

BLUE GRASS ON THE BEACH
FEBRUARY 28- MARCH 2, 2025
LAKE HAVASU STATE PARK, ARIZONA

Hello Airstreamers!

Bob and Sandy LeVan will be hosting this rally for the Last Vegas Airstream Club again this year at the Bluegrass Festival in Lake Havasu, AZ. The dates are February 28 through March 2 (Friday, Saturday, and Sunday).

Great news. We've asked the Utah Wasatch Airstream Club to join us. John and Bonnie Ruskauff are affiliates of ours and attended the Malibu Rally in July. Jo & Ade mentioned that we do this rally annually, and voila – the idea of a Joint rally with our neighbor Airstream Club was hatched. We are looking forward to meeting our fellow ACI members,

The festival is held each year during the first weekend of March at Lake Havasu State Park. The Festival has the entire state park for that period of time (except a few cabins which can be booked through the park). Since hookup sites are limited, there is a fee for a special Gold Membership (limited number of sites) that is available if you are interested. The information for that is on the website.

This rally is **dry camping** (you can join us for happy hours and anything we do if you want to go the Gold Membership route). We will be located in an asphalt parking lot about 100 yards from the stage. It's where other clubs park. Fun atmosphere. There are no hookups, but solar panels work great. It is an easy walk to the venue, which has restrooms. Of course, no fires are allowed except propane grills and propane fire pits. Everyone should bring two sets of chairs - one set at the rally site and one set to leave at the venue. We've attended the last two years, and the chairs can be left for the three days of the festival and unless the wind blows a lot there is no problem with them.

This is a **BOOK YOUR OWN SPACE RALLY**. The **tickets can be purchased** at either of the following: lakehavasubluegrass.com or bluegrassonthebeach.com. There is a flyer on the website, and attached here, showing the performers for this year, as well as how to purchase tickets, a map of the park, and a schedule of the three days of performances.

Tickets are \$120 (plus \$6 fee) per person for a weekend pass for all three days including dry camping for Friday, Saturday and Sunday. That is \$252 for two people for three days. You can add additional nights for \$30 per night per rig

to stay longer. We, and the Salzer's, Chimko's and others will be arriving on Thursday, Feb 27. Lake Havasu City has everything you might need, shopping, great restaurants nearby. including boat rentals. The Festival has food and beverage trucks, lots of vendors and it's right on the lake for picnics.

We will need a count of those attending, so please sign up on the LVAC website via this link: <https://airstreamclub.org/bluegrass-beach>.

Thank you.
