,
through the perilous fight
O'er the ramparts we watched were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air
Gave proof through the night that our flag was still there.
Oh, say does that Star Spangled Banner yet wave,
O'er the land of the free and the home of the brave?

NOTES

Coro

Mexicanos, al grito de guerra
El acero aprestad y el bridón,
Y retiemble en sus centros la tierra
Al sonoro rugir del cañón.

I

Cina; oh patria! tus sienes de oliva
De la paz el arcángel divino,
Que en el cielo tu eterno destino
Por el dedo de Dios se escribió.

Mas si osare un extraño enemigo
Profanar con su planta tu suelo,
Piensa; oh patria querida! que el cielo
Un soldado en cada hijo te dió.

Oh, Canada

O' Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts, we see thee rise.
The true North strong and free,
And stand on guard, O' Canada,
We stand on guard for thee.

(Chorus)

O' Canada! Glorious and free!
We stand on guard, we stand on guard for thee,
O' Canada! We stand on guard for thee.

O' Canada! Where pines and maples grow,
Great prairies spread and lordly rivers flow,
How dear to us thy broad domain,
From East to Western sea;
Thou land of hope for all to toil!
Thou true North strong and free
O'Canada! Beneath thy shining skies,
May stalwart sons and gentle maidens rise,
To keep thee steadfast through the years,
From East to Western sea;
Our own beloved native land,
Our true North strong and free!

Dear Lovely Hazel and Gracious Rud :-

Now that we're home and chewing our cud
we can't relax and sleep til we say -
you gave us a wonderful, inspiring day!

Warm welcome on arrival and meeting our friends
Fun and discussion of Airstreaming trends.

Business of course, and a great installation,
much more talk, and enjoy the libation.

Very smart catering and delicious food
Put us all in such a relaxed mood,
that in spite of our talking and resultant din,
we could truly appreciate the palace we were in.
Then "The Great Trip to India" ! What more can we say.

"Thank You, Bloomers" !

we ad "A Bloomin Fine Day" ! ! !

AUGUST 1981

PRESIDENT'S MESSAGE:

This has been quite a summer--Dot's broken foot seemed to become the focal point at the International. Everyone but everyone stopped to express sympathy, chat a few minutes or take the opportunity for more lengthy discussions. We met so many nice folks especially the Canadians. They are fantastic. We were so sorry to hear that the 1983 International scheduled for Manitoba has been cancelled. Dot's foot again--since she couldn't attend the delegates meeting we were fortunate to meet Joe and Margaret Spellman at the International and also that Joe was agreeable to being my replacing delegate.

I have said this before and I'm sure I'll say it again, "Everyone should attend an International Rally." Besides the pomp and ceremony some real business is transacted and some real world information comes out.

Happy Trailering

Jim McLain

UNIT NEWS:

Received a report from Claire Bradley about the Wickford Arts Festival Rally and she tells us it was just as great this year as last. There were 16 trailers plus some guests and a few members who dropped in for the day. Breakfast was provided but the rest of the time they were on their own. The Arts Festival kept everyone busy most of the day as it is the largest and best display of arts and crafts around. Many thanks are due the hard workers who put so much effort into making it a success. Thank you Claire.

Our joint rally with Cape Cod in Jewett City was really a huge success. Thanks go to the hosts; Cecile and Ray Lemaire and their great committee; Mary and Bob Lobb, Muriel and Duncan Watt and Mae and Billy Bell. The K. of C. grounds were great for a rally, a little wet due to some rain on Saturday. We can not say enough about the food, so much and so delicious. We played Bingo Friday night and the big winner was Mae Bell in the last game. Some of the ladies made snowmen at the craft session on Saturday morning while others just visited. Saturday afternoon many went sight seeing or browsing. After a delicious chicken barbecue with all the trimmings we listened to and sang along with a fun group of musicians. Sunday the sun came out; and after another calorie filled breakfast we all started to depart. It was a fantastic weekend and our thanks go to all who worked so hard to make it so. There were 21 trailers, only 7 from Charter Oak--

we missed you. It was nice to see Jesse and Stella Walker again. Glad you're over your illness.

Hank and Arlene Setterstrom came to visit us Saturday afternoon and Jim held a short meeting to vote in new members, Harold and Jean Amory who had attended the Wickford and Deep River Rallies and met some of our members. They are headed for the west for a year and will see us all when they return. Welcome Harold and Jean Amory, 6 Canborne Way, Madison, Ct. 06443 to Charter Oak.

It is time for the dues for 1982; envelopes are enclosed for you to send your check directly to Howard Kuehn. \$7.50 C.O.C.U. and \$20.00 International \$27.50 in total. They must be to Howard before November 1st in order to be included in the 1982 International Directory.

Bob Lobb asked me to remind everyone that the lobster dinner is a reservation only. Your reservation must be to the committee no later than August 23, 1981. Total reservations are limited to 100 trailers and Carl Lochner's caravan from the International will take some of these so get your reservations in early.

We are mailing the flyer for our October rally on the first of September as my Chatter for September will be a little late due to the Region I and Mystic rallies. Remember this is the last rally of the year and we expect to have the Herpichs show slides of their Alaskan trip. A great rally is planned so try and come as we haven't seen very many of you this summer. It would be nice if we could see our snow birds before they leave for the south.

Joe Gatavaski is still looking for Hosts for rallies and dinners for 1982. Give him a call if you would like to do one.

See you all at Region I in Topsfield on September 4th.

INTERNATIONAL RALLY NEWS:

The weather cooperated:-warm and beautiful most of the week with no tornado warnings to worry us. Despite my cast we covered miles in the wheelchair and met many nice people. It was a great rally and the opening and closing ceremonies that Jim, as president, participated in were very impressive. The presidents' dinner, a thank you to unit presidents, was delicious and the company most enjoyable. The evening and daytime entertainment in the Coliseum and other buildings on Campus was excellent. There are so many and varied things to do that you can be kept busy all week without leaving the rally. This year the trailer count was 2020 from all the states, Canada and Mexico. Not enough to meet expenses we were told.

We were parked between the presidents of the Alberta Saskatchewan and the Iowa units. They were delightful people and we so enjoyed visiting with them. We were delighted to run into Margaret and Joe Spellman, our rather new Charter Oak members, in the Coliseum. They came to the International after spending the winter in Florida and Texas. They are now in Connecticut for the summer and we hope to see them at one of our rallies. Adair and Bill Weston were also at the International and are now on a years trip through the west.

Jesse Walker was quite ill at the rally, but he and Stella attended all the functions and hosted a delicious breakfast, Stella thosequiches were

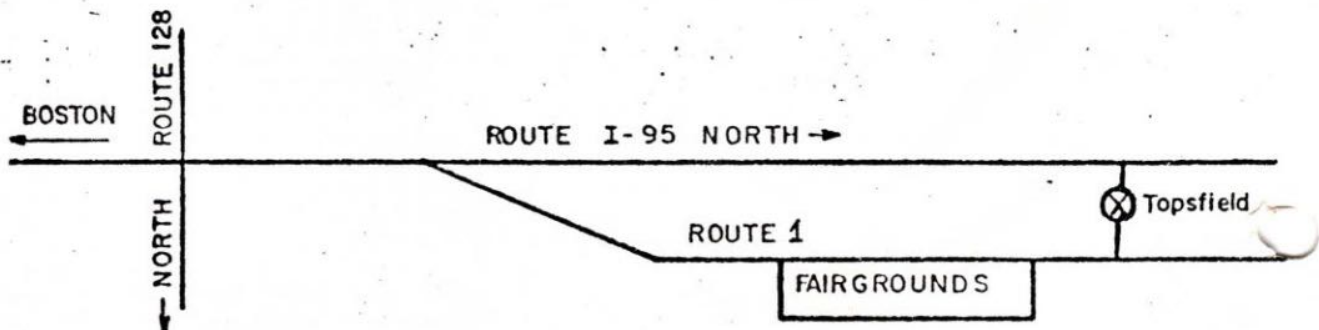

delicious and you can cater for me anytime.

Next years International Rally will be in Bozeman, Montana, try to plan on attending, you won't be sorry for you'll have a great time.

PRESIDENT'S MESSAGE:

Well things are back to normal, Dot's foot has healed and we are back into the rally swing. The Region I and Mistick Fishing Rallies were great and we were able to renew friendships both past and present which gave us pause to remember that our tenure ends very shortly.

It has been a good year for me and although I didn't attain all my goals I have realized a lot of satisfaction. I hope our new president gets as much satisfaction from the office as I have. Remember the election and installation of new officers will be at the November meeting at Hazel and Rud Bloomer's home in Brewster, New York.

UNIT NEWS:

The Region I Rally at Topsfield, Mass. was a huge success, 185 trailers of which 16 were Charter Oak members. The Committee did an outstanding job on meals and entertainment and everyone seemed to enjoy themselves. There were tours to Boston, Concord and Lexington, Rockport and Salem, and each one seemed to be more attended than the other. Charter Oak held their own mini-pot luck supper which as usual was delicious. The 1982 Region I Rally will be held in Quebec, lets all go!!

From Topsfield, the committee hosting the joint Charter Oak and Cape Cod Mistick Fishing Rally went to Mystic, Connecticut and began setting up their rally in the Old Mistick Village Parking lot. They only had a week between the two rallies but what a fantastic job they did. Their breakfasts, clam chowder, and lobster dinner were as good as any restaurant offers.

The entertainment kept everyone in stitches and the prizes for the raffle and door prizes were great. Fred Fayal donated a deep sea boat rod that he made for the raffle's grand prize. Fantastic, Fred.

We didn't get an exact count of trailers but were told there were 92/93 in attendance of which 14 were C.O.C.U. The Sylvesters just back from a 6 week trip to Alaska came for the Friday night festivities. Jim and I asked them to share some slides and or movies of their trip along with the Herpichs and their friends at our October Rally. Our World Travelers,

Hazel and Rud Bloomer visited India for two weeks in June and will tell us about the Taj Mahal, Shalimar, and their 4 days on a houseboat in Katmandhu at their November Rally in Brewster.

We received a postal card from Florence and Dick DeKoven on their cross country trip and Lillian and Bill Herpich from Valdei, Alaska. Dick and Jeanne Porter dropped us a note saying they are in Albuquerque and will remain through Christmas; then to Florida in February; Bozeman for the International. They send their best wishes to all and hope to see us next summer. Their address is % Southwest Foam Form, 5150F, N. Edrth, N.E. Albuquerque, New Mexico 87107. Bill Curry is on an extended trip through the west and visited Lee and Mark Good in Bremerton, Washington. Bill has a new address, 1200 Johnston Road 11-10; Dade City, Florida 33525.

Joe Gatavaski is still looking for Hosts for rallies and dinners for 1982.

See you all at the October Rally at Hill 'N Dale Family Campground in Lisbon, Connecticut hosted by the Setterstroms and McLains. This is our last outdoor rally so lets have a big turn out.

OCTOBER 1981

PRESIDENT'S MESSAGE:

It is with much sadness that I look to the end of my term as President of Charter Oak for I have thoroughly enjoyed my association with each and everyone of you. It has really given me satisfaction to see how well our rallies and dinners have come off and to realize just how much they have meant to me. It gave me the opportunity to visit with everyone.

What I cannot understand is why anyone would be reluctant to hold office and miss such a great opportunity to get acquainted with everyone of the active members. If I can be President so can any one of you. Long Live Charter Oak!! Volunteer or accept an office whenever the nominating committee contacts you and let the club benefit from your experience and ideas.

I know our officers for 1982 will do a bang-up job so lets pledge our efforts to making their jobs easier. Good luck, new officers.

This will be my final message so Dot and I wish to thank each of you for your contribution to the club and your help in making our job such an easy one. Thanks again to everyone.

Happy Trailering

UNIT NEWS:

We had a great rally at Hill 'N Dale even though the weather did not cooperate, damp and very cold until Sunday then the sun came out in all its glory. Despite the weather we had 13 trailers with two member guests, Westons and Crocketts coming for the dinner. It was nice to visit with Ruth and Bud and Ruth and Roger. We certainly enjoyed Bill and Hazel Sylvester's Alaskan slides and talk. Bill's slides were gorgeous and he answered so many of our questions that even with its beautiful scenery, some of us have been having second thoughts about Jesse's caravan in 1983. The Alaskan Highway sounds rough and very hard on your trailer and tow vehicle. Maybe some day we'll get to Alaska via other means. We thank Hazel and Bill and hope they can make a dinner or rally soon.

We also want to thank Brad and Doris Fleming and their young friend Brian for bringing the pumpkins and several types of gourds for our decorations.

They made the tables look so festive and Autumny. Further thanks are due Brian for his idea of each trailer family making a face on the white gourds and then giving a prize for the best three. Hazel Bloomer took first prize, a guest from Berkshire Unit the Ryals took second and Diane Eglise came in third. Charter Oak sure has talent for there were so many great ideas I'm glad I wasn't a judge. Thanks very much, Brian, we'll do it again sometime. Many thanks go to Helen Gatavaski for showing the ladies how to make cloth picture frames. It was a fun project and so many pretty frames were created. Due to the cold we were sure fortunate to have use of the activity room at Hill 'N Dale for our crafts and slides. It was nice and warm from the fireplace. We also kept a big fire in the fireplace which kept the eating area fairly comfortable.

If my last Chatter made you wonder if Bill Curry was traveling alone, he wasn't - Angie was right there with him. Sorry we only mentioned Bill, Angie, just an oversight in trying to straighten out your address. Received a note from Willie and Bob Evans, who have been traveling and wanted to say hello. We are sorry Janet and George Theroux have resigned due to infrequent visits to Connecticut but we understand.

FOR SALE: Andrew Higgins has a 1975 Excella, 31', complete with twins and rear bath also, 1978 Tow vehicle, GMC Suburban 25 Sierra, 454 C.I.D. Both good condition. Will sell together or separate. \$16,000 for trailer or \$22,500 Total Package. Tel. (203) 774-0049

NOVEMBER 1981

PRESIDENT'S MESSAGE:

Two months ago, when the nominating committee called me at home and asked me to be your president for 1982, that thought was farthest from my mind. I inquired about Bob Lobb and was told he had declined the president's job due to limitations of personal time for him and Mary, I then agreed to serve. I feel it is a great honor and will do my best in this job, but I also recognize that this club is successful only when the members contribute. Sandy and I will be starting our 10th year of membership in this unit next April. We have observed, thru the years, that the people who attend the most rallies meet the most people and have built lasting friendships. It is these friendships that bring them together in fellowship and fun. Plan now to attend more rallies in 1982.

Joe Gatavasky has put together a great rally program for 1982 that will be very rewarding for all who come to the rallies.

Charlie Eglise

UNIT NEWS:

We now have a new president and Jim and I are a little sad as we really enjoyed our year as president and first lady. It was exciting being parked with all the presidents at the International and Region I rallies which gave us an opportunity to meet so many nice people during the year from the different parts of the United States and Canada. We also feel we have come better acquainted with the members of Charter Oak and have so many new friends. Everyone has been so helpful and understanding and we thank you all. Being president and first lady was not such a difficult job but it did provide some very interesting and rewarding opportunities.

Rud and Hazel Bloomer assisted by Hubert and Charlotte Vail hosted the annual election and installation of officer's dinner at their home in Brewster. Forty eight members and guests attended; among whom were several that we haven't seen in a long time. The dinner was delicious and Rud's slides and commentary on their recent trip to India was enjoyed by everyone. The Bloomer's home is a beautiful farm house over 100 years old. Rud told us the story of how his father obtained it many years ago. We thank Hazel and Rud for their hospitality and graciousness and Hubert and Charlotte for all their help in providing such an enjoyable afternoon and evening.

The slate of new officers was accepted as recommended by the nominating committee. Rud Bloomer did an excellent job of installing our new officers.

The new officers are:

President: Charles Eglise
 First Vice President: Joseph Gatavaski
 Second Vice President: Ruth Crockett
 Treasurer: Sandra Eglise
 Recording Secretary: Lillian Herpich
 Corresponding Secretary: Helen Gatavaski
 Second Year Directors: Clarence Nelson (Rip)
 Niels Rosenbeck
 First Year Directors: William Herpich
 Howard Kuehn (Mike)

Our outgoing President, Jim McLain, was presented a past president's pin, flag and plaque.

We welcome Bernie and Tracey Felton, 83 Sawmill Brook Lane, Willimantic, Ct. 06226, as associate members of C.O.C.U. Bernie and Tracey also belong to Cape Cod.

Freddy Fayal presented Bob Lobb with an engraved wooden stirrer to help in making his famous chowder as a memento of all his work at the Mystic Rally. Bob and his committee digs the clams to make his delicious chowder each year for the Mystic Rally. Speaking of the Mystic Rally-we received a thank you letter from Carl Lockner and his caravan saying they had a great time at the rally.

We also received a letter from Mark and Lee Good inviting anyone visiting Washington to stop by and see them. Harry Hultin is in the hospital with a heart problem but we understand he's doing very well and expects to be home soon. We're all thinking of you Harry. Mike and Maggie Kuehn will be retiring the first of January and will be going south. Lois and Herb Howe also will retire at the end of January 1982 and will be taking off for the south. Lots of luck and happiness to all of you. We were sorry to hear Sandy Eglise's mother passed away October 30 after a long illness. We all send our condolences.

There are several members that have not sent in their 1982 dues. If you want to be listed in the 1982 International Directory, please send them to Sandy Eglise, 405 Green Hill Rd., Madison, Ct. 06443 before November 15.

Our Christmas Party will be a joint affair with Cape Cod on Saturday December 12 at Somers Inn, Somers, Ct. Betty and Whit Bradley and Elsie and Rip Nelson will be co-hosts. Should be a really gala night so lets have a good turn out to start the holiday season.

Instead of a Pot Luck supper in February C.O.C.U. and Cape Cod will co-host a Valentine's dinner Party on Saturday February 13, 1982 at Rom's Family Resturant, Sturbridge, Mass. Details will be provided later. Hosts will be Lee and Claire Bradley and Milt and Pat Weglarz . Hope we have a good turn out.

Mark your calander for Sunday March 7, 1982 as we will have our first meeting of the new year at the home of Charlie and Sandy Eglise. Our snow-birds will still be away which makes our group too small for a restaurant so it was decided to have our first get-together at Eglise's new home.

More details in a flyer later on.

SUGGESTIONS FOR RALLIES & MEETINGS

From the BLUE BOOK

Advance Notice: When preparing flyers, include information regarding rally fees, dates, parking, deposits, activities, potluck dinners, etc.

Rally Expenses: All rallies should be self-supporting each person paying his share of the expenses. When visitors pay the same as members they feel free to take part. This also prevents criticism over treasury funds being used for activities in which all members do not participate.

Suggestions for Making a Successful "First Impression" at a WBCCT Rally:

- a. Have a greeting committee to meet arrivals with a "Hi! Glad you're here!". Some may be new owners and new to our program. Make them feel at home. Give each person a name tag; give each trailer a program, or if you do not have a program, tell them to check the bulletin board for the schedule of activities.
- b. Have hospitality trailer so that on arrival the greeters can say, "The coffee is on--get set up and then come over to trailer #_____."
- c. The San Diego Unit initiated a friendship book to be given to each person collecting autographs. Everyone attending the rally is asked to write his name, address and trailer number. Each name is numbered and awards are given to those that get the most names.
- d. It is fun to take a snapshot of each family and paste it in the Unit history book. These books are of interest to everyone and should be on display at all Unit rallies.

- e. Have a Unit guest book and ask everyone to sign at each rally.
- f. It is fun to have a "gate" prize. One thought, number the programs and lucky number gets the prize, use some kind of gag.
- g. It is always good to have something planned for the children. Makes a more enjoyable rally for everyone.

4. Rally Parking: Rally committeemen and officers are parked together in the center of the ring, as these are the people who are responsible for the success of the rally. Also, it is a great convenience to the members to know where to locate officers and committeemen.

This method of parking has become known as the "Brass Circle" and is a very controversial subject. Some feel it is a matter of favoritism, but this is not true. Those in the center circle are the hardest workers at the rally and put in the longest hours. Visiting officers are usually parked in the center also. This is a courtesy as well as placing them in a position where they can observe and offer helpful suggestions.

5. Meetings: Wally patterned "Meeting Time" after the old town hall meetings. Meetings may be strictly social or a combined social and business meeting, but it gives everyone an opportunity to get together. Meetings provide a time to get acquainted, to exchange ideas, to discuss objectives and accomplishments. It is a time to take part and a time to recognize individual contributions. The sidewalk cafe meeting is always fun. Members bring their refreshments and sit around and talk about what has been done or seen, trips made, etc. This usually takes place about 4:30 in the afternoon.

If a business meeting or a combined business and social meeting is planned, notice should be posted. Everyone will make an extra effort to get back from sightseeing or shopping.

6. Bulletin Board: Place a blackboard in a central location (the hospitality trailer is often used) as a center of activities, for announcements, program news, and if you have a printed program, post one on the board. Keep everyone informed about what is going on.
7. Church Services: Church services at the rally site are a very important part of the rally program. Even a very simple service brings a deep meaning of fellowship. If a minister is attending the rally, there is no problem. If not, a local minister may be invited to speak, or a member may read a short sermon. It is a courtesy to members to post notices of local church services on the bulletin board.
8. Head Table: Arranging the head table and the seating of guests, depends upon the size of the table and the number to be seated. If possible, your own officers and their spouses should be seated at the head table. If there is not room for the spouses, they should be placed as near the head table as possible and introduced as important guests. Your president should sit in the center position. Visiting VIPs and International officers would normally be seated at the head table. A special table for officers, past and present, may be arranged. If you have inadvertently overlooked someone who might reasonably expect to sit at the head table, ask him to stand and be acknowledged. This helps to overcome what could be an embarrassing situation.
