

Hello!

Everyone on our rally committee is very excited about this rally. Already it has gone beyond our expectations and we're so glad to have you join us!

I wanted to share some information about what you can expect at the Calgary Stampede, one of the biggest and most exciting events in Canada. Every year the Stampede kicks off with an amazing parade with floats, bands and yes, lots of horses! Come a couple of days early to the rally and experience the excitement of the parade on July 4, wander downtown Calgary, eat amazing food and maybe rub shoulders with real (or wanna be) cowboys and cowgirls.

As always, next year's Stampede promises an incredible lineup of activities. From thrilling rodeo events to fantastic live music, there's something for everyone. The iconic midway will be bustling with games, rides, and delicious food—definitely a highlight! Don't forget about the nightly concerts featuring both local and international artists. Past musicians to play at Stampede have included Garth Brooks, Katy Perry, Keith Urban, Miranda Lambert and Pitbull—the list goes on. Each night ends with spectacular fireworks that light up the sky.

But wait, there's more! Take a look at the livestock competitions that feature the next generation of farmers and ranchers or admire the amazing dogs sorting livestock at the World Stock Dog Championship.

Whatever you fancy, the Calgary Stampede is a great opportunity to experience our vibrant community and celebrate the heritage of Alberta.

Join us for the Stampede National Event Rally 2025 and have an experience of a lifetime! Stay tuned for more details in the coming weeks as we plan to open registration for the rally in the first week of December. We will also be unveiling our Facebook page and rally website in the coming week!
