OCTOBER 2025

PRESIDENT'S MUSINGS

Hi everyone. This newsletter is hot off the heels of our Blue Skies and Ranges Rally at the Whittington Center in Raton and all I can say is, we are a fun group who knows the value of \$3 (if you know, you know). I always leave rallies grateful that my Airstream has given me the opportunity to have many laughs with people who I wouldn't know otherwise. To me, this is the true value of being a part of the club. I urge everyone who reads this newsletter get out there and experience as many rallies as you can, we have 2 more rallies scheduled in 2024, I would love to see you there.

Safe travels, Laura Netherlin
