A Word from our President

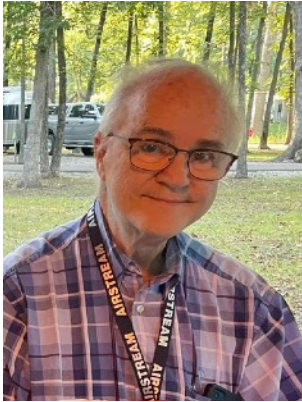

I hope you all enjoyed a Happy Fourth of July. We are able to sit in our driveway and enjoy the City of Manchester fireworks. Our grandsons commented and cheered throughout, as well as waved small American flags. In addition, the weather was near perfect.

Our rally in June was Great. We had 15 rigs in attendance. Kentuckiana Campground proved to be a hidden gem. It was a mix of semi-permanent campers and 3-4 day campers. They had many activities planned throughout our visit. We took advantage of their pancake breakfast, as well as their live Country Music on Saturday night. We were not far from Peoria, where we enjoyed the Caterpillar Visitors' Center, took in a Peoria Chiefs baseball game, and visited other museums. The Lange's and the Weidle's brought 8-year-old grandsons. The boys played together the entire time, and helped us enjoy some of the activities through a child's eye. Some time was spent just relaxing with friends.

I am looking forward to our next rally, which is a joint rally with the Nebraska Club. Between our two clubs, we will have 27 rigs. Working with Cheryl Sisk, Nebraska President, we have a variety of places to visit, as well as relaxing time. There will be 18 Airstreams from our club at the rally. Again we will have some grandchildren, as Bob Schrameyer is bringing his daughter, granddaughter and grandson.

The August rally is nearly full. I know that the Weidle's are busy

working on plans for that rally. Rick and I will be bringing our 12 year old granddaughter. It seems that this is the summer for grandchildren to join us. What a great way to plant the seed for Future Streamers.

Among all the fun and friendship we gain, being members of this club, there is also sadness. Losing a member affects each of us differently. Glen Waters, was a longtime club member, maybe for 30-35 years. He was a former club president, as well as a Region 8 president. He was the community service chair for our club, our region, and for International Rallies. He was a wealth of information about anything Airstream. As my husband, Rick, learned while planning the recent Region rally in Branson, Glen was also a wealth of information on everything Branson. He will be missed.

International Rally in Sedalia

As many of you know, the International Rally will be held this year in Sedalia Missouri. The rally is October 5-10, and is nearly full. There is an option to arrive early. Many of the Greater St. Louis members will be arriving on Wednesday, October 2, and will gather to arrive together, so we can be parked together. If you are planning to arrive on the 2nd, and want to park with the group, you need to be on the list to park together. Joe Hauser is organizing this for us. He already has many of your names. However, if you recently signed up, or recently changed your arrival date to the 2nd, please contact Joe by email: hauserconstructioninc@yahoo.com

I know not everyone is able to arrive early. We will be gathering as a club on Sunday afternoon to have our club installation of officers. Please let me know who is arriving after the 2nd, so I can get you the information about the installation. Also, when you arrive and register, stop by the table for Region 8 and purchase a breakfast ticket for our region breakfast, which will be on Monday, October 7th.

This will be a great opportunity to show off the Show Me State. I hope you can attend.

Adirondacks Road Trip

GLSAC members Steve Mentz and Dennis Komeshak made an attempt to escape the St. Louis summer heat by caravanning into the mountains of upstate New York. Unfortunately the heat followed us and the region experienced record-breaking temperatures nearly 20 degrees above average for June.

We carried on with a 10-mile round trip bike ride through the forest to the abandoned Great Camp Santanoni, paddled lakes, summited Whiteface Mountain (by elevator) and had a great week away.
