'President's Message— October 2024

By the time you read this it will be time to make your reservations for 2025 president Alan Faulk's gala Christmas Rally at the beach. Elaine and I are really looking forward to attending this famous annual event. Make your reservations and register early. Also open now for registration is the fall Installation Rally in Fredericksburg. This is sure to be a winner and a chance to visit one of Texas' most popular towns. I know some of you will be on the West of the Pecos Caravan which unfortunately overlaps with this important rally. However, I wish you a great caravan and I know it will be with Brian and Nancy Powers in charge. THLAC has had a very busy year in 2024 and some conflicts are sure to arise. Finally consider getting on the wait list for next year's Texas Rivera Caravan to be led by Pam and Jim Dudley.

About twenty club rigs have just completed the THLAC UP Caravan which was favored with great weather, though warmer than we expected, and a number of terrific stops planned and led by Rick and Debbie Trimble. Look for more on this one in the news section.

Elaine and I are on our way to the International 2024 Rally where we will represent THLAC along with about twenty other rigs from our club. I hope you are one of them.

That will pretty much wrap up my year as President of your club and I would like to thank all of you who have contributed to this successful year. It has been an honor to serve as an officer for the last three years.

See you down the road and travel safe.

Bill Saulnier, President THLAC

Membership

Hello THLAC'ers,

While I am still getting my feet on the ground as your Membership Chairman, I have been working to reach out to all of the Region 9 Members at Large to make them aware of our Club. We have also recently began receiving contact information for some of the new Explorer Club Members at Large who are joining our Region. Thank you to Region 9's Membership Chair, Michelle Wright, for listing us as one of the Clubs located near these new Airstream buyers.

Peter Sajovich has also conducted a new owner workshop and invited these Explorer Club members as we are made aware of them. This has resulted in at least 2 new THLAC members. Thank you Peter! This historically has been our best recruiting tool.

In my letter to prospective members, I speak to our geographic diversity across the State and to the fact we Rally from the Gulf Coast to North Texas. We also point to our yearly Club Caravan which is a huge plus for us. Thanks to Rick and Debbie Trimble for this year's UP Caravan and to Jim and Pam Dudley for next year's Texas Riviera. The UP was an awesome adventure, and I hope it will be repeated in 2026 since we'll be in North Dakota for International anyway.

Thank you all for continuing to spread the word. Your photos and stories on our Friends of Texas Highland Lakes Facebook page reach nearly 500 members every time you post. Please continue to share your experiences and adventures.

We'll see you all in November as we thank Bill & Elaine Saulnier for a great year of leading our Club and we look forward to 2025 with Allen & Pam Faulk.

MARKETING

Congratulations to Gerardo & Abel for making Airstream of Austin the NUMBER ONE AIRSTREAM DEALER IN THE WORLD!

That's what Brian Powers and I learned when we held another New Owner Workshop on Thursday September 19th.

Frankly, I couldn't believe it and I had to ask them again. I already knew Blue Compass was the largest dealer of Airstreams in the United States.

But Gerardo confirmed, they sold more Airstreams than their flagship store in Tampa and more Airstreams than Colonial in New Jersey. Looks like their 30+ million dollar investment has paid off. They are currently averaging 25 new Airstream sales per month. Can you imagine what will happen when interest rates drop?

While spending the day at their facility, I met a couple from Amarillo who purchased their Airstream from Blue Compass. I specifically asked them why they didn't purchase it from Airstream DFW? The answer was simple, it would take months for DFW to deliver the unit they wanted. Airstream of Austin didn't have their unit in stock, but could obtain it in TWO DAYS.

I've mentioned previously that in my opinion no dealer can compete with Blue Compass. They have the ability to deliver any Airstream from any of their more than 10 stores within two days.

Caravan Updates

Rick Trimble

Caravan Chairperson

The 2024 UP Caravan took place from August 26th through September 15th. We began in Grand Rapids, Michigan, and traveled to Sutton's Bay Area, St Ignace [Mackinaw Island], Sault Ste Marie, Munising, Marquette, Hancock, [Copper Harbor], and Ontonagon [Porcupine Mountains]. Lots of biking, hiking, and lighthouse visits but heavy on the rock collecting. It seems the Lake Superior rocks, Yooperlites, are very special. This caravan was different, as we did not have scheduled activities. They were created by the caravaneers, instead.

Bob mapped out the biking and hiking opportunities. Jim Pfeil took so many beautiful pictures along the way. Grady found an excellent TIKI bar in Grand Rapids. Randy Truesdell organized a fishing charter on Lake Superior. The grilled Lake trout, the side dishes, and the desserts made a great evening meal at Marquette Tourist Park. Debbie found a great place for our final dinner in Ontonagon. The Squeeze on Main opened for us on Sunday night, and we had the place to ourselves. A special thanks to Traci, Amy, Michelle, Steve, and Ginger for putting together a fun program at the final dinner.

We had a great group of people, and they made it a grand caravan! Ask us about the “bloopers” along the way.

Special Note: Interested in leading a caravan? How about leading the UP caravan sometime? We will help you with any information we have. Please give it some thought!

Upcoming Caravans

West of the Pecos National Caravan, led by Nancy and Brian Powers.

Texas Six Shooter National Caravan, led by the Dudleys and Roberts.

Rolling to the Big Easy National Caravan, led by Peter and Carol Sajovich

Texas Riveria Club Caravan, led by the Dudleys and Kutachs.

Experience the charming and quaint town and immerse yourself in the rich German influence at our annual Installation Rally. It will be held at The Vineyards RV Park, 2647 N US Highway 87, Fredericksburg, TX. Phone: 830-993-1237.

Book your campsites now. Registration for the club rally will open September 1. Check your email for the notice.

Christmas at the Beach Rally

Camp Margaritaville RV Resort at Crystal Beach

December 5 - 8, 2024

Registration is open for our annual Christmas Rally to be held at Camp Margaritaville RV Resort at 796 Highway 87 in Crystal Beach, TX 77650

We have 35 sites (G12-G46) reserved for "THLAC Airstream Club". You must call the park to reserve your site at 409-515-1970. Our rally rate is \$65.00 per night plus taxes. Please check out the park map if you want to pick a site- they are all deluxe pull-thru sites. **The deadline for making a reservation is October 15, 2024.**

After getting your site number, you will need to register for the rally from the link provided in the bottom of this email.

We will provide a rally agenda at a later date. Our activities will include Friday night dinner at Stingarees on Bolivar (this dinner is NOT paid by the club), our Saturday night dinner at Fins Bar & Grill on the Margaritaville property., live and silent auction, pool time (yes, their pool is heated!) Happy Hour, games and breakfasts. Dickens on the Strand also happens this weekend for those interested in going to Galveston. The Resort also has a nice boardwalk down to the beach!

There are two ways to get to Margaritaville. One is by ferry in Galveston and the other is to go around the peninsula on I-10 to TX-124. Check maps to see which is for you.

We will need donated items for the **live and silent auctions**. Please be generous! If you have connections to any businesses that may donate interesting items, we would love to have them! Please support the auction by bringing and purchasing items!

Fun times to be had by all is a requirement!

Thanks,
Allen Faulk, President 2025

The **North Texas Airstream Community** (NTAC) is located in Hillsboro, TX with convenient access to Waco and the Dallas/Ft. Worth Metroplex.

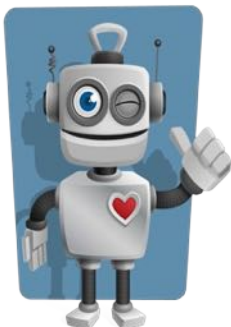

It is a 50 acre residential community limited to owners of Airstream/Argosy trailers or motorhomes. The community has custom built villas and houses as well as lots with three-point hook ups.

Pictured above is their TerraPort available for rental for guests. It has 30-50 amp hookups and free wifi. NTAC has a beautiful clubhouse and an outdoor seating and dining pavilion. The enclosed "off leach" dog area is a pet favorite. Visit their website at <https://ntaci.com> or more information.

Texas Airstream Harbor, Inc. (TAHI) is also an Airstream-exclusive member-owned camping destination. It is located east of Zavalla, TX on the beautiful shores of Lake Sam Rayburn. Guests with trailers and motorhomes produced by Airstream Inc. are welcome for over-night, extended stays, winter visiting, full timers and WBCCI club rallies. There are cabanas and lots for permanent residents. The clubhouse is open for guests to use. Free Wi-Fi is available. All sites have water, sewer, and 30 amp electric service. Their website is <https://texasairstreamharbor.com>.

In addition to the Texas Airstream Parks there are others located throughout the U.S. The Top of Georgia Airstream Park is located on private land in the Chattahoochee National Forest located near the Appalachian Trail. Washington Land Yacht Harbor is located in south Puget Sound, WA. The Tennessee Cumberland Plateau Campground in Crossville, TN offers extensive hiking trails. Our members have visited some of these sites and will be happy to share their experiences.

Dear Rivet, **Dear Rivet**, Why do people put a plastic bag on their trailer hitch? Curious George

Dear Curious, The plastic bag helps prevent dirt and moisture from damaging your trailer hitch ball. As a Newbie, you probably have a bright, shiny trailer hitch ball. To help preserve its structural integrity, it is necessary to prevent friction caused by rust or dirt. It is recommended that you grease your trailer hitch ball before each trip. First wipe off the old grease then apply axle grease. It's okay to use your fingers. It's messy so use disposable gloves. While you are there, be sure to crouch down and look for any sign of rust or bending to your trailer hitch and the tow vehicle hitch platform. An added benefit is proper care of the ball will help keep down "squeaking" noises from your hitch.

The MI/UP caravan was an amazing trip. Debbie and Rick did a superb job of planning it, from picking fantastic locations and campgrounds, and planning lots of fun activities for everyone to choose from.

On the way to Michigan, we met up with several other trailers on the caravan at a Corps of Engineers Campground in Illinois. Before meeting the rest of the caravanners near Grand Rapids, several of us stopped at Holland, MI. Who knew there is a huge calliope and a genuine Dutch windmill in Michigan!

We particularly loved the beautiful lakeshores of Michigan, the incredible fresh fruit and farm stands, the lighthouses and waterfalls, the sight of the sun setting over Lake Superior and Lake Michigan, the amazing flowers blooming on Mackinac Island, and the tour through the Soo Locks. Larry really enjoyed being able to fish on Lake Superior!

After the caravan, we drove down to Belgium, WI, where Larry's cousin Ricky lives. That capped a wonderful trip as Larry and Ricky were able to reconnect after many years. We even took in a Milwaukee Brewers game, checking off one more ball stadium to our goal of visiting all major league stadiums.

We are so ready to go on another club caravan!

Allen & Pam Faulk

We left home on June 1, leisurely traveling to Lake City, CO. Lake City has become a summer destination for us, having spent some time there since 2021. In fact, we already have reservations for next summer!!

After Lake City, we spent time in Red River and Eagle Nest, NM. These small communities are welcoming with views and experiences that are memorable.

Upon arriving in Alamoso, we learned that one of Pam's nephews was also in the area! He typically travels there in the summer months from his home in St Louis to hike/climb the mountains. He is an experienced climber having done many "14'rs" (14,000 ft elevation).

We then traveled to Sante Fe and enjoyed the sights and sounds there with our NTAC neighbor and THLAC member Harvey Craig. Harvey is very familiar with this area since he has a summer home in nearby Ruidoso. By the way, Harvey's home was spared in the recent fires in that area. Many people, however, lost everything in those fires.

After Sante Fe and Ruidoso, we caravanned with Harvey to join the club's Michigan/UP Caravan, led by our very own Rick and Debbie Trimble. We very much enjoyed visiting the UP once again; it's beautiful in the summer months.

We are currently in Sedalia, MO, awaiting the beginning of this year's AS International Rally. Allen will work with the Logistics Committee, while Pam is scheduled to work with the Transportation group. Hopefully, we will see a few club members while here!

Wherever you are, and wherever you go, travel safely!

We spent July down at our farm in LaFeria, TX.

We left for the Michigan/UP Caravan on August 21. It was fun to have the Saulniers and Zeringues traveling with us. Some of the things we enjoyed were Windmill Island Gardens in Holland, the Frank Lloyd Wright house in Grand Rapids, the Leelanau Peninsula, Mackinaw City, the Soo Locks Boat Tour, returning to Whitefish Point and The Great Lakes Shipwreck Museum.

Visiting the Michigan Sled Dog Center was a definite high point. The dogs were amazing, and the guided tour by the owner was fantastic.

Fun cuddling the puppies

Laura, the owner and her dog

We had some excellent craft beers, fresh sweet corn, cherry pie, fried and grilled whitefish and pasties. Our favorite place for pasties is still the same: Krupps Mini Mart on the way to the Porcupine Mountains. The people of the Leelanau and Upper Peninsula were gracious and friendly. It was fun sharing Michigan with such a great group of Airstreamers.

After the caravan, we traveled with Bill and Elaine Saulnier to Door County, Wisconsin. We love Sturgeon Bay, Egg Harbor and Renard's Artisan Cheese. We will have to go again to see the rest of the peninsula.

Several people from the caravan attended the Swiss Festival National Rally in Sugar Creek, Ohio. The rally was well organized, the tours were educational, and the Amish were welcoming. The countryside was breathtaking, with rolling hills. The Amish food was delicious, and the cheeses were exceptional. We think this is a rally everyone should attend at least once.

We had a blast for the UP Rally. First Rally for us. Got to make new friends and make better acquaintances with old friends. We had lots of laughs and fun times. What a way to see and experience the UP. The Tremble's did a fantastic job guiding us on where to go. Their knowledge of the area was very helpful. Best trip ever. We couldn't ask for better weather. Everything was perfect (except that windy day).

Lol.

Frank and I are headed to Albuquerque for the annual Hot Air Balloon Fiesta while everyone else is headed to International which we, sadly, are going to miss this year.

We spent most of September on the UP Club Caravan hosted by Rick & Debbie Trimble along with 40+ of our Texas Highland Lakes club members and affiliates. It was one of our favorite caravans of the six that we have done, which is not fair to the other caravans, because we have enjoyed them all. This one was extra special as it was enjoyable to spend so much time with fellow club members and experiencing so many beautiful parks and fun adventures in Michigan which were planned out perfectly by Rick and Debbie.

I don't want to leave anything out, but some of the highlights included touring lighthouses, visiting the town of Holland and buying cheese , a stop at the Great Lakes Shipwreck Museum featuring artifacts from the wreck of the Edmund Fitzgerald at Whitefish Point, hiking to beautiful waterfalls,

And rocks. Did I mention Michigan has a few rocks. There are coveted Petoskey rocks about 350 million years old, beautiful agates and yoopers that glow in the dark just to name a few. There were several rock hounds in our group and I am one of them. There, I said it out loud. I am a rock hound. I can't speak for the others but I personally hoarded many pounds into spaces in our new trailer that Frank doesn't know exist along with several jars of Thimbleberry jams, and yes, I'm just like Lucy. In Michigan, it is legal to take 25 pounds of rocks per year. I'm pretty sure I took my share.

We can't thank Rick and Debbie enough for all they did to make this Caravan a special one to remember. Hopefully, in 2026, it will be the Texas Highland Lakes Club Caravan again and will be one you don't want to miss.

There were so many wonderful things to see on the U.P. Caravan... it's hard to pick our favorite! Both Lake Michigan & Lake Superior were clear and clean...and as big as the ocean. We toured Colonial Michilimackinac to learn about the occupation of the islands by the French & British. We discovered Petosky Stones & Upperlite Rocks. Had fun looking for them everywhere, but eventually, bought some!!

Before heading to Texas we traveled to Grand Junction,Co. to meet friends.
